**ADMINISTRATOR'S REPORT:**

Administrator Entler reminded residents that the Village Hall offices will close early on Wednesday, in observance of the Thanksgiving Holiday and will be closed on Thursday and Friday as well. For information on what's going on in Forest Park, residents can visit the Community Calendar on the Library's website. Administrator Entler wished all in attendance a Happy Thanksgiving.

**COMMISSIONER'S REPORTS:**

Commissioner Maxham expressed her gratitude to Finance Director, Tish Olmsted, for her hard work and long hours spent working on the annual audit and the levy. The commissioner reported that she attended the ribbon cutting at Di'Vino and congratulated the Park District on their 90<sup>th</sup> anniversary celebration. Last, the commissioner wished all a Happy Thanksgiving.

Commissioner Nero reported that Di'Vino is now open at 1547 Harlem Avenue and that Fiore is planning to re-open by the end of this year. Commissioner Nero wished all a Happy Thanksgiving.

Commissioner Melin-Rogovin congratulated the Park District on their 90<sup>th</sup> anniversary and reported that she visited the Forest Park Middle School to speak to Social Studies students about how they can make a difference in Forest Park. The commissioner reminded residents that on December 4<sup>th</sup> there will be a gathering of Operation Rising Spirits, and the opportunity to write holiday cards to veterans. This event is free and open to the public. The commissioner also wished all a Happy Thanksgiving.

Commissioner Voogd stated that she is thankful for all of the residents, elected officials and staff, who do a lot here for everyone in the community. The commissioner commented on the wonderful staff and how they all work so hard. The commissioner also wished all a Happy Thanksgiving.

Mayor Hoskins reported that last week he met with a large group of mayors in Barrington Hills, where they discussed Cyber Threats to small units of government. There was a very experienced panel who provided eye-opening information to the mayors. Mayor Richardson is proposing forming a Cyber Alliance so municipalities can share best practices with one another.

## **ADJOURNMENT**

There being no further business to be addressed, Commissioner Nero moved, and Commissioner Maxham seconded to adjourn. The motion carried unanimously.

Mayor Hoskins declared the meeting adjourned at 7:30 P.M.

Respectfully submitted,

Vanessa Belmonte  
Village Clerk

# Background

---

- In 2023 the Village Engineer, alongside the Public Works Director, Village Administrator and Commissioner, developed and approved a 3-year plan for the calendar years 2024-2026.
- The plan consisted of alley, roadway, water main improvements based on recent assessments.
- Year 1 (2024) of the plan has since been carried out and changed, with multiple projects being completed while others have been pulled, rescheduled, or added.

- Seek direction from board to proceed with proposed 3-Year Plan
- Seek direction to proceed with design and planning documents for 2025 program year

## **Background:**

The Village of Forest Park owns and maintains approximately 3,347 water meters installed in residential, commercial, and industrial buildings using Village purchased water from the City of Chicago. Water meters reach the end of their life cycle around 20 years. As meters age, they begin to record less water than the actual use or stop reporting water use altogether. Ninety percent (90%) of the Village's meters will be over 20 years old in 2025 and have already started to fail.

The current technology the Village uses for gathering the meter readings is called Automated Meter Reading (AMR) that requires a Village staff person to drive by every house and business every two months to collect the water meter readings. After being collected in the field, the meter data is brought back to Village Hall on a flash drive and is then downloaded and processed by the Utility Billing Clerk. The current meters have a reading device which allows for the meters to be read via AMR. Many of the Village's AMR reading devices are expected to fail.

The Village's goal for this project is to upgrade the reading system to Advanced Metering Infrastructure (AMI). AMI is an updated technology that most communities are transitioning to during their meter replacement projects. AMI allows for hourly water meter reads to be transmitted directly to utility billing, eliminating the need for the Village to roll trucks to collect reads for billing. There are many benefits AMI provides. The following are some of the benefits other communities have reported upon completion of projects.

- Accurate billing
- Reduced costs
- Improved customer experience
- Enhanced control and transparency
- Lowering environmental impact
- High level water system analysis
- Near real time customer leak detection

## **Vendor Selection Process:**

The Public Works Department followed the Village's Purchasing Policy to solicit proposals from firms for this project. Village Staff advertised for submittals in multiple public outlets and performed reviews in October 2024 selecting Veregy as the most qualified vendor. Veregy, offered the services, experience, and resident communication needed to complete all aspects of the needed project scope and would not overburden staff resources.

Below is a list of communities that the Veregy team executed water meter replacement and AMI projects with.

The Veregy team leverages its experience and versatility on the Village's behalf and will constantly strive for the right solution at the right value. The below chart displays past projects this team has completed.

Please note that in each of the below projects, the team provided consulting services to the municipalities to develop a budget, facilitate the selection of vendors, and then delivered the projects under budget without any change orders, and on schedule.

Additionally, many of these projects were implemented in less than a year, and estimates show that there is potential to implement Forest Park’s project in a similar timeframe, which will mean the Village will not be in billing limbo between two systems for a prolonged time. We believe a one-year roll-out plan could provide enough budgetary savings to make this a viable option for consideration.

Selecting vendors and negotiating the best prices to create the most advantageous combination of residential meter sizes, commercial meter sizes, an AMI system, and a Customer Portal required hours of research and staff time. Veregy used the data, meter/AMI costs, and installation costs to provide a comprehensive cash flow analysis for budgeting. Below is a breakout of the cashflow.

**Proposed Project Management Selection Process:**

Veregy was selected because they were the one firm that had the expertise, knowledge of vendor technologies, and ability to best complete a successful project from start to finish. Complete replacement of a water meter system is unique in nature in that every home and commercial property needs to be contacted, scheduled, accessed, and have the meter removed/replaced. In addition to changing the meter, Veregy is responsible for the integration of data and coordination into the AMI software and billing company software which is a critical piece of an AMI project. Veregy’s proven process provides confidence this will be done correctly.

Veregy has a vast amount of experience in overseeing the installation of municipal meter replacement and AMI projects. This experience translates into a project being executed according to plan, on time and functioning as expected for the Village of Forest Park.

Veregy is the most suitable partner for this project with the Village. Veregy is ready and able to immediately begin the process and quickly deliver a turnkey installation.

Veregy has specific processes that differentiate them from the typical meter vendor or AMI installer. These differentiators are described below and will significantly benefit the Village by providing a process that mitigates installation and construction risks and reduces the amount of time and effort expended by Village staff on the project.

Veregy’s process of best practices allows for outstanding execution of the many components associated with Village-wide infrastructure upgrades. These best practices demonstrate the competency they bring to this program.

- Clear Project Roles and Accountability
- Applied Quality Management
- Comprehensive Public Outreach
- Required Data Integration
- Water Meter Replacement and MXU Installation
- Proven Training and Staffing Plan

Veregy’s all-inclusive process listed below is a summary of the various tasks Veregy takes ownership of delivering through implementation.

## **Scope of Services:**

### **Scope of Work and Services**

1.1 Description: Except as otherwise expressly provided herein, VEREGY shall provide the items of cost and expenses necessary to implement the following Facility Improvement Measures (“FIMs”), which are further described in Section 1.2 (collectively, the “Work”):

- New Water Meters with Radio Read Capabilities
- Advanced Metering Infrastructure (AMI)
- Customer Portal
- Execution

1.2 Specific Elements: The Work shall include the following:

#### **1.2.1 New Water Meters with AMI Radio Read Capabilities**

VEREGY will replace existing water meters with new water meters of the same size as outlined below. Water meters will be furnished by VEREGY, and inventory of water meters will be managed and stored by VEREGY. Water meter sizes, types, and quantities are based on a database download from the CLIENT’s Utility Billing Software, Springbrook, provided by CLIENT on November 25,2024 and listed in Exhibit C. The types and quantities are listed below in Table A.1. VEREGY has reviewed the database and developed a replacement scope and quantities, and CLIENT is in agreement with the replacement scope and quantities listed in Table A.1.

Table A.1, New Meter and AMI Endpoint Installations

<b>Replacement Scope</b>	<b>Estimated Quantity</b>
Furnish and install new Sensus iPERL 5/8” x 3/4” meter to replace existing 5/8” x 3/4” meter and furnish and install new Sensus 510M AMI endpoint over existing exterior touchpad.	2,155

### 1.2.2 Advanced Metering Infrastructure (AMI)

VEREGY will install new Sensus AMI endpoints listed in Table A.1 and provide professional services to set up new Sensus AMI software. AMI endpoints will be furnished by VEREGY, and inventory will be managed and stored by VEREGY.

Sensus AMI Network Collection System includes:

- Installation and integration of Sensus 510M AMI endpoints listed in Table A.1. AMI endpoints to be installed over existing exterior-mounted Sensus AMR touchpads.
- Installation of one (1) Sensus M420B Tower Gateway Base station (TGB). New TGB will be AC powered using existing power source. One (1) new TGB and antenna will be installed one of the following existing CLIENT owned assets. Final TGB location to be determined by Sensus propagation study.
  - South Water Tower, 150’
  - North Water Tower, 150’.
- Setup of Sensus FlexNet software.
- Cellular backhaul provided by CLIENT.
- One (1) Sensus Command Link field programming tool for use by CLIENT.

VEREGY shall include a mass meter transfer program, integration data sync programs, and system commissioning. VEREGY will work with the CLIENT and the CLIENT’s Utility Billing Software (UBS) provider Springbrook to validate programs before mass installations begin. A description of the Data Integration Programs is as follows:

- Providing the means and method to update billing system with new and old meter data through batch updates to the CLIENT’s water billing system. The modification is to be thoroughly tested before put into use. Interface Program between the Sensus FlexNet software package and the CLIENT UBS. The IT staff required to make this interface a success will be included as part of this project. This interface typically includes the generation of text (.txt) or comma separate value (.csv) file format. This file will be exported from the AMI software package once the readings have been completed and the CLIENT is ready for billing. The file will then be imported into the CLIENT billing program. Billing can then be completed as usual by the CLIENT.

- Turnkey AMI system startup/testing/commissioning.
- Training for new AMI system to include the following topics:
  - Installation and maintenance of AMI system.
  - Use of interface billing software to AMI data collection system.

### 1.2.3 Customer Portal

VEREGY will implement a new VertexOne VXsmart customer portal, including data integration and initial setup. Initial setup shall include utility analytics dashboard applications, alerts, electronic bill presentation, and reports. VEREGY will provide onsite training.

### 1.2.4 Execution

VEREGY shall provide to the CLIENT for approval a detailed Project Procedure Manual. No Work shall proceed until the CLIENT has approved of the Project Procedure Manual, which approval shall not unreasonably be withheld.

It is represented by CLIENT to VEREGY, and is an assumption of the Parties, that the components of the new water meter and AMI endpoint will properly fit inside of CLIENT's current meter environment where applicable unless meter lay-length or other rework is specifically stated in this Scope of Work, or a size change is desired by the client. To the extent that this assumption is incorrect, VEREGY will present CLIENT with a cost (time and material) to remedy the same, and will gain approval before proceeding, which approval shall not be unreasonably withheld.

The CLIENT will be responsible for all line breaks within CLIENT owned water distribution system, unless and to the extent the break is caused by VEREGY negligence.

The final reading of the removed old meters will be provided from the direct read dial face of the meter, and the outside reader if applicable. If the reading is illegible due to dial face condition, VEREGY will break the glass of the dial face to obtain the final reading, with CLIENT's permission which is granted in advance.

All removed meters and removed indoor AMR radios shall become property of VEREGY. VEREGY will recycle water meters, AMR radios, and will properly dispose of AMR radio batteries. Removed meter serial numbers, meter readings and photos of all removed meters will be recorded by VEREGY and provided to CLIENT.

Meter Access Procedure for the Project is outlined below:

- VEREGY will draft an introductory letter to be approved by the CLIENT and sent by VEREGY to customers describing the project, outlining the work to be done and what can be expected as installations move forward. VEREGY will establish an appointment system where water customer will call in, or sign up online, to establish a date and time for each appointment. VEREGY will attempt to access the meter during normal construction hours.
- Following mailing of letter to customers, VEREGY will send out a series of three postcards in an attempt to get the water customer scheduled for a meter replacement. VEREGY will make at least three attempts to schedule an appointment. Each attempt to

access the meter will be documented with a date and time recorded electronically into the VEREGY installation portal.

- After the third documented attempt, VEREGY will return the account to CLIENT for access assistance as a Return To Utility (RTU).
- CLIENT will take reasonable actions, including service disconnection as allowed by CLIENT ordinances, as a means to gain access to the RTU account. Once an RTU challenge is resolved by CLIENT, the account can be returned to VEREGY and VEREGY will complete the installation as long as Final Completion has not yet been achieved.
- If during project closeout the account remains inaccessible, the account will be deemed permanently inaccessible and removed from the project scope.
- VEREGY must ensure that installation staff wear CLIENT approved contractor photo identification cards at all times and present it upon meeting any residents or customers. VEREGY installers will drive marked vehicles and wear project logo shirts. VEREGY installation staff shall conduct themselves in a professional manner and maintain a presentable appearance in the field.

VEREGY will coordinate closely with the CLIENT staff for scheduling and workflow as each route is installed. VEREGY will create and maintain a project installation web portal that will have current information as to location of work crews, routes completed and other relevant information.

VEREGY will digitally record the customer account number, service address, meter register serial number, size, and the final reading from the existing register and outside reader if applicable prior to meter removal; and will photograph and document the new meter serial number, new meter size, latitude, longitude and configure, program and verify communication of each new set upon installation. The installer will present the final read of the old meter for resident signature. As each route is completed, the commissioning and acceptance plan described will be performed to verify proper performance.

Should VEREGY encounter an inoperable meter isolation valve during the new meter installation; VEREGY will contact CLIENT Public Works Department if they need assistance operating or locating the curb stop to facilitate meter installation.. If the curb stop needs to be serviced, VEREGY will classify the account as RTU. Upon resolution the CLIENT will return the account to VEREGY for rescheduling.

A successful and complete meter and AMI endpoint installation is defined as:

- The new meter is installed to manufacturer's specifications and is free of leaks, the meter is wired correctly to the AMI endpoints, and the AMI endpoint is communicating with the AMI network.
- The new meter data is successfully imported into the CLIENTS existing Utility Billing Software (UBS) and AMI Meter Data Management (MDM) platform.

