Nominations for the Environmental Awards Are Now Open!

Forest Park, IL, August 22, 2024 ---

Forest Park residents are invited to submit nominations for the 2024 Environmental Awards. Do you know someone or a group making a real impact in sustainability and climate action? Now is the perfect time to recognize their efforts!

The Environmental Awards honor individuals, organizations, local businesses, and collaborative projects making strides in climate action and sustainability! Categories include Community Organization, Individual, Local Business, and Collaborative Initiative. Anyone can nominate deserving candidates. Submit your nominations to contact@forestpark.net by **September 30** and help us celebrate those making a positive impact on our environment! Nomination form can be found [here](#).

About the Forest Park Environmental Control Commission

The Commission consists of seven members appointed by the mayor to serve a term of four years. Primary duties include promoting clean water and air, the protection of the public's health and safety relating to environmental sustainability, the conservation of natural resources and protection of the environment and providing educational information relative to the environment and natural resources.