Public Outreach Responsibilities:

- VEREGY will draft a Communication Plan with the CLIENT.
- VEREGY will provide residents with a 24-hour call response number to contact in the case of a problem with the installation of a meter.
- All forms of media relations and documents used to communicate with water customers shall be reviewed and approved of by the CLIENT and VEREGY prior to use by VEREGY.

**Fee Proposal:**

Installation costs for actual quantities of each meter installation will be charged or credited using the unit price schedule shown in Table B.1. The total cost of the project is shown in Table B.2.

**AN ORDINANCE WAIVING BID AND AUTHORIZING THE  
ACCEPTANCE AND EXECUTION OF A STANDARD FORM OF CONSTRUCTION  
MANAGEMENT CONTRACT FOR DESIGNER-DESIGN-BUILD PROJECT BY  
AND BETWEEN VEREGY LLC AND THE VILLAGE OF FOREST PARK**

WHEREAS, pursuant to Section 1-8A-7 of the Village Code of the Village of Forest Park, the corporate authorities of the Village of Forest Park (the “Village”) may, by four-fifths vote of all Council members then holding office, waive the competitive bidding requirements of Section 1-8A-7 of the Village Code; and

WHEREAS, the Village proposes to undertake the replacement and upgrade of all Village water meters, with advanced meter infrastructure (“Project”); and

WHEREAS, the Village advertised and solicited proposals, seeking highly qualified vendors to efficiently manage implementation of the Project in the most cost effective manner; and

WHEREAS, due to the complexity, timing and scope of the Project, it is recommended and hereby determined that the services of a construction manager is required to facilitate and efficiently coordinate the implementation of the Project from inspection to completion; and

WHEREAS, Veregy, LLC (“Veregy”) has submitted its proposal for a Standard Form of Construction Contract for Designer-Design-Build Project (“Agreement”) to manage the Project; and

WHEREAS, the corporate authorities of the Village find that Veregy is qualified to provide such efficient and cost effective Project management and oversight to bring the Project to a successful completion; and

WHEREAS, the corporate authorities of the Village find it advisable, necessary and in the best interest of the public to waive the requirement of Section 1-8A-7 of the Village Code, to waive the competitive bidding requirements, and to accept and enter into the Agreement with Veregy regarding the Project, in the total not-to-exceed amount of Three Million Six Hundred Eight-Nine Thousand Five Hundred Seventy-Seven and 00/100 Dollars (\$3,689,577.00).

NOW, THEREFORE, BE IT ORDAINED by the Council of the Village of Forest Park, Cook County, Illinois, as follows:

Section 1. The foregoing recital clauses to this Ordinance are adopted by the corporate authorities as their findings of fact and are incorporated herein by specific reference.

Section 2. It is hereby determined that it is advisable, necessary and in the public interest that the Village waive bid under Section 1-8A-7 of the Village Code and engage the management services of Veregy to implement to the Project.

Section 3. That certain Agreement, a copy of which is attached hereto as Exhibit A, is hereby approved.

Section 4. The Mayor be and is hereby authorized and directed to execute and the Village Clerk to attest on behalf of the Village the Agreement substantially in the form attached hereto as Exhibit A, with such changes therein as may be approved by the officials executing the same, their execution thereof to constitute conclusive evidence of the approval of such changes, if any.

Section 5. The officials, officers and employees of the Village are hereby authorized to take such further actions and execute such documents as are necessary to carry out the purpose and intent of this Resolution and the Proposal.

Section 6. This Ordinance shall be in full force and effect upon its adoption.

ADOPTED by the Council of the Village of Forest Park, Cook County, Illinois, this 16<sup>th</sup> day of December, 2024.

**STANDARD FORM OF CONSTRUCTION MANAGEMENT  
CONTRACT FOR DESIGNER- DESIGN-BUILD PROJECT**

OWNER: Village of Forest Park

CONSTRUCTION MANAGER: Veregy

PROJECT: Water Meter Replacement and AMI Project

CONTRACT DATE: 12/12/24

CONTRACT  
PRICE: Not to Exceed \$3,689,577.00

SUBSTANTIAL  
COMPLETION DATE: December 1, 2025

## ARTICLE 1 - RELATIONSHIP OF THE PARTIES

- 1.1 Relationship. The Relationship between the Owner and the Construction Manager with regard to the Project shall be one of good faith and fair dealing. The Construction Manager agrees to provide the design, construction, management and administration services as set forth in greater detail below.
- 1.2 Engineer. Construction Manager shall furnish any necessary engineering services for the Work.

## ARTICLE 2 - DEFINITIONS

- 2.1 Contract Documents. The Contract Documents consist of:
  - .1 Change Orders and written amendments to this Contract signed by both the Owner and Construction Manager;
  - .2 This Contract;
  - .3 Surveys, geo-technical information and other information provided by the Owner pursuant to this Contract;
  - .4 The Plans and Specifications, including any Addenda thereto;
  - .5 Exhibits A, B and C, referenced herein, attached hereto and made a part hereof.

In case of any inconsistency, conflict or ambiguity among the Contract Documents, the Documents shall govern in the order in which they are listed above.

- 2.2 Day. A "Day" shall mean one calendar day.
- 2.3 Hazardous Material. A Hazardous Material is any substance or material identified now or in the future as hazardous under any federal, state or local law or regulation, or any other substance or material which may be considered hazardous or otherwise subject to statutory or regulatory requirements governing handling, disposal, remediation and/or cleanup.
- 2.4 Owner. The Owner for the purposes of this Contract is: Village of Forest Park.
- 2.5 Subcontractor. A Subcontractor is a person or entity who has an agreement with the Construction Manager to perform any portion of the Work, and includes vendors or material suppliers, any separate contractor employed by the Owner, or any separate contractor's subcontractor.
- 2.5 Substantial Completion. Substantial Completion of the Work, or of a designated portion of the Work, occurs on the date when construction is sufficiently complete in accordance with the Contract Documents so that the Owner can begin to occupy or utilize the Project, or the designated portion, for the use for which it is intended.

- 2.6 Subsubcontractor. A Subsubcontractor is a person or entity who has an agreement with a Subcontractor to perform any portion of the Subcontractor's work.
- 2.7 The Work. The Work consists of all of the construction, procurement and administration services to be performed by the Construction Manager and the Subcontractors under this Contract, as well as any other services which are necessary to complete the Project in accordance with and reasonably inferable from the Contract Documents, pursuant to the Scope of Services identified in Exhibit A, attached hereto and made a part hereof, and the Water Meter Database, attached hereto as Exhibit C and made a part hereof.

### **ARTICLE 3 - CONSTRUCTION MANAGER'S RESPONSIBILITIES**

- 3.1 Commencement. The Construction Manager may commence the Work upon execution of this Contract. The parties contemplate that by mutual agreement, the Construction Manager may commence certain portions of the Work, such as procurement of long lead-time items and site preparation, prior to execution of this Contract in reliance on the Price/Schedule Guarantee.
- 3.2 General Requirements. The Construction Manager shall perform those portions of the Work that the Construction Manager customarily performs with its own personnel. All other portions of the Work shall be performed by Subcontractors or under other appropriate agreements with the Construction Manager. The Subcontractor selection process shall be as set forth in Article 4. The Construction Manager shall exercise reasonable skill and judgment in the performance of the Work. The Construction Manager shall give all notices and comply with all laws and ordinances legally enacted at the date of execution of this Contract which govern performance of the Work.
- 3.3 Schedule. The Construction Manager shall maintain in written form a schedule of the Work. The schedule shall indicate the dates for the start and completion of various stages of the construction and shall be revised as required by the conditions of the Work. The schedule may contain dates when information, decisions and approvals are required from the Owner; and both the Owner and the Construction Manager agree to use their best efforts to comply with the time requirements of the schedule.
- 3.4 Meetings. The Construction Manager shall schedule and conduct meetings at which the appropriate parties can discuss the status of the Work. The Construction Manager shall prepare and promptly distribute meeting minutes.
- 3.5 Reports. The Construction Manager shall provide monthly written reports to the Owner on the progress of the Work which shall include the current status of the Work in relation to the construction schedule as well as adjustments to the construction schedule necessary to meet the Substantial Completion date. The Construction Manager shall maintain a daily log containing a record of weather, Subcontractors working on the site, number of workers, Work accomplished, problems encountered and other similar relevant data as the Owner may reasonably require. The log shall be available to the Owner upon reasonable advance notice.
- 3.6 N/A

- 3.7 Permits. The Construction Manager shall provide reasonable assistance to the Owner relative to the Owner's obligation to secure the permits necessary for construction of the Project, as set forth in Art. 6.1.3, below.
- 3.8 Safety. The Construction Manager shall take necessary precautions for the safety of its employees on the Project and shall comply with all applicable provisions of federal, state and local safety laws and regulations to prevent accidents or injuries to persons on or adjacent to the Project site. The Construction Manager, directly or through its Subcontractors, shall erect and properly maintain necessary safeguards for the protection of workers and the public. However, the Construction Manager shall not be responsible for the elimination or abatement of safety hazards created or otherwise resulting from any work at the Project site being performed by someone other than the Construction Manager, a Subcontractor or Subsubcontractor.
- 3.9 Cleanup. The Construction Manager shall keep the site of the Work reasonably free from debris and waste materials resulting from the Work. At the completion of the Work, the Construction Manager or its Subcontractors shall remove from the site of the Work all construction equipment, tools, surplus materials, waste materials and debris.
- 3.10 Hazardous Materials. The Construction Manager shall not be obligated to commence or continue Work, until any known or suspected Hazardous Material discovered at the Project site has been removed or rendered or determined to be harmless by the Owner as certified by an independent testing laboratory and approved by the appropriate government agency. The Construction Manager shall be responsible for retaining an independent testing laboratory to determine the nature of the material encountered and whether it is a Hazardous Material, which shall entitle the Construction Manager to a Change Order increasing the Contract Price and extending the Substantial Completion date. The Construction Manager shall not be required to perform any Work relating to or in the area of known or suspected Hazardous Material without written mutual agreement and shall resume Work in the area affected by any Hazardous Material only upon written agreement between the parties after the Hazardous Material has been removed or rendered harmless. If the Construction Manager incurs additional costs and/or is delayed due to the presence of known or suspected Hazardous Material, the Construction Manager shall be entitled to a Change Order equitably adjusting the Contract Price and/or the date of Substantial Completion. To the fullest extent permitted by law, the Owner shall indemnify and hold harmless, regardless of fault, negligence or other liability, the Construction Manager, Engineer, all Subcontractors and Subsubcontractors, and the agents, officers, directors and employees of each of them from and against any and all claims, damages, losses, costs and expenses, whether direct, indirect or consequential, including but not limited to attorney's fees, arising out of or relating to the performance of the Work in any area affected by Hazardous Material. The terms of this indemnification shall survive completion or termination of this Contract.
- 3.11 Intellectual Property. The Construction Manager shall pay all royalties and license fees which may be due on the inclusion of any patented or copyrighted materials, methods or systems selected by the Construction Manager and incorporated in the Work. The Construction Manager shall defend, indemnify and hold the Owner harmless from all suits or claims for infringement of any patent rights or copyrights arising out of such selection. The Owner agrees to defend, indemnify and hold the Construction Manager harmless from any suits or claims of infringement of any patent rights arising out of any patented materials, methods or systems selected, required or specified by the Owner.

- 3.12 Completion. At or promptly after the date of Substantial Completion, the Construction Manager shall secure required certificates of inspection, testing or approval and deliver them to the Owner; collect all written warranties and equipment manuals and deliver them to the Owner; with the assistance of the Owner's maintenance personnel, direct the checkout of utilities and operations of systems and equipment for readiness, and assist in their initial start-up and testing; provide the Owner with a set of record drawings which the Construction Manager shall have maintained throughout the Project; and prepare and forward to the Owner a punch list of items of Work yet to be completed.
- 3.13 Indemnification. To the fullest extent permitted by law, the Construction Manager shall defend, indemnify and hold the Owner harmless from all claims for bodily injury and property damage (other than to the Work itself and other property insured under the Owner's builder's risk or other property insurance) to the extent of the negligence attributed to such acts or omissions by the Construction Manager, Subcontractors, Subsubcontractors or anyone employed directly or indirectly by any of them or by anyone for whose acts any of them may be liable. Notwithstanding any of the foregoing, nothing contained in this paragraph shall require the Contractor to indemnify the Owner or the Engineer, their officials, agents and employees for their own negligent acts or omissions.
- 3.14 Overtime Work. Except in connection with the safety or protection of persons, or the work, or property at the site or adjacent thereto, and subject to Art. 7.5.2 hereof, all work at the site shall be performed during regular working hours; and the Construction Manager will not permit overtime work or the performance of work on Saturday, Sunday or any legal holiday without the Owner's written consent, which shall not be unreasonably withheld, given after prior written notice. Regular working hours shall be a consecutive eight-hour period between the hours of seven o'clock (7:00) A.M. and five o'clock (5:00) P.M., Monday through Friday. No loading, unloading, opening, closing or other handling of crates, containers, building materials or the performance of construction work shall be performed before the hour of seven o'clock (7:00) A.M. and after the hour of nine o'clock (9:00) P.M. without the Owner's written consent, which shall not be unreasonably withheld, given after prior written notice.
- 3.15 Selection of Labor. The Construction Manager shall comply with all Illinois statutes pertaining to the selection of labor.
- 3.16 Employment of Illinois Workers During Periods of Excessive Unemployment. Whenever there is a period of excessive unemployment in Illinois, which is defined herein as any month immediately following two consecutive calendar months during which the level of unemployment in the State of Illinois has exceeded five percent as measured by the United States Bureau of Labor Statistics in its monthly publication of employment and unemployment figures, the Construction Manager shall employ only Illinois laborers. "Illinois laborer" means any person who has resided in Illinois for at least 30 days and intends to become or remain an Illinois resident.

Other laborers may be used when Illinois laborers as defined herein are not available, or are incapable of performing the particular type of work involved, if so certified by the Construction Manager and approved by the Owner. The Construction Manager may place no more than three of his regularly employed non-resident executive and technical experts, who do not qualify as Illinois laborers, to do work encompassed by this Contract during a period of excessive unemployment.

This provision applies to all labor, whether skilled, semi-skilled or unskilled, whether manual or non-manual.

3.17 Equal Employment Opportunity. During the performance of this Contract, the Construction Manager agrees as follows:

- .1 That it will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental handicap or unfavorable discharge from military service, and further that it will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization.
- .2 That, if it hires additional employees in order to perform this Contract or any portion hereof, it will determine the availability of minorities and women in the area(s) from which it may reasonably recruit and it will hire for each job classification for which employees are hired in such a way that minorities and women are not underutilized.
- .3 That, in all solicitations or advertisements for employees placed by it or on its behalf, it will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental handicap or unfavorable discharge from military service.
- .4 That it will send to each labor organization or representative of workers with which it has or is bound by collective bargaining or other agreement or understanding, a notice advising such labor organization or representative of the Construction Manager's obligations under the Illinois Human Rights Act and the Owner's Rules and Regulations. If any such labor organization or representative fails or refuses to cooperate with the Construction Manager in its efforts to comply with such Act and Rules and Regulations, the Construction Manager will promptly notify the Illinois Department of Human Rights and the Owner and will recruit employees from other sources when necessary to fulfill its obligations thereunder.
- .5 That it will submit reports as required by the Owner of Human Rights Rules and Regulations, furnish all relevant information as may from time to time be requested by the Owner or the contracting agency, and in all respects comply with the Illinois Human Rights Act and the Owner's Rules and Regulations.
- .6 That it will permit access to all relevant books, records, accounts and work sites by personnel of the contracting agency Illinois Department of Human Rights for purposes of investigation to ascertain compliance with the Illinois Human Rights Act and the Department's Rules and Regulations.
- .7 That it will include verbatim or by reference the provisions of this clause in every subcontract so that such provisions will be binding upon every such subcontractor. In the same manner as with other provisions of this Contract, the Construction Manager will be liable for compliance with applicable provisions of this clause by all its subcontractors; and further it will promptly notify the Owner and the Illinois

Department of Human Rights in the event any subcontractor fails or refuses to comply therewith. In addition, the Construction Manager will not utilize any subcontractor declared by the Owner to have failed to comply with this Equal Employment Opportunity provision.

- 3.18 Sexual Harassment Policy. The Construction Manager shall have in place and shall enforce a written sexual harassment policy in compliance with 775 ILCS 5/2-105(A)(4).
- 3.19 Veterans Preference Act. The Construction Manager shall comply with all laws relating to the employment preference to veterans in accordance with the Veterans Preference Act (330 ILCS 55/0.01 *et seq.*).
- 3.20 Wages of Employees on Public Works. This Contract is subject to "An act regulating wages of laborers, mechanics and other workers employed in any public works by the State, County, City or any public body or any political subdivision or by anyone under contract for public works," approved June 26, 1941, as amended, except that where a prevailing wage violates a Federal law, order, or ruling, the rate conforming to the Federal law, order, or ruling shall govern.

Not less than the prevailing rate of wages as found by the Owner or the Illinois Department of Labor or determined by a court on review shall be paid to all laborers, workers and mechanics performing work under this contract. These prevailing rates of wages are included in this Contract.

The Construction Manager and each subcontractor shall keep an accurate record showing the names and occupations of all laborers, workers and mechanics employed by them on this contract, and also showing the actual hourly wages paid to each of such persons.

The submission by the Construction Manager and each subcontractor of payrolls, or copies thereof, is not required. However, the Construction Manager and each subcontractor shall preserve their weekly payroll records for a period of three years from the date of completion of this Contract.

- 3.21 Confidentiality of Information. Any documents, data, records, or other information relating to the project and all information secured by the Construction Manager from the Owner in connection with the performance of services, unless in the public domain, shall be kept confidential by the Construction Manager and shall not be made available to third parties without written consent of the Owner, unless so required by court order.
- 3.22 Steel Procurement. The steel products, as defined in section 3 of the Steel Products Procurement Act (30 ILCS 565/3) used or supplied in the performance of this Contract or any subcontract shall be manufactured or produced in the United States unless the Owner certifies in writing that (a) the specified products are not manufactured or produced in the United States in sufficient quantities to meet the Owner's requirements or cannot be manufactured or produced in the United States within the necessary time in sufficient quantities to meet the Owner's requirements; or (b) obtaining the specified products, manufactured or produced in the United States would increase the cost of the Contract by more than 10%, or the application of the Steel Products Procurement Act (30 ILCS 565/1 *et seq.*) is not in the public interest.
- 3.23 Certifications.

- .1 Illinois Taxes. The Construction Manager shall certify that its members holding more than five percent (5%) of the outstanding membership interest of the limited liability company, its officers and managers are, not delinquent in the payment of taxes to the Illinois Department of Revenue in accordance with 65 ILCS 5/11-42.1-1.
- .2 Bid Rigging. The Construction Manager shall certify that its members holding more than five percent (5%) of the outstanding membership interest of the limited liability company, its officers and managers have not been barred from contracting with a unit of state or local government as a result of a violation of Section 33E-3 or 33E-4 of the Criminal Code of 1961.
- .3 Drug-free Workplace. The Construction Manager shall certify that it will provide a drug-free workplace by:
  - .1 Publishing a statement:
    - .1 Notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance, including cannabis, is prohibited in the Construction Manager's workplace;
    - .2 Specifying the actions that will be taken against employees for violations of such prohibition;
    - .3 Notifying the employee that, as a condition of employment on such contract, the employee will:
      - .1 abide by the terms of the statement; and
      - .2 notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;
  - .2 Establishing a drug-free awareness program to inform employees about:
    - .1 the dangers of drug abuse in the workplace;
    - .2 the Construction Manager's policy of maintaining a drug-free workplace;
    - .3 any available drug counseling, rehabilitation, and employee assistance program; and
    - .4 the penalties that may be imposed upon employees for drug violations;
  - .3 Making it a requirement to give a copy of the statement required by subparagraph 3.23.3.1 to each employee engaged in the performance of the Contract and to post the statement in a prominent place in the workplace;

- .4 Notifying the Owner within ten (10) days after receiving notice under subparagraph 3.23.3.1.3.2 from an employee or otherwise receiving actual notice of such conviction;
  - .5 Imposing a sanction on or requiring the satisfactory participation in a drug abuse assistance or rehabilitation program by any employee who is so convicted, as required by 30 ILCS 580/5;
  - .6 Assisting employees in selecting a course of action in the event drug counseling treatment and rehabilitation is required and indicating that a trained referral team is in place;
  - .7 Making a good faith effort to continue to maintain a drug-free workplace through implementation of this section.
- 4. Educational Loan. The Construction Manager shall certify that its members holding more than five percent (5%) of the outstanding membership interest of the limited liability company, its officers and managers are, not in default, as defined in 5 ILCS 385/2, on an educational loan, as defined in 5 ILCS 385/1.
  - 5. Human Rights Number. The Construction Manger shall certify that at the time the Construction Manager was awarded this Contract, the Construction Manager had an Illinois Department of Human Rights pre-qualification number or had a properly completed application for same on file with the Illinois Department of Human Rights, as provided for in 44 Illinois Administrative Code 750.210.

#### **ARTICLE 4 - SUBCONTRACTS**

- 4.1 General. Work subject to this Contract not performed by the Construction Manager with its own forces shall be performed by Subcontractors or Subsubcontractors. The Construction Manager shall be responsible for management of the Subcontractors in the performance of their Work.
- 4.2 Selection. The Construction Manager shall subcontract with Subcontractors and with suppliers of materials or equipment fabricated to a special design for the Work, and shall manage the delivery of the work to the Owner. The Owner may designate specific persons or entities from whom the Construction Manager shall subcontract. However, the Owner may not prohibit the Construction Manager from subcontracting with other qualified bidders.
  - .1 If the Construction Manager recommends to the Owner the acceptance of a particular subcontractor who is qualified to perform that portion of the Work and has submitted a price which conforms to the requirements of the Contract Documents without reservations or exceptions, and the Owner requires that a different price be accepted, then a Change Order shall be issued adjusting the Substantial Completion Date and the Contract Price by the difference between the price of the subcontract recommended by the Construction Manager and the subcontract that the Owner has required be accepted.

- .2 The Construction Manager shall not be required to contract with anyone to whom the Construction Manager has a reasonable objection, or with anyone who is otherwise unqualified to perform the Work.
- 4.3 Assignment. The Construction Manager shall provide for assignment of Subcontract Agreements in the event that the Owner terminates this Contract for cause. Following such termination, the Owner shall notify in writing those Subcontractors whose assignments will be accepted, subject to the rights of sureties, if any.
- 4.4.1 Subcontracts. The Construction Manager shall prepare all Subcontracts and shall have full discretion to negotiate their terms, subject to the Owner's reasonable requirements or objections as to form and content.
- 4.5 Foreign Corporation. Foreign (non-Illinois) corporations shall procure from the Illinois Secretary of State a certificate of authority to transact business in Illinois in accordance with 805 ILCS 5/13.

## ARTICLE 5 - CONSTRUCTION MANAGER'S WARRANTIES

- 5.1 One-Year Warranty. The Construction Manager warrants that all materials and equipment furnished under this Contract will be new unless otherwise specified, of good quality, in conformance with the Contract Documents, and free from defective workmanship and materials; and the Construction Manager agrees to correct all construction performed under this Contract which proves to be defective in workmanship or materials. These warranties shall commence on the date of Substantial Completion of the Work or of a designated portion thereof and shall continue for a period of one year therefrom or for such longer periods of time as may be set forth with respect to specific warranties required by the Contract Documents. The foregoing warranty excludes remedy for damage or defect caused by abuse, modifications not executed by Construction Manager, improper or insufficient maintenance, improper operation, or normal wear and tear and normal usage.
- 5.2 Materials Specified By Owner. The products, equipment, systems or materials incorporated in the Work at the direction or upon the specific request of the Owner shall be covered exclusively by the warranty of the manufacturer and are not otherwise warranted under this Contract.
- 5.3 Other Warranties. **ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING THE WARRANTY OF MERCHANTABILITY AND THE WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE, ARE EXPRESSLY DISCLAIMED.**

## ARTICLE 6 - OWNER'S RESPONSIBILITIES

- 6.1 Information and Services. The Owner shall provide:
  - .1 All necessary information describing the physical characteristics of the site, including surveys, site evaluations, legal descriptions, existing conditions, subsurface and environmental studies, reports and investigations;
  - .2 Inspection and testing services during construction as required by the law or as mutually agreed;

- .3 Any necessary approvals, rezoning, easements and assessments, permits, fees and charges required for the construction, use, occupancy or renovation of permanent structures, including any legal and other required services; and
- .4 any other information or services stated in the Contract Documents as being provided by the Owner.
- 6.2 Reliance. The Construction Manager shall be entitled to rely on the completeness and accuracy of the information and services required by paragraph 6.1 above, and the Owner agrees to provide such information and services in a timely manner so as not to delay the Work.
- 6.3 Notice of Defect. If the Owner becomes aware of any error, omission or other inadequacy in the Contract Documents or of the Construction Manager's failure to meet any of the requirements of the Contract Documents, or of any other fault or defect in the Work, the Owner shall give prompt written notice to the Construction Manager; however, the Owner's failure to provide notice shall not relieve the Construction Manager of its obligations under this Contract.
- 6.4 Communications. The Owner shall communicate with the Subcontractors and Subsubcontractors only through the Construction Manager. The Owner shall have no contractual obligations to any Subcontractors or Subsubcontractors.
- 6.5 Owner's Representative. The Owner's Representative for this Project is Sal Stella, Director of Public Works, who shall be fully acquainted with the Project; shall be the conduit by which the Owner furnishes the information and services required of the Owner; and shall have authority to bind the Owner in all matters requiring the Owner's approval, authorization or written notice, provided, however, that the Owner's Representative shall not have authority to increase the Contract Price by more than \$20,000.00 nor to extend the Substantial Completion Date. Authority to increase the Contract Price by more than \$20,000.00, or to extend the Substantial Completion Date may only be exercised by written Change Order signed by . If the Owner changes its representative, the Owner shall notify the Construction Manager in advance in writing.

## **ARTICLE 7 - CONTRACT TIME**

- 7.1 Execution Date. The parties contemplate that this Contract will be fully executed on or before the contract date identified on the first page of this contract. A delay in the Owner's execution of this Contract which postpones the commencement of the Work shall require a Change Order equitably adjusting the Substantial Completion Date.
- 7.2 Substantial Completion. The date of Substantial Completion of the Work shall be the Substantial Completion Date identified on the first page of this Contract, as adjusted in accordance with the provisions of this Contract. Time shall be of the essence of this Contract. "Contract Time" means the measurement of time between the Execution Date, as defined in Art. 7.1 hereof, and the Substantial Completion Date, as defined in Art. 7.2 hereof
- 7.3 Delays. If causes beyond the Construction Manager's control delay the progress of the Work, then the Contract Price and/or the Substantial Completion Date shall be modified

by Change Order as appropriate. Such causes shall include but not be limited to: changes ordered in the Work, acts or omissions of the Owner or separate contractors employed by the Owner, the Owner's preventing the Construction Manager from performing the Work pending dispute resolution, the discovery of Hazardous Materials or differing site conditions, adverse weather conditions not reasonably anticipated, fire, unusual transportation delays, labor disputes, or unavoidable accidents or circumstances. In the event that delays to the Project are encountered for any reason, the Owner and the Construction Manager both agree to undertake reasonable steps to mitigate the effect of such delays.

7.4 Inclement Weather. The Substantial Completion Date shall not be extended due to normal inclement weather. Unless the Construction Manager can substantiate to the satisfaction of the Owner that there was greater than normal inclement weather considering the full term of the Contract Time and using the most recent ten-year average of accumulated record mean values from climatological data compiled by the United States Department of Commerce National Oceanic and Atmospheric Administration for the locale of the project and that such alleged greater than normal inclement weather actually delayed the Work or portions thereof which had an adverse material effect on the Substantial Completion Date, the Construction Manager shall not be entitled to an extension of the Substantial Completion Date. If the total accumulated number of calendar days lost due to inclement weather from the start of work until substantial completion exceeds the total accumulated number to be expected for the same time period from the aforesaid data and the Owner grants the Construction Manager an extension of time, the Substantial Completion Date shall be extended by the appropriate number of calendar days.

7.5 Responsibility for Completion. The Construction Manager, through its Subcontracts, shall furnish such employees, materials and equipment as may be necessary to ensure the prosecution and completion of the Work in accordance with the construction schedule. Subject to paragraphs 7.3 and 7.4 hereof, if the Work is not being performed in accordance with the construction schedule and it becomes apparent from the schedule that the Work will not be completed within the Contract Time, the Construction Manager shall, as necessary to improve the progress of the Work, take some or all of the following actions, at no additional cost to the Owner:

- .1 Increase the number of workers in such crafts as necessary to regain the lost progress;
- .2 Increase the number of working hours per shift, shifts per working day, working days per week, the amount of equipment or any combination of the foregoing to regain the lost progress.

In addition, the Owner may require the Construction Manager to prepare and submit a recovery schedule demonstrating the Construction Manager's plan to regain the lost progress and to ensure completion within the Contract Time. If the Owner finds the proposed recovery plan is not satisfactory, the Owner may require the Construction Manager to undertake any of the actions set forth in this paragraph 7.5, without additional cost to the Owner.

7.6 Failure to Prosecute the Work. The failure of the Construction Manager to substantially comply with the requirements of paragraph 7.5 may be considered grounds for a determination by the Owner that the Construction Manager has failed to prosecute the

Work with such diligence to ensure completion of the Work within the Contract Time and that, pursuant to paragraph 11.2, the Construction Manager has materially breached this Contract.

## ARTICLE 8 - PAYMENT

- 8.1 Contract Price. The Contract Price is the not to exceed lump sum set forth on Page 1 of this Contract, subject to adjustment in accordance with the provisions of this Contract, pursuant to the Fee Proposal, attached as Exhibit B and made a part hereof.
- 8.2 N/A
- 8.3 Progress Payments. Prior to submitting the first Application for Payment, the Construction Manager shall provide a Schedule of Values reasonably satisfactory to the Owner consisting of a breakdown of the Contract Price by trade or appropriate category. On or before the fifteenth day of each month after the Work has been commenced, the Construction Manager shall submit to the Owner an Application for Payment in accordance with the Schedule of Values based upon the Work completed and materials stored on the site or at other locations approved by the Owner. Within fifteen (15) days after receipt of each monthly Application for Payment, the Owner shall approve or disapprove the Application for Payment. When safety or quality assurance testing is necessary before consideration of the Application for Payment, and such testing cannot be completed within thirty (30) days after receipt of the Application for Payment, approval or disapproval of the Application for Payment shall be made upon completion of the testing or within sixty (60) days after receipt of the Application for Payment, whichever occurs first. If an Application for Payment is disapproved, the Owner shall notify the Construction Manager in writing. If an Application for Payment is approved, the Owner shall pay directly to the Construction Manager the appropriate amount for which Application for Payment was made, less amounts previously paid by the Owner within thirty (30) days after approval. The Owner's progress payment, occupancy or use of the Project, whether in whole or in part, shall not be deemed to be an acceptance of any Work not conforming to the requirements of the Contract Documents.
- .1 With each Application for Payment the Construction Manager shall submit lien waivers executed by Contractor and Subcontractors for the work performed during that period.
- .2 Each Application for Payment shall be based upon the most recent Schedule of Values submitted by the Construction Manager in accordance with the Contract Documents. The Schedule of Values shall allocate the entire Contract Price among the various portions of the Work, except that the Construction Manager's Fee shall be shown as a single separate item. The Schedule of Values shall be prepared in such form and supported by such data to substantiate its accuracy as the Owner may reasonably require and shall be used as a basis for reviewing the Construction Manager's Applications for Payment.
- .3 Applications for Payment shall show the percentage completion of each portion of the Work as of the end of the period covered by the Application for Payment. The percentage completion shall be the percentage of that portion of the Work which has actually been completed.

- .4 Subject to other provisions of the Contract Documents, the amount of each progress payment shall be computed as follows:
    - .1 Take that portion of the Contract Price properly allocable to completed Work as determined by multiplying the percentage completion of each portion of the Work by the share of the Contract Price allocated to that portion of the Work in the schedule of values. Pending final determination of cost to the Owner of changes in the Work, amounts not in dispute may be included, even though the Contract Price has not yet been adjusted by Change Order.
    - .2 Add that portion of the Contract Price properly allocable to materials and equipment delivered and suitably stored at the site for subsequent incorporation in the Work or, if approved in advance by the Owner, suitably stored off the site at a location agreed upon in writing.
    - .3 N/A
    - .4 Subtract the aggregate of previous payments made by the Owner.
  - .5 Except with the Owner's prior approval, payments to Subcontractors shall be subject to retention of five percent (5%). The Owner and the Construction Manager shall agree upon a mutually acceptable procedure for review and approval of payments and retention for subcontracts.
  - .6 Except with the Owner's prior approval, the Construction Manager shall not make advance payments to suppliers for materials or equipment which have not been delivered and stored at the site.
- 8.4 Progress Payment Documentation. The Construction Manager shall supply and each Application for Payment shall be accompanied by the following, all in form and substance satisfactory to the Owner:
- (A) a duly executed and acknowledged sworn statement showing all Subcontractors with whom the Construction Manager has entered into subcontracts;
  - (B) duly executed waivers of mechanics' and materialmen's liens of the money due or to become due herein, establishing payment to the Subcontractor or material supplier of all such obligations to cover the full amount of the Application for Payment from each and every Subcontractor and suppliers of material or labor to release the Owner of any claim to a mechanic's lien, which they or any of them may have under the mechanic's lien laws of Illinois. Any payments made by the Owner without requiring strict compliance to the terms of this paragraph shall not be construed as a waiver by the Owner of the right to insist upon strict compliance with the terms of this approach as a condition of later payments. The Construction Manager shall indemnify and save the Owner harmless from all claims of Subcontractors, laborers, workmen, mechanics, material men and furnishers of machinery and parts thereof, equipment, tools and all supplies incurred in the furtherance of the performance of the Work;

- (C) sworn statements or lien waivers supporting the Application for Payment submitted late by the Construction Manager to the Owner will result in the Application for Payment not being processed until the following month.
- 8.5 Late Payments. Payments shall be made in accordance with the Local Government Prompt Payment Act (50 ILCS 505/1 *et. seq.*)
- 8.6 Title. The Construction Manager warrants and guarantees that title to all Work, materials and equipment covered by an Application for Payment, whether incorporated in the Project or not, will pass to the Owner free and clear of all liens, claims, security interests or encumbrances upon receipt of such payment by the Construction Manager.
- 8.7 Final Payment. Final Payment shall be due and payable when the Work is fully completed. Before issuance of any final payment, the Owner may request satisfactory evidence that all payrolls, materials bills and other indebtedness connected with the Work have been or will be paid or otherwise satisfied. In accepting final payment, the Construction Manager waives all claims except those previously made in writing and which remain unsettled. In making final payment, the Owner waives all claims except for outstanding liens, improper workmanship or defective materials appearing within one year after the date of Substantial Completion, and terms of any special warranties required by the Contract Documents.
- .1 The amount of the final payment shall be calculated as follows:
- .1 Take the sum of the Contract Price, as adjusted by any Change Orders.
- .2 Subtract the aggregate of previous payments made by the Owner. If the aggregate of previous payments made by the Owner exceeds the amount due the Construction Manager, the Construction Manager shall reimburse the difference to the Owner.
- .2 N/A
- .3 N/A
- 8.8 N/A
- 8.9 N/A
- 8.10 N/A
- 8.11 Payment Approval. The Owner may disapprove a payment, in whole or in part, or because of subsequent observations, nullify any progress payment previously made, to such extent as may be necessary, in its opinion, to protect its interests due to:
- .1 Defective work not remedied;
- .2 Third party claims or reasonable evidence indicating the probable filing of such claims;
- .3 Failure to make payments to subcontractors for labor, materials or equipment;

- .4 Reasonable evidence that the Work cannot be completed for the unpaid balance of the Contract Price;
- .5 Failure to prosecute the Work with sufficient workers, materials, and/or equipment;
- .6 Failure to perform the Work in accordance with the Contract Documents.

Prior to withholding any amount pursuant to this Section, the Owner shall provide Construction Manager with written notice that the Owner intends to withhold funds and the reason for the withholding. The Owner shall not withhold an amount more than is reasonably necessary to correct the reason for the withholding. Upon the reason for the withholding being resolved by Construction Manager, the Owner shall promptly release the funds withheld.

## **ARTICLE 9 - CHANGES**

- 9.1 Change Orders. Changes in the Work which are within the general scope of this Contract may be accomplished by Change Order without invalidating this Contract. A Change Order is a written instrument, issued after execution of this Contract and signed by the Owner and Construction Manager, stating their agreement upon a change and any adjustment in the Contract Price and/or the date of Substantial Completion. The Construction Manager shall not be obligated to perform changed Work until the Change Order has been executed by the Owner and Construction Manager.
- 9.2 Costs. An increase or decrease in the Contract Price resulting from a change in the Work shall be determined by one or more of the following methods:
  - .1 Unit prices as set forth in this Contract or as subsequently agreed (but if the original quantities are altered to a degree that application of previously agreed unit prices would be inequitable to either the Owner or the Construction Manager, the Unit Prices shall be equitably adjusted);
  - .2 A mutually accepted, itemized lump sum;
  - .3 Time and materials.

If the parties cannot agree on the price term of a Change Order, then the Change Order will be calculated on the basis of actual time and materials costs incurred. If at the Owner's request the Construction Manager incurs substantial costs or time investigating a proposed change which is never ultimately made, the Contract Price and Substantial Completion Date shall be equitably adjusted.

- 9.3 Unknown Conditions. If in the performance of the Work, the Construction Manager finds latent, concealed or subsurface physical conditions which differ from the conditions the Construction Manager reasonably anticipated, or if physical conditions are materially different from those normally encountered and generally recognized as inherent in the kind of work provided for in this Contract, then the Contract Price and/or the Substantial Completion Date shall be equitably adjusted by Change Order within a reasonable time after the conditions are first observed.

9.4 Claims. For any claim for an increase in the Contract Price and/or an extension in the date of Substantial Completion, the Construction Manager shall give the Owner written notice of the claim within twenty-one (21) days after the Construction Manager first recognizes the condition giving rise to the claim. Except in an emergency, notice shall be given before proceeding with the Work. In any emergency affecting the safety of persons and/or property, the Construction Manager shall act, at its discretion, to prevent threatened damage, injury or loss. Any change in Contract Price and/or Date of Substantial Completion resulting from such claim shall be effectuated by Change Order.

## **ARTICLE 10 - INSURANCE AND BONDING**

10.1 The Construction Manager's Insurance. The Construction Manager shall obtain and maintain insurance coverage for the following claims which may arise out of the performance of this Contract, whether resulting from the Construction Manager's operations or by the operations of any Subcontractor, anyone in the employ of any of them, or by an individual or entity for whose acts they may be liable:

- .1 workers' compensation, disability benefit and other employee benefit claims under acts applicable to the Work;
- .2 under applicable employer's liability law, bodily injury, occupational sickness, disease or death claims of the Construction Manager's employees;
- .3 bodily injury, sickness, disease or death claims for damages to persons not employed by the Construction Manager;
- .4 usual personal injury liability claims for damages directly or indirectly related to the person's employment by the Construction Manager or for damages to any other person;
- .5 damage to or destruction of tangible property, including resulting loss of use, claims for property other than the work itself and other property insured by the Owner;
- .6 bodily injury, death or property damage claims resulting from motor vehicle liability in the use, maintenance or ownership of any motor vehicle;
- .7 contractual liability claims involving the Construction Manager's indemnity obligations; and
- .8 loss due to errors or omission with respect to provision of professional services under this Agreement, including engineering services.

10.2 The Construction Manager's liability insurance shall be written for not less than the following limits of liability:

### **Commercial General Liability Insurance**

Each Occurrence Limit	\$1,000,000
General Aggregate Limit	\$2,000,000
Products/Completed Operations Agg.	\$2,000,000
Personal & Advertising Injury Limit	\$1,000,000
Fire Damage (any one fire)	\$ 100,000
Medical Expenses, each person	\$ 10,000

**Comprehensive Automobile Liability Insurance**

Combined Single Limit, each accident	\$1,000,000
or	
Bodily Injury (per person)	\$1,000,000
Bodily Injury (per accident)	\$1,000,000
Property Damage (per accident)	\$1,000,000

**Worker's Compensation & Employer's Liability**

Worker's Compensation	Statutory Limits
Employer's Liability	
Bodily Injury by Accident	\$ 500,000 each accident
Bodily Injury by Disease	\$ 500,000 policy limit
Bodily Injury by Disease	\$ 500,000 each employee

**Commercial Umbrella/Excess Liability**

Each Occurrence	\$4,000,000
Aggregate	\$4,000,000

**Professional Liability**

Each Occurrence	\$2,000,000
Aggregate	\$2,000,000

10.3 Liability insurance may be arranged under a single policy for the full limits required or by a combination of underlying policies and an Excess or Umbrella Liability policy. The policies shall contain a provision that coverage will not be canceled or not renewed until at least thirty (30) days' prior written notice has been given to the Owner. Certificates of insurance showing required coverage to be in force shall be provided to the Owner prior to commencement of the Work.

Products and Completed Operations insurance shall be maintained for a minimum period of at least one year after the date of Substantial Completion or final payment, whichever is earlier.

10.4 Primary Insurance. The Construction Manager's insurance shall be primary insurance as respects the Owner and Engineer. Any insurance or self-insurance maintained by the Owner and Engineer shall be excess of Construction Manager's insurance and shall not contribute with it. Any failure to comply with reporting provisions of the policies shall not affect coverage provided to the Owner and Engineer.

10.5 Acceptability of Insurers. The insurance carrier(s) used by the Construction Manger shall have a minimum insurance rating of A:VII according to the AM Best Insurance Rating Schedule.

10.6 The Owner's Insurance. The Owner shall obtain and maintain property insurance in a form reasonably acceptable to the Construction Manager upon the entire Project for the full cost of replacement at the time of any loss. This insurance shall include as named insureds the Owner and Construction Manager, Engineer, Subcontractors and

Subsubcontractors. This insurance shall insure against loss from the perils of fire and extended coverage, and shall include "all risk" insurance for physical loss or damage including without duplication of coverage, at least: theft, vandalism, malicious mischief, transit, collapse, falsework, temporary buildings, debris removal, flood, earthquake, testing, and damage resulting from defective design, workmanship or material. The Owner shall increase limits of coverage, if necessary, to reflect estimated replacement cost. The Owner shall be responsible for any co-insurance penalties or deductibles. If the Owner occupies or uses a portion of the Project prior to its Substantial Completion, such occupancy or use shall not commence prior to a time mutually agreed to by the Owner and the Construction Manager and to which the insurance company or companies providing the property insurance have consented by endorsing the policy or policies. This insurance shall not be canceled or lapsed on account of partial occupancy. Consent of the Construction Manager to such early occupancy or use shall not be unreasonably withheld. Upon the Construction Manager's request, the Owner shall provide the Construction Manager with a copy of all policies before an exposure to loss may occur. Copies of any subsequent endorsements shall be furnished to the Construction Manager. The Construction Manager shall be given thirty (30) days' notice of cancellation, non-renewal, or any endorsements restricting or reducing coverage. The Owner shall give written notice to the Construction Manager before commencement of the Work if the Owner will not be obtaining property insurance. In that case, the Construction Manager may obtain insurance in order to protect its interest in the Work as well as the interest of the Engineer, Subcontractors and Subsubcontractors in the Work. The Contract Price shall be increased by the cost of this insurance through Change Order. If the Construction Manager is damaged by failure of the Owner to purchase or maintain property insurance or to so notify the Construction Manager, the Owner shall bear all reasonable costs incurred by the Construction Manager arising from the damage.

- 10.7 Property Insurance Loss Adjustment. Any insured loss shall be adjusted with the Owner and the Construction Manager and made payable to the Owner and Construction Manager as trustees for the insureds, as their interests may appear, subject to any applicable mortgagee clause. Upon the occurrence of an insured loss, monies received will be deposited in a separate account; and the trustees shall make distribution in accordance with the agreement of the parties in interest, or in the absence of such agreement, in accordance with the dispute resolution provisions of this Contract. If the trustees are unable to agree between themselves on the settlement of the loss, such dispute shall also be submitted for resolution pursuant to the dispute resolution provisions of this Contract.
- 10.8 Waiver of Subrogation. The Owner and Construction Manager waive all rights against each other, the Engineer, and any of their respective employees, agents, consultants, Subcontractors and Subsubcontractors, for damages caused by risks covered by insurance provided in Paragraph 10.2 to the extent they are covered by that insurance, except such rights as they may have to the proceeds of such insurance held by the Owner and Construction Manager as trustees. The Construction Manager shall require similar waivers from all Subcontractors, and shall require each of them to include similar waivers in their subsubcontracts and consulting agreements. The Owner waives subrogation against the Construction Manager, Engineer, Subcontractors and Subsubcontractors on all property and consequential loss policies carried by the Owner on adjacent properties and under property and consequential loss policies purchased for the Project after its completion. If the policies of insurance referred to in this Paragraph require an endorsement to provide for continued coverage where there is a waiver of subrogation, the owners of such policies will cause them to be so endorsed.

- 10.9 Bonds. The Construction Manager shall furnish bonds covering faithful performance of the Contract, exclusive of the aggregate of the Contract Price, and payment of the obligations arising thereunder. Bonds may be obtained through the Construction Manager's, or subcontractor's usual source and the cost thereof shall be included in the Contract Price. The amount of each bond shall be equal to 100% of the Contract Price, less the aggregate of the Construction Manager's Fee and the Engineer's Fee. The Construction Manager shall deliver the required bonds to the Owner at least three days before commencement of any Work at the Project site.

## ARTICLE 11 - TERMINATION

- 11.1 By the Construction Manager. Upon seven (7) days' written notice to the Owner, the Construction Manager may terminate this Contract for any of the following reasons:

- .1 if the Work has been stopped for a thirty (30) day period;
  - a. under court order or order of other governmental authorities having jurisdiction;
  - b. as a result of the declaration of a national emergency or other governmental act during which, through no act or fault of the Construction Manager, materials are not available; or
  - c. because of the Owner's failure to pay the Construction Manager in accordance with this Agreement;
- .2 if the Work is suspended by the Owner for sixty (60) days;
- .3 if the Owner materially delays the Construction Manager in the performance of the Work without agreeing to an appropriate Change Order; or
- .4 if the Owner otherwise materially breaches this Contract.

Upon termination by the Construction Manager in accordance with this paragraph, the Construction Manager shall be entitled to recover from the Owner payment for all Work executed and for any proven loss, cost or expense in connection with the Work, plus all demobilization costs and reasonable damages. In addition, the Construction Manager shall be paid an amount calculated as set forth in paragraph 11.3.

- 11.2 By the Owner for Cause. If the Construction Manager persistently fails to perform any of its obligations under this Contract, the Owner may, after fourteen (14) days' written notice, during which period the Construction Manager fails to perform or to begin to perform such obligation, undertake to perform such obligations itself. The Contract Price shall be reduced by the cost to the Owner of performing such obligations. Upon fourteen (14) days' written notice to the Construction Manager and the Construction Manager's surety, if any, the Owner may terminate this Contract for any of the following reasons:

- .1 if the Construction Manager persistently utilizes improper materials and/or inadequately skilled workers;

- .2 if the Construction Manager does not make proper payment to laborers, material suppliers or subcontractors and refuses or fails to rectify same;
- .3 if the Construction Manager persistently fails to abide by the orders, regulations, rules, ordinances or laws of governmental authorities having jurisdiction; or
- .4 if the Construction Manager otherwise materially breaches this Contract.

If the Construction Manager fails to cure within the fourteen (14) days, the Owner, without prejudice to any other right or remedy, may take possession of the site and complete the Work utilizing any reasonable means. In this event, the Construction Manager shall not have a right to further payment until the Work is completed. If the Construction Manager files a petition under the Bankruptcy Code, this Contract shall terminate if the Construction Manager or the Construction Manager's trustee rejects the Agreement or, if there has been a default, the Construction Manager is unable to give adequate assurance that the Construction Manager will perform as required by this Contract or otherwise is unable to comply with the requirements for assuming this Agreement under the applicable provisions of the Bankruptcy Code. In the event the Owner exercises its rights under this paragraph, upon the request of the Construction Manager, the Owner shall provide a detailed accounting of the costs incurred by the Owner.

- 11.3 By the Owner Without Cause. If the Owner terminates this Contract other than as set forth in Paragraph 11.2, the Owner shall pay the Construction Manager for that portion of the Contract Price for the Work performed prior to termination and for any proven loss, cost or expense in connection with the Work, plus all demobilization costs. The Owner shall also pay to the Construction Manager fair compensation, either by purchase or rental at the election of the Owner, for any equipment retained. The Owner shall assume and become liable for obligations, commitments and unsettled claims that the Construction Manager has previously undertaken or incurred in good faith in connection with the Work or as a result of the termination of this Contract. As a condition of receiving the payments provided under this Article 11, the Construction Manager shall provide reasonable cooperation to the Owner by taking all reasonable steps necessary to accomplish the legal assignment of the Construction Manager's rights and benefits to the Owner, including the execution and delivery of required papers.
- 11.4 Suspension By The Owner For Convenience. Subject to the provisions of Art. 11.1 of this Contract, the Owner for its convenience may order the Construction Manager in writing to suspend, delay or interrupt all or any part of the Work without cause for such period of time as the Owner may determine to be appropriate. Adjustments shall be made for increases in the Contract Price and/or the Substantial Completion Date caused by suspension, delay or interruption. No adjustment shall be made if the Construction Manager is responsible for the suspension, delay or interruption of the Work, or if another provision of this Contract is applied to render an equipment adjustment.

## **ARTICLE 12 - DISPUTE RESOLUTION**

- 12.1 Step Negotiations. The parties shall attempt in good faith to resolve all disputes promptly by negotiation, as follows. Either party may give the other party written notice of any dispute not resolved in the normal course of business. Management representatives of both parties one level above the Project personnel who have previously been involved in the dispute shall meet at a mutually acceptable time and place within ten (10) days after

delivery of such notice, and thereafter as often as they reasonably deem necessary, to exchange relevant information and to attempt to resolve the dispute. If the matter has not been resolved within thirty (30) days from the referral of the dispute to such management representatives, or if no meeting has taken place within fifteen (15) days after such referral, the dispute shall be referred to senior managers under the aforesaid procedure. If the matter has not been resolved by such senior managers, either party may initiate mediation as provided hereinafter. If a negotiator intends to be accompanied at a meeting by an attorney, the other negotiator shall be given at least three (3) working days' notice of such intention and may also be accompanied by an attorney. All negotiations pursuant to this clause are confidential and shall be treated as compromise and settlement negotiations for purposes of the Federal Rules of Evidence and applicable state Rules of Evidence.

- 12.2 Mediation. In the event that any dispute arising out of or relating to this Contract is not resolved in accordance with the procedures provided in Section 12.1, such dispute shall be submitted to mediation with American Arbitration Association ("AAA") or JAMS/Endispute, Inc. If the mediation process has not resolved the dispute within thirty (30) days of the submission of the matter to mediation, or such longer period as the parties may agree to, the dispute shall be decided by arbitration as set forth below.
- 12.3 Arbitration. All claims, disputes and other matters in question not resolved by mediation (hereinafter referred to as a "Controversy") between the parties to this Contract arising out of or relating to this Contract or the breach thereof shall be decided by arbitration at the AAA or JAMS/Endispute, Inc. in accordance with the Construction Industry Arbitration Rules of the AAA then in effect. This agreement to arbitrate and any other agreement or consent to arbitrate entered into in accordance herewith will be specifically enforceable under the prevailing arbitration law of any court having jurisdiction. Notice of demand for arbitration must be filed in writing with the other party to this Contract and with the AAA or JAMS/Endispute. The demand must be made within a reasonable time after the party tendering the demand has determined that mediation has failed to resolve the claim, dispute or other matter in question. In no event may the demand for arbitration be made after institution of legal or equitable proceedings based on such Controversy would be barred by the applicable statute of limitations. Any arbitration may be consolidated with any other arbitration proceedings. Either party may join any other interested parties. The award of the arbitrator shall be specifically enforceable in a court of competent jurisdiction
- 12.4.1 Continued Performance of the Work. In the event of any dispute, the Construction Manager shall continue to perform the Work and maintain its progress pending final determination of the dispute, provided the Owner places a sum equal to 150% of the amount in dispute in an escrow account, reasonably satisfactory to both parties, which specifies that the escrow agent shall distribute the escrow sum between the parties in accordance with any agreement, arbitration award or court judgment entered resolving the dispute.
- 12.5 Required in Subcontracts. The Construction Manager shall include the provisions of this Article 12 in all Subcontracts into which it enters.

## **ARTICLE 13 - LIMITATION OF LIABILITY**

- 13.1 Limitation of Liability. The Owner acknowledges that the Construction Manager is a limited liability company and agrees that any claim made by the Owner arising out of or pertaining to this Contract shall be made against only the Construction Manager and not against any

member, manager, director, officer, employee or agent of the Construction Manager or any other company affiliated with the Construction Manager.

- 13.2 Consequential Damages. Notwithstanding anything to the contrary in this Contract, in no event shall the Construction Manager or any of its Subcontractors be liable for consequential loss or damage, including but not limited to loss of use or profits, and the Owner hereby releases the Construction Manager and its Subcontractors from any such liability.

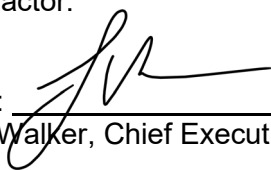

**ARTICLE 14 - MISCELLANEOUS**

- 14.1 Project Sign. The Owner agrees that the Construction Manager and Engineer will be properly identified and will be given appropriate credit on all signs, press releases and other forms of publicity for the Project. Owner will permit the Construction Manager and Engineer to photograph and make other reasonable use of the Project for promotional purposes.
- 14.2 Notices. Notices to the parties shall be given at the addresses shown on the cover page of this Contract by mail, fax or any other reasonable means.
- 14.3 Integration. This Contract is solely for the benefit of the parties, and no one is intended to be a third party beneficiary hereto. This Contract represents the entire and integrated agreement between the parties, and supersedes all prior negotiations, representations or agreements, either written or oral.
- 14.4 Governing Law. This Contract shall be construed in accordance with and governed by the laws of the State of Illinois, without application of its conflicts-of-laws provisions.
- 14.5 Severability. The partial or complete invalidity of any one or more provisions of this Contract shall not affect the validity or continuing force and effect of any other provision.
- 14.6 Assignment. Neither party to this Contract shall assign the Contract as a whole without written consent of the other, except that the Owner may collaterally assign this Contract to a lender if required to secure financing for this Project.
- 14.7 Existing Contract Documents. A list of the Plans, Specifications and Addenda in existence at the time of execution of this Contract is attached as an exhibit to this Contract.

**EXHIBIT A**

**SCOPE OF SERVICES**

**Scope of Work and Services**

1.1 Description: Except as otherwise expressly provided herein, VEREGY shall provide the items of cost and expenses necessary to implement the following Facility Improvement Measures (“FIMs”), which are further described in Section 1.2 (collectively, the “Work”):

- New Water Meters with Radio Read Capabilities
- Advanced Metering Infrastructure (AMI)
- Customer Portal
- Execution

1.2 Specific Elements: The Work shall include the following:

**1.2.1 New Water Meters with AMI Radio Read Capabilities**

VEREGY will replace existing water meters with new water meters of the same size as outlined below. Water meters will be furnished by VEREGY, and inventory of water meters will be managed and stored by VEREGY. Water meter sizes, types, and quantities are based on a database download from the CLIENT’s Utility Billing Software, Springbrook, provided by CLIENT on November 25,2024 and listed in Exhibit C. The types and quantities are listed below in Table A.1. VEREGY has reviewed the database and developed a replacement scope and quantities, and CLIENT is in agreement with the replacement scope and quantities listed in Table A.1.

Table A.1, New Meter and AMI Endpoint Installations

<b>Replacement Scope</b>	<b>Estimated Quantity</b>
Furnish and install new Sensus iPERL 5/8” x 3/4” meter to replace existing 5/8” x 3/4” meter and furnish and install new Sensus 510M AMI endpoint over existing exterior touchpad.	2,155
Furnish and install new Sensus iPERL 3/4” (9” lay-length) meter to replace existing 3/4” (9” lay-length) meter and furnish and install new Sensus 510M AMI endpoint over existing exterior touchpad.	375

**1.2.2 Advanced Metering Infrastructure (AMI)**

VEREGY will install new Sensus AMI endpoints listed in Table A.1 and provide professional services to set up new Sensus AMI software. AMI endpoints will be furnished by VEREGY, and inventory will be managed and stored by VEREGY.

Sensus AMI Network Collection System includes:

- Installation and integration of Sensus 510M AMI endpoints listed in Table A.1. AMI endpoints to be installed over existing exterior-mounted Sensus AMR touchpads.
- Installation of one (1) Sensus M420B Tower Gateway Base station (TGB). New TGB will be AC powered using existing power source. One (1) new TGB and antenna will be installed one of the following existing CLIENT owned assets. Final TGB location to be determined by Sensus propagation study.
  - South Water Tower, 150'
  - North Water Tower, 150'
- Setup of Sensus FlexNet software.
- Cellular backhaul provided by CLIENT.
- One (1) Sensus Command Link field programming tool for use by CLIENT.

VEREGY shall include a mass meter transfer program, integration data sync programs, and system commissioning. VEREGY will work with the CLIENT and the CLIENT's Utility Billing Software (UBS) provider Springbrook to validate programs before mass installations begin. A description of the Data Integration Programs is as follows:

- Providing the means and method to update billing system with new and old meter data through batch updates to the CLIENT's water billing system. The modification is to be thoroughly tested before put into use. Interface Program between the Sensus FlexNet software package and the CLIENT UBS. The IT staff required to make this interface a success will be included as part of this project. This interface typically includes the generation of text (.txt) or comma separate value (.csv) file format. This file will be exported from the AMI software package once the readings have been completed and the CLIENT is ready for billing. The file will then be imported into the CLIENT billing program. Billing can then be completed as usual by the CLIENT.
- Turnkey AMI system startup/testing/commissioning.
- Training for new AMI system to include the following topics:
  - Installation and maintenance of AMI system.
  - Use of interface billing software to AMI data collection system.

#### 1.2.3 Customer Portal

VEREGY will implement a new VertexOne VXsmart customer portal, including data integration and initial setup. Initial setup shall include utility analytics dashboard applications, alerts, electronic bill presentation, and reports. VEREGY will provide onsite training.

#### 1.2.4 Execution

VEREGY shall provide to the CLIENT for approval a detailed Project Procedure Manual. No Work shall proceed until the CLIENT has approved of the Project Procedure Manual, which approval shall not unreasonably be withheld.

It is represented by CLIENT to VEREGY, and is an assumption of the Parties, that the components of the new water meter and AMI endpoint will properly fit inside of CLIENT's current meter environment where applicable unless meter lay-length or other rework is specifically stated in this Scope of Work, or a size change is desired by the client. To the extent that this assumption is incorrect, VEREGY will present CLIENT with a cost (time and material) to remedy the same, and will gain approval before proceeding, which approval shall not be unreasonably withheld.

The CLIENT will be responsible for all line breaks within CLIENT owned water distribution system, unless and to the extent the break is caused by VEREGY negligence.

The final reading of the removed old meters will be provided from the direct read dial face of the meter, and the outside reader if applicable. If the reading is illegible due to dial face condition, VEREGY will break the glass of the dial face to obtain the final reading, with CLIENT's permission which is granted in advance.

All removed meters and removed indoor AMR radios shall become property of VEREGY. VEREGY will recycle water meters, AMR radios, and will properly dispose of AMR radio batteries. Removed meter serial numbers, meter readings and photos of all removed meters will be recorded by VEREGY and provided to CLIENT.

Meter Access Procedure for the Project is outlined below:

- VEREGY will draft an introductory letter to be approved by the CLIENT and sent by VEREGY to customers describing the project, outlining the work to be done and what can be expected as installations move forward. VEREGY will establish an appointment system where water customer will call in, or sign up online, to establish a date and time for each appointment. VEREGY will attempt to access the meter during normal construction hours.
- Following mailing of letter to customers, VEREGY will send out a series of three postcards in an attempt to get the water customer scheduled for a meter replacement. VEREGY will make at least three attempts to schedule an

appointment. Each attempt to access the meter will be documented with a date and time recorded electronically into the VEREGY installation portal.

- After the third documented attempt, VEREGY will return the account to CLIENT for access assistance as a Return To Utility (RTU).
- CLIENT will take reasonable actions, including service disconnection as allowed by CLIENT ordinances, as a means to gain access to the RTU account. Once an RTU challenge is resolved by CLIENT, the account can be returned to VEREGY and VEREGY will complete the installation as long as Final Completion has not yet been achieved.
- If during project closeout the account remains inaccessible, the account will be deemed permanently inaccessible and removed from the project scope.
- VEREGY must ensure that installation staff wear CLIENT approved contractor photo identification cards at all times and present it upon meeting any residents or customers. VEREGY installers will drive marked vehicles and wear project logo shirts. VEREGY installation staff shall conduct themselves in a professional manner and maintain a presentable appearance in the field.

VEREGY will coordinate closely with the CLIENT staff for scheduling and workflow as each route is installed. VEREGY will create and maintain a project installation web portal that will have current information as to location of work crews, routes completed and other relevant information.

VEREGY will digitally record the customer account number, service address, meter register serial number, size, and the final reading from the existing register and outside reader if applicable prior to meter removal; and will photograph and document the new meter serial number, new meter size, latitude, longitude and configure, program and verify communication of each new set upon installation. The installer will present the final read of the old meter for resident signature. As each route is completed, the commissioning and acceptance plan described will be performed to verify proper performance.

Should VEREGY encounter an inoperable meter isolation valve during the new meter installation; VEREGY will attempt to operate the curb stop to facilitate meter installation. VEREGY will contact CLIENT Public Works if they need assistance operating or locating the curb stop. If the curb stop needs to be serviced, VEREGY will classify the account as RTU. Upon resolution the CLIENT will return the account to VEREGY for rescheduling.

A successful and complete meter and AMI endpoint installation is defined as:

- The new meter is installed to manufacturer's specifications and is free of leaks, the meter is wired correctly to the AMI endpoints, and the AMI endpoint is communicating with the AMI network.
- The new meter data is successfully imported into the CLIENTS existing Utility Billing Software (UBS) and AMI Meter Data Management (MDM) platform.

Public Outreach Responsibilities:

- VEREGY will draft a Communication Plan with the CLIENT.
- VEREGY will provide residents with a 24-hour call response number to contact in the case of a problem with the installation of a meter.
- All forms of media relations and documents used to communicate with water customers shall be reviewed and approved of by the CLIENT and VEREGY prior to use by VEREGY.

Exclusions:

- Repair of any existing leaks found prior to beginning the meter retrofit.
- Repair of any leaks which occur outside of 24" on either side of the meter connection work area unless caused by VEREGY, its employees, agents and/or contractors.
- Installation of strainers, test valves, bypasses or piping modifications, except as expressly stated in this contract.
- Replacing old or damaged service pipe, either from the CLIENT side or the customer side.
- Furnishing and installation of new valves unless performed as an Out of Scope Service item.
- Correcting any observed plumbing code violations.
- Installation, modification or repair of Reduced Pressure Zone (RPZ) backflow prevention valves.
- Re-plumbing settings to accommodate non-standard meter lay lengths, changes to the meter size, or meter couplings.
- Environmental abatement or remediation work.
- Any ongoing service fees charged by manufacturers of software, meters, AMI system, and Customer Portal.
- Compliance with state or local requirements/environmental reviews is not included in VEREGY scope.
- Any repairs or upgrades to the existing electrical system required by the applicable inspecting authority. In the event VEREGY is required to perform such work, it shall be considered an extra and subject to additional compensation to VEREGY.
- Any landscaping work beyond the original state of the site
- Any repairs or upgrades to the existing system required by any applicable inspecting authority. In the event VEREGY is required to perform such work, it shall be considered an extra and subject to additional compensation to VEREGY.

- Any permitting fees required by any State, local or Federal agency.

CLIENT Responsibilities:

- CLIENT shall continue to be responsible for reading meters until all commissioning and acceptance plan steps are completed for the AMI system.
- CLIENT shall provide assistance in locating Hard-to-Find meters.
- CLIENT shall be responsible for resolving Return To Utility (RTU) accounts.
- CLIENT shall work with VEREGY to validate the Data Integration Programs and run test billings.
- CLIENT is responsible for all ongoing Backhaul, NaaS, and SaaS fees for AMI network and Customer Portal.

Total Turnkey Project Cost	\$3,598,357.00
Out of Scope Services Contingency	\$91,220.00
<b>Contract Total</b>	<b>\$3,689,577.00</b>

The final contract price for the Out of Scope Services Contingency given in Table B.2 above will be adjusted based on the specific instances of each item listed in Table B.3 below at the associated unit pricing or time & material rate.

- Furnish and install electrical grounding strap across meter.
- Furnish and install new water meter isolation valve to replace defective/leaking meter isolation valve located inside the facility.
- Furnish and install new wire run from the meter to the outdoor AMI endpoint.
- Drill pit meter lids for AMI endpoint antenna.
- Perform Time and Material plumbing modifications as required to accommodate non-standard meter lay lengths, install new water meters in existing unmetred municipal building water services, changes to the meter size, or meter couplings, repair leaks, etc.

**ROBERT R. ANDREAS & SONS, INC.  
CONTRACTOR CERTIFICATION FORM**

The assurances hereinafter made by ROBERT R. ANDREAS & SONS, INC. (hereinafter the “Contractor”) are each a material representation of fact upon which reliance is placed by the Village of Forest Park in entering into the contract with the Contractor. The Village of Forest Park may terminate the contract if it is later determined that the Contractor rendered a false or erroneous assurance.

I, \_\_\_\_\_, hereby certify that I am the \_\_\_\_\_ of  
*(Name of Owner or Officer)* *(Title or Office)*  
ROBERT R. ANDREAS & SONS, INC., and as such, hereby represent and warrant to the VILLAGE OF FOREST PARK, a municipal corporation, (hereinafter the “Village”) that the Contractor and its shareholders holding more than five percent (5%) of the outstanding shares of the corporation, its officers and directors are:

- (a) not delinquent in the payment of taxes to the Illinois Department of Revenue in accordance with 65 ILCS 5/11-42.1-1;
- (b) not barred from contracting as a result of a violation of either Section 33E-3 (bid rigging) or 33E-4 (bid-rotating) of the Criminal Code of 1961 (720 ILCS 5/33E-3 and 5/33E-4);
- (c) not in default, as defined in 5 ILCS 385/2, on an educational loan, as defined in 5 ILCS 385/1.

In addition, the Contractor hereby represents and warrants to the Village, that:

- (A) the Contractor, pursuant to 30 ILCS 580/1 *et seq.* (“Drug-Free Workplace Act”), will provide a drug-free workplace by:
  - (1) Publishing a statement:
    - a. Notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance including cannabis, is prohibited in the Contractor's workplace;
    - b. Specifying the actions that will be taken against employees for violations of such prohibition;
    - c. Notifying the employee that, as a condition of employment on such Contract, the employee will:
      - i. Abide by the terms of the statement;
      - ii. Notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;

- (2) Establishing a drug-free awareness program to inform employees about:
    - a. the dangers of drug abuse in the workplace;
    - b. the Contractor's policy of maintaining a drug-free workplace;
    - c. any available drug counseling, rehabilitation, and employee assistance program; and
    - d. the penalties that may be imposed upon employees for drug violations;
  - (3) Making it a requirement to give a copy of the statement required by Subsection (A)(1) to each employee engaged in the performance of the Contract, and to post the statement in a prominent place in the workplace;
  - (4) Notifying the Village within ten (10) days after receiving notice under paragraph(A)(1)e from an employee or otherwise receiving actual notice of such conviction;
  - (5) Imposing a sanction on, or requiring the satisfactory participation in a drug abuse assistance or rehabilitation program by any employee who is so convicted, as required by 30 ILCS 580/5;
  - (6) Assisting employees in selecting a course of action in the event drug counseling treatment and rehabilitation is required and indicating that a trained referral team is in place;
  - (7) Making a good faith effort to continue to maintain a drug-free workplace through implementation of this section;
- (B) the Contractor has not excluded and will not exclude from participation in, denied the benefits of, subjected to discrimination under, or denied employment to any person in connection with any activity funded under the contract on the basis of race, color, age, religion, national origin, disability, or sex;
- (C) no Village officer, spouse or dependent child of a Village officer, agent on behalf of any Village officer or trust in which a Village officer, the spouse or dependent child of a Village officer or a beneficiary is a holder of any interest in the Contractor; or, if the Contractor's stock is traded on a nationally recognized securities market, that no Village officer, spouse or dependent child of a Village officer, agent on behalf of any Village officer or trust in which a Village officer, the spouse or dependent child of a Village officer or a beneficiary is a holder of more than one percent (1%) of the Contractor, but if any Village officer, spouse or dependent child of a Village officer, agent on behalf of any Village officer or trust in which a Village officer, the spouse or dependent child of a Village officer or a beneficiary is a holder of less than one percent (1%) of such Contractor, the Contractor has disclosed to the Village in writing the name(s) of the holder of such interest;

- (D) no officer or employee of the Village has solicited any gratuity, discount, entertainment, hospitality, loan, forbearance, or other tangible or intangible item having monetary value including, but not limited to, cash, food and drink, and honoraria for speaking engagements related to or attributable to the government employment or the official position of the employee or officer from the Contractor in violation of Chapter 2-8A-3 of the Municipal Code of the Village of Forest Park;
- (E) the Contractor has not given to any officer or employee of the Village any gratuity, discount, entertainment, hospitality, loan, forbearance, or other tangible or intangible item having monetary value including, but not limited to, cash, food and drink, and honoraria for speaking engagements related to or attributable to the government employment or the official position of the employee or officer in violation of Chapter 2-8A-3 of the Municipal Code of the Village of Forest Park;
- (F) neither it nor any of its principals, shareholders, members, partners, or affiliates, as applicable, is a person or entity named as a Specially Designated National and Blocked Person (as defined in Presidential Executive Order 13224) and that it is not acting, directly or indirectly, for or on behalf of a Specially Designated National and Blocked Person and that the Contractor and its principals, shareholders, members, partners, or affiliates, as applicable, are not, directly or indirectly, engaged in, and are not facilitating, the transactions contemplated by this Agreement on behalf of any person or entity named as a Specially Designated National and Blocked Person;
- (G) the Contractor acknowledges that, pursuant to the provisions of the Illinois Freedom of Information Act, (5 ILCS 140/1 *et seq.*), documents or records prepared or used in relation to work performed under this agreement are considered a public record of the Village; and therefore, within thirty (30) days of completion of the work required of the Contractor under this agreement, the Contractor shall produce to the Village, in electronic format, all records that directly relate to the governmental function performed by the Contractor under this agreement at no additional cost to the Village; and furthermore, the Contractor shall review its records and promptly produce to the Village any additional records in the Contractor's possession which the Village requires in order to properly respond to a request made pursuant to the Illinois Freedom of Information Act (5 ILCS 140/1 *et seq.*), and the Contractor shall produce to the Village such records within three (3) business days of a request for such records from the Village at no additional cost to the Village.
- (H) the Contractor shall comply with any and all provisions of the Illinois Prevailing Wage Act, 820 ILCS 130 *et seq.*

RE: 2024 Tax Levy for December 16, 2024 agenda

The proposed 2024 levy for the Village and Library has been calculated at a 5% increase over the 2023 tax year extension. Proposing the levy at the maximum funding allows the opportunity for additional revenues in the event the Equalized Assessed Valuation (EAV) increases for tax year 2024. The County will establish the limiting rate and reduce this levy based upon the EAV, the Consumer Price Index, and an equalization factor established by Illinois Department of Revenue.

The worksheet below shows the 2023 levy as passed by Village Council, the final amount extended for tax year 2023 by the County, and tax year 2024 as proposed. For tax year 2023, funds that are subject to tax caps were reduced by the County based upon the limiting rate established under Property Tax Extension Limitation Law (PTELL), which applies to non-home rule levies.

The EAV for tax year 2023 increased 32.8% due to the County's triennial reassessment cycle. Residential properties comprise 74% of the valuation, and Commercial/Industrial are the remaining 26%.

The Village's proposed levy of \$7,438,426 is an increase of \$367,706 over the 2023 extended levy. As proposed, 75% of the levy, or \$5,552,822 is restricted to Police, Fire, IMRF, and Social Security Pension Funds. The amounts proposed for Police and Fire Pension Funds still fall short of the minimum levy requirement by approximately 20%; levying at the minimum requirement for these funds would leave the Village short on operating revenue and cash flow. The Village will not be able to meet the minimum levy requirements until new revenue sources are recognized. Pension obligations increase annually, and since the levy has imposed tax caps, funds are redistributed from general operations in order to reduce the unfunded liability balances.

In addition to pension obligations, general operating expenses continue to increase. For example, the 2025 renewal for health insurance increase is 9%, and the liability/workers compensation insurance increase is 6% over last year. The new revenue as proposed for corporate general fund operations is not sufficient to cover these two increases, let alone increases in wages and maintenance. Property tax revenues support approximately 22% of the General Fund expenses.

The Library's proposed levy of \$2,432,576 is an additional \$137,693 over the 2023 extended levy.

In August 2021, Public Act 102-0519 was signed into law. The Act amends the Property Tax Extension Limitation Law (PTELL) to provide that a taxing district's levy automatically be increased each year to recapture aggregate refunds made in the prior 12 months. These funds are calculated by the County Treasurer. For tax year 2023, the prior year adjustment for the Village totaled \$70,322, and \$23,086 for the Library. These amounts are not subject to PTELL limitation.

The 2024 levy must be filed with the Cook County Clerk no later than December 31, 2024. The County will be directed to calculate separate limiting rates for the Village and Library. 2024 property taxes are payable in calendar year 2025. On the overall property tax bill, the Village typically is responsible for 14% of the taxing districts' calculated levies, and the Library is just under 5%. The final tax rate is typically published by the County Clerk in late June.

**To:** Forest Park Village Council  
**From:** Chief Lindsey Hankus  
**Date:** 12/3/2024  
**Re:** FEMA Assistance to Firefighters Grant

---

I am requesting approval to apply for a FEMA Assistance to Firefighters Grant. The application is due December 20, 2024.

The Fire Department requests AFG funds to replace our 11-year-old air-packs. The total cost is \$370,044.20. The village will need to match \$17,621.15 if awarded.

Included is a copy of the application.

If you have any questions, please don't hesitate to ask.

Thank you

Lindsey Hankus

**RESOLUTION APPROVING AND AUTHORIZING THE EXECUTION  
OF THE APPLICATION FOR AN ASSISTANCE TO FIREFIGHTERS GRANT  
WITH THE FEDERAL EMERGENCY MANAGEMENT AGENCY**

WHEREAS, the Village of Forest Park (“Village”) proposes to apply to the Federal Emergency Management Agency (“FEMA”) for an Assistance to Firefighters Grant for the grant amount of Three Hundred Fifty-Two Thousand Four Hundred Twenty-Three and 05/100 Dollars (\$352,423.05) (“AFG Grant”); and

WHEREAS, the Village wishes to make an application for the AFG Grant to acquire replacement air-packs for the Village’s Fire Department (the “Air Packs”), with an estimated total budget cost of Three Hundred Seventy Thousand Forty-Four and 20/100 Dollars (\$370,044.20), which Air Packs are eligible for funding under the AFG Grant; and

WHEREAS, the Village deems it advisable, necessary and in public interest that the Village apply for the AFG Grant for the Air Packs.

NOW, THEREFORE, BE IT RESOLVED by the Council of the Village of Forest Park, Cook County, Illinois, as follows:

Section 1. The foregoing recital clauses to this Resolution are adopted by the corporate authorities as their findings of fact and are incorporated herein by specific reference.

Section 2. The Village’s application for a AFG Grant with FEMA, pursuant to the terms and conditions contained in said application, a copy of which is attached hereto and made a part hereof as Exhibit A (“Application”), is hereby approved, and the execution to submit the Application by the Mayor, or his designee, is hereby authorized.

Section 3. The officials, officers and employees of the Village are hereby authorized to take such further actions and execute such documents as are necessary to submit the

Application for the AFG Grant and carry out the purpose and intent of this Resolution and the Application for the AFG Grant.

Section 4. The Village will make available the Village's share of the Air Packs cost, if the Village's application for a AFG Grant is approved, equal to the local matching budget amount, as required under the AFG Grant, of approximately Seventeen Thousand Six Hundred Twenty-One and 15/100 Dollars (\$17,621.15).

Section 5. This Resolution shall be in full force and effect upon its passage and approval in accordance with law.

Please describe the critical infrastructure protected below.

The Village of Forest Park and the Forest Park Fire Department work to protect significant critical infrastructure within the community, from schools to residences to businesses to large industries. The volume and breadth of calls the Fire Department manages each year reflect the diversity and high-density infrastructure and people.

Forest Park is home to more than 8,160 housing units within its 2.4 square miles. It also includes five schools providing K-8 grade education and one high school. That high school, the Proviso Math and Science Academy, enrolls about 900 students in a converted 4-story office building. The Living Word Christian Center is a 20,000-member mega-church in a converted mall with 2500+ seating capacity. A new addition to Forest Park is a live music venue with a 240-person occupancy. Forest Park is also home to a four-story, 232-bed nursing home and a three-story, 210-bed mental health hospital. More than a dozen companies in Forest Park's industrial area process, manufacture, or store numerous hazardous materials. In addition to the hazardous products, these facilities use heavy machinery for their operations. Iron Workers Union Local 1's Headquarters and Apprenticeship Training Center are also housed in our industrial area. The training center uses flammable and compressed gases in its learning stations. The United States Postal Service has a Bulk Mail Center in Forest Park, which has recently been renovated to support increased staffing. With Forest Park's proximity to the City of Chicago, transportation concerns are significant. Chicago Transit Authority (CTA) has two rail lines that terminate in Forest Park at separate stations that use high-voltage electricity, which presents additional hazards. The CTA's Green and Blue Lines also have maintenance facilities in Forest Park. The Canadian National Railway is improving its track through our community to resume operations. A significant feature of Forest Park is a two-mile stretch of the Eisenhower Expressway (I-290), one of the busiest interstate highways in the Midwest. The expressway connects western suburban communities, like Forest Park, to the City of Chicago. I-290 has three access points (on/off ramps) and numerous bridges within village limits. Excessive flooding has been an issue on I-290, so the Army Corps of Engineers recently constructed a pump house where the Eisenhower Expressway crosses the Des Plaines River. The Metropolitan Water Reclamation District of Chicago manages our wastewater and flood water. Forest Park also has numerous underground utility lines, elevated water tanks, power transmission, high-voltage power lines, and electrical substations. Given its relatively small size, the village includes a wide variety of infrastructure for residents, transportation, and industry.

Describe your financial need and how consistent it is with the intent of the AFG Program. Include details describing your organization's financial distress such as summarizing budget constraints, unsuccessful attempts to secure other funding, and proving the financial distress is out of your control.

Financially, the Village of Forest Park has a deficit of \$22M. Although the pandemic is over, the adverse economic effects will last years. Our second-highest tax generator is our car dealerships, which have yet to fully recover. The Department's budget is \$4.7M. Over 95% of it is dedicated to personnel costs. That leaves about 4% for day-to-day expenses. Forest Park Plaza, LLC, a subsidiary of Living Word Church, owns and operates the 33-acre Forest Park Plaza mall. A large former home improvement store, previously a Cook County mass vaccination site during COVID-19, remains vacant. This area of Forest Park also has a large USPS bulk mail center. Forest Park also has seven acres of Cook County Forest Preserve. One square mile, about half of our area, is home to numerous cemeteries. Due to these being non-tax-generating properties, Forest Park is limited in how much tax revenue we can collect. These economic downfalls and since FY24 ended with a deficit in the General Fund, paint a bleak picture of our future financial position. The General Fund has operated in deficits in five of the last six years. The Village has had to rely on grants and make cuts to each department's budget. As such, the Village cannot establish and/or maintain a Capital Purchase Fund or a Reserve Fund. Revenue projections for FY24 did not meet their goals. Property tax estimates came in under projection. Cook County collects these taxes and then distributes them to the municipalities. These were delayed by the County this past year, contributing to the delay of revenue to the Village. The County forecasted a FY24 budget shortfall of \$170M. The fire department was instructed to halt spending because of the delayed tax revenue. All non-essential overtime was cut, and training was negatively impacted. Illinois has one of the worst pension crises in the nation. It increases statutory annual pension contributions for Forest Park firefighters and police. As a non-home rule community, the Village is limited in the ability and resources to generate additional revenues. Most of any new revenue is already allocated to the previously mentioned Police and Fire Pension Funds and General Fund operations. The Village of Forest Park will soon incur significant expenses. A Village-owned water reservoir must be replaced at an estimated \$10M. Our public works department needs various vehicles replaced, and its building requires numerous costly repairs. The police department's jail cells require extensive work to remain up to code. The fire station has its own challenges. The station is over 100 years old and needs numerous repairs to compensate for years of neglect. Most notably, the bunk room is an open concept, which does not allow staff privacy. The station's second-floor windows do not work, have missing glass panes, and are not energy efficient. There is no insulation throughout the top floor. Numerous housekeeping issues are present, visible mold from leaking windows, missing ceiling tiles, and a 50-year-old carpet. The fleet also requires expensive maintenance and repair costs. Our engine and ladder truck need to be replaced in the next three years. They are due to be replaced at the same time, which is a substantial financial burden on the Village. The increased call volume by 67% presents additional challenges. Not only does it affect vehicle & equipment life span, but it also worsens mental and physical fatigue for the firefighters. Due to this, the Village has dealt with increased sick time and overtime. In 2022 we had a 75% increase in sick time usage and in 2023 it was a 50% increase. Given the conditions described above, the department will remain in dire financial straits and have difficulty maintaining and replacing its equipment and property. Large dollar and necessary purchases such as vehicles, hose, SCBA, and portable radios will likely be delayed due to the Village's financial state.

**In cases of demonstrated economic hardship, and upon the request of the grant applicant, the FEMA Administrator may grant an Economic Hardship Waiver. Is it your organization's intent to apply for an Economic Hardship Waiver?**

Is your department facing a new risk, expanding service to a new area, or experiencing an increased call volume?

- Yes
- No

Please explain how your department is facing a new risk, expanding service to a new area, or experiencing an increased call volume.

The demand for services in Forest Park is rapidly growing. We operate from one firehouse in the Village, which is equipped with one engine, one ambulance, and occasionally a one-person truck company. Over the past 20 years, our call volume has surged by 67%. Notably, 2019 marked the first year we exceeded 4,000 calls. This was followed by 4,147 in 2021, 4351 in 2022, and 4,343 in 2023. We are on track to reach 4,500 calls in 2024. Over the past five years, significant development has occurred within the Village of Forest Park, including several subsidized apartment complexes for senior citizens.

Additionally, our neighboring towns continue to expand. Our mutual aid agreements with these towns have also led to an increase in calls. For instance, in Oak Park, which borders Forest Park, five apartment buildings, ranging from 13 to 22 stories, have been constructed in the last five years. The USPS Bulk Mail Center in Forest Park has reconstructed its facility to accommodate more employees as it shuts down other facilities in the Chicago area.

Two of the Chicago Transit Authority's (CTA's) commuter rail lines terminate in the relatively small community of Forest Park at two different stations. As a result, we have seen greater demand for our services. Approximately 10-15% of our emergency responses are due to the Chicago Transit Authority system. Since the CTA Blue Line runs 24/7, our department often responds throughout the night to this large city asset for EMS calls. The CTA also requires the fire department to have additional equipment when responding to train emergencies. Forest Park will have to budget for this equipment and find space on our apparatus to store it. Unfortunately, the Chicago Transit Authority does not provide any financial support to the Fire Department or Village to accommodate these requirements. Thus, placing this financial burden on the Forest Park Fire Department.

Please describe your organization and/or community that you serve.

The Village of Forest Park, with 13,660 residents, is a suburban Cook County community 10 miles west of downtown Chicago. It offers a mix of small-town charm and urban density, featuring diverse residential, commercial, and industrial areas within its 2.4 square miles. Forest Park's density outpaces the typical urban area in the U.S. by more than double, with 5,969 residents per square mile. The Fire Department responds to over 4,300 calls for service each calendar year. This marks a 67% increase in call volume over the past 20 years and makes it one of the busiest suburban Chicago fire departments.

The Village's proximity to the city, middle-class community, and access to public transportation make it attractive to working-class families and young professionals. Forest Park has a thriving downtown with numerous bars, restaurants, coffee shops, and parks. Forest Park proudly hosts large-scale community events every year that draw thousands of participants, notably the No Glove National Softball Tournament, the annual St. Patrick's Day parade, and the annual Casket Races held every October.

The Fire Department also responds to a seven-acre Cook County Forest Preserve that attracts large crowds on summer days to enjoy the picnic groves, dog park, walking path, and model airplane field.

The Fire Department is an all-hazards municipal fire and EMS organization staffed entirely by career professionals. In March 2023, the fire department took over its EMS from a private ambulance company. The company that was contracted to staff the ambulance could not provide an adequate number of paramedics. The department now consists of a 40-hour Chief and a Deputy Chief, and 26 firefighter/paramedics (27 ff/pm in May 2027), who work under a 24/48-hour staffing schedule. Operations are conducted from a single fire station that is more than 100 years old. Each shift is staffed by eight firefighter/paramedics, with a minimum of six personnel on duty daily.

The current apparatus fleet includes two ALS pumpers (one frontline), an aerial ladder, and one ALS ambulance. Every Forest Park Fire Department member is trained to meet the State of Illinois standards for firefighters, receiving ongoing education in hazardous materials and various technical rescue disciplines, including confined space, high angle, trench, and collapse rescue. Forest Park firefighters also conduct fire inspections and training. These members work at a part-time rate in addition to their normal firefighter schedule. Of the 4,300 calls for service, approximately 2,900 are EMS-related calls, and 1,400 are fire-related calls. As a member of the Mutual Aid Box Alarm System (MABAS), Forest Park Fire provides and receives automatic and mutual aid with six other communities. Forest Park helps protect a combined population of over 230,000 across 22 square miles. Known as MABAS Division XI, in addition to fire and EMS, these agencies offer hazardous materials support, technical rescue, fire investigations, and other specialty services to the Division, the region, and during catastrophic incidents within Chicago, including O'Hare and Midway Airports. Last year, we provided mutual/auto aid 525 times and received it 497 times. The department complies with the National Incident Management System (NIMS) and operates under the Incident Command System (ICS) protocols.

## Call volume

Please provide the total number of incidents that your organization responded to for each year of the previous three year period (Jan - Dec). Include only those alarms which your organization was a primary responder and not second due or giving Mutual Aid.

Note: Each incident must be counted only once regardless of the number of units or agencies that responded to that incident (e.g. a vehicle fire with entrapment and injuries may be counted as a vehicle fire or a rescue call or an EMS call, but not all three).

Are you requesting a Micro Grant? A Micro Grant is limited to \$75,000 in federal resources.

- Yes  
 No

### Instructions

If you intend to request funds for an activity, you must answer all of the activity specific questions and specify at least one budget item [budget object class information](#). The cost figures you provide do not have to be firm quotes from your vendors, but they should be estimated based on research of current prices (i.e., check with at least two vendors for your estimates). If you do not have these estimates, you can come back and modify this area at any point before you submit your application to DHS. The Assistance to Firefighters

Grant Program does not allow for any grant funds to be used for construction. Select grant writer fee when adding an activity if there is a grant-writing fee associated with the preparation of the request

**i Help Guides**

FEMA has developed a Narrative Development Toolkit and Self Evaluation Sheets available on FEMA website: <https://www.fema.gov/grants/preparedness/firefighters/assistance-grants/documents>. The documents are designed to assist applicants with narrative preparation and provide specific criteria used by a panel of peer reviewers when evaluating each application. FEMA encourages applicants to use these documents to prepare their applications.

**Personal Protective Equipment (PPE) activity narrative**

Please add the projects and items in your application for personal protective equipment (PPE). For each item you want funded, provide the requested information. Note the unit price amount should reflect any volume discounts, rebates, etc. The option to select additional funding is available when adding items to support your request.

### **Narrative**

The narrative statements must provide all the information necessary for you to justify your needs and for FEMA to make an award decision. A panel of peer reviewers will perform the second phase of the applications' evaluations by using the narrative statements below to determine the worthiness of the request for an award. Please ensure that your narrative clearly addresses each of the following evaluation criteria elements to the best of your ability with detailed but concise information.

You may either type your narrative statements in the spaces provided below or create the text in your word processing system and then copy it into the appropriate spaces provided below. Please note the narrative block does not allow for formatting but you can expand the size of the narrative block. Do not type your narrative using only capital letters. Additionally, do not include tables, special fonts (i.e., quote marks, bullets, etc.), or graphs.

**Project Description and Budget:** Clearly explain the organization's project objectives and the relationship to your organization's budget (e.g., personnel, equipment, contracts, etc.) and risk analysis by providing statistics to justify the needs. Describe the various activities to be implemented, including program priorities or facility modifications, to include details on how these are consistent with project objectives, your organization's mission and national, state, and/or local requirements. Provide details that link the proposed expenses to operations and safety, as well as to the completion of the project's goals.

The Forest Park Fire Department requests \$352,423.05 AFG funds to purchase SCBA to replace our current 11-year-old NFPA 1981-2007 edition equipment. We need to buy 22 SCBA harnesses, 47 cylinders, and 32 facepieces that meet the current NFPA standard. We are also seeking funding for the tool adapter for this PPE and a RIT pack. The project will provide each riding position with a SCBA, each FF with their own mask, provide interoperability with other public safety agencies, maintain FF safety, and allow for improved communication & accountability. We need more packs for the increased number of trained firefighters and paramedics. Two SCBAs were added to our ambulance over a year ago due to staffing changes. When two packs broke beyond repair, we replaced those air packs from command vehicles to ensure the firefighters were adequately equipped. The Chief and Deputy Chief respond more often due to increased call volume and "call clusters." Often, we receive multiple calls in a short amount of time, and we quickly run out of resources to respond, the Chiefs respond with incomplete PPE. As concluded in our risk analysis conducted during our emergency management planning meeting, all personnel who respond to calls must have full PPE, including SCBA. We have in-house staff certified to test and maintain our SCBA. They provide the annual facepiece fit testing and SCBA flow testing. They are trained to provide periodic maintenance and inventory of our equipment. Department policy also requires daily and monthly routine inspections. Since the packs have aged and fallen behind in standards, the maintenance cost and time dedicated to keeping them in service have increased significantly. We will exceed our equipment maintenance budget this year of \$10,000, and more than 50% will be SCBA costs. The manufacturer has also informed us that replacement parts are becoming more challenging to obtain for these obsolete units, reinforcing the need for replacement. If granted, we would continue to provide in-house maintenance and testing at a reduced cost, as new SCBAs warranty repairs will not require as much maintenance costs to us as our current ones. There are numerous improvements when you compare our older SCBAs to those that meet the 2018 edition of the NFPA 1981 standard. This project is in line with the primary objectives of FEMA and the AFG program. Without approval for this grant, the Village of Forest Park cannot budget for this high price expenditure, considering we do not have a capital reserve. If approved for funding, the department will comply with all regulations and practices of the AFG Program, including federal, state, and local procurement rules. Completion would be accomplished within 60 days of receipt of the grant. Our actions during this period will include safety and proficiency training for all firefighters provided by the manufacturer, face piece fit testing, administrative functions, and mandated record keeping related to this purchase as per all applicable manufacturers' recommendations and NFPA standards.

Total Cost: \$370,044.20  
The Department's Match: \$17,621.15  
Federal Funding: \$352,423.05

**Cost Benefit:** Describe how you plan to address the operations and personal safety needs of your organization, including cost effectiveness and sharing assets. The Operations and Safety Cost Benefit statement should also include details about gaining the maximum benefits from grant funding by citing

reasonable or required costs, such as specific overhead and administrative costs. The request should also be consistent with your organization's mission and identify how funding will benefit your organization and affected personnel.

If awarded this grant, we would replace our existing SCBAs that only meet the NFPA 1981 standard 2007 edition with equipment that meets the current standard. Our fire department was very different when we purchased our SCBA 11 years ago. At that time, we had contract paramedics who did not use SCBA. Now, we have full-time firefighters on our ambulance, and they require SCBA. Because of our change in staffing to provide quality EMS service to the Village of Forest Park, our current SCBA inventory is stretched thin. Unfortunately, our command vehicles do not have air packs. Since we placed two SCBA on the ambulance and two air packs cannot be repaired due to their age and difficulty finding parts, our SCBA inventory is now depleted. Currently, we are constantly performing SCBA maintenance to help avert catastrophic failures. The most direct cost benefit would be replacing all units with SCBAs meeting the latest 2018 standard and adding additional SCBAs to accommodate our new staffing. This purchase will directly and immediately affect the safety, health, and welfare of our firefighters, residents, and the neighboring communities we provide aid. There is a significant benefit to replacing the entire cache of SCBAs at the same time. This will prevent our department from maintaining two types of facepieces and SCBAs. This acquisition will enhance the safety and effectiveness of our operations, as well as allow us to standardize the kind of SCBA used within our region, specifically our MABAS division. This factor is critical to maintaining and improving interoperability and collaborative response capabilities. Any increase in interoperability is a cost benefit to all communities involved. Due to their extensive use and age, our current SCBAs are failing at a greater rate. Eight air packs were repaired in the last two months at a cost of \$2600. The cost of maintaining the current units continues to rise, and replacement parts have become expensive and more difficult to find. Replacing the SCBA will save on maintenance and reduce the prohibitive cost of keeping the current units operational. Our department can only afford this substantial purchase with AFG financial assistance.

**Statement of Effect on Operations:** Explain how this funding request will enhance the organization's overall effectiveness. Describe how the grant award will improve daily operations and reduce the organization's risk(s) including how frequently the requested item(s) will be used and in what capacity. Indicate how the requested item(s) will help the community and increase the organization's ability to save

additional lives and property. Jurisdictions that demonstrate their commitment and proactive posture to reducing fire risk, by explaining their code enforcement (to include Wildland Urban Interface code enforcement) and mitigation strategies (including whether or not the jurisdiction has a FEMA-approved mitigation strategy) may receive stronger consideration under this criterion.

When firefighters are given an assignment by command at a working structure fire, the last thing they should worry about is their SCBA. On November 22, 2024, Forest Park FD was the first due truck to a structure fire in a mutual aid community. After being given an assignment, our crew was delayed due to a broken high-pressure line on one member's SCBA. The malfunction caused the crew to complete their assignment with one less member. The fire department has a pressing operational need to replace our SCBA to ensure the safety of our firefighters and the residents we serve. The Department is committed to providing professional service to our community and neighboring areas; however, a significant shortfall exists. The 11-year-old SCBA the Department uses presents clear challenges regarding extended downtime and costly repairs, including currently having two out-of-service units. As these SCBAs age and become increasingly obsolete, sourcing replacement parts becomes more challenging and costly. Replacing these SCBA will ensure that our personnel have up-to-date and functioning SCBA when they respond to calls. As I write this there are six out-of-service SCBA units waiting to be serviced. One of our engines is without the appropriate number of air packs. Having enough SCBA that is current to the most recent NFPA requirements will benefit the Department, citizens of Forest Park, mutual-aid agencies, and surrounding communities. This project aligns with the top priorities of FEMA and the AFG program. Securing this grant will equip our firefighters with essential safety gear for emergency responses. With approximately 1,400 fire-related calls, our firefighters frequently provide services at structure fires in our communities and beyond. The significant impact of funding this grant will be the increased safety of our team, and the financial burden will be lifted from the Department. Firefighter Life Safety Initiative #8 emphasizes the importance of utilizing technology to enhance firefighter safety, specifically addressing the issue of outdated or worn SCBA. This grant will help the Department implement the best safety measures for our members. Functional, compliant SCBA are our strongest defense against the inherent dangers our firefighters face. With your approval, we will fully equip our department with the new SCBA to continue our mission to protect lives and property. As a member of the MABAS system, Forest Park is committed to regional responses for fire, EMS, specialty rescue, task force, and hazardous materials. Given our division's proximity to Chicago—where four of seven neighboring communities share a border—our role as one of the first mutual-aid responders to the city and its 2.5 million citizens necessitates efficient communication and interoperability with multiple agencies. This investment will enable our personnel to operate safely and effectively, improving emergency mitigation and overall operations.

## **2025 PARATRANSIT SERVICE PROVIDER AGREEMENT**

This 2025 paratransit service provider agreement (“Agreement”) is between Pace, the Suburban Bus Division of the Regional Transportation Authority, an Illinois municipal corporation (“Pace”), and the Village of Forest Park, an Illinois municipal corporation (“Service Provider”).

Pace was established under the Regional Transportation Authority Act (the “Act”) (70 ILCS 3615/1.01 et seq.) to aid and assist public transportation in the six-county northeastern Illinois area.

Pursuant to the Act, Pace may enter into service provider agreements with governmental and private sector entities to obtain public bus service and to provide for payment of operating, capital, and other expenses.

Pace wants Service Provider to furnish certain transportation services (“Services”) in accordance with the terms and conditions of this Agreement.

The parties agree as follows:

### **ARTICLE 1 SCOPE, DESCRIPTION, AND CHANGES IN SERVICES**

#### **Section 1.1. Services.**

- A. **Scope and Description of Services.** Throughout the Term, Service Provider shall provide the Services specified in Exhibit D. As an integral part of providing the Services, Service Provider shall:
1. comply with the Pace Paratransit Municipal Manual (“Manual”);
  2. take reasonable steps to ensure the safety, comfort, and convenience of the public utilizing the Services;
  3. comply with all policies, practices, procedures, terms, and conditions as Pace may direct regarding:
    - a. collection, security, and disposition of fares and other Transportation Revenue;
    - b. passes, tickets, coupons, tokens, transfers, transfer systems, interconnections between different modes of transportation, and interconnections between different transportation services; and
    - c. the availability and distribution of schedules and other printed material for the Services and related transportation services;

4. comply with all conditions of, and all laws, regulations, policies, practices, and procedures applicable to, any federal, state, or local funds or grants that Pace and/or Service Provider receives in connection with the Services or Equipment;
5. conduct the Services and Service Provider's operations and business as they relate to the Services in a safe, sound, economical, and efficient manner; and
6. comply with all Pace efforts to improve service efficiency.

B. **Changes in Services.**

1. **Service Provider-Initiated Change.**

- a. Except as provided in section 1.1(B)(1)(b) and (c), Service Provider shall not initiate, permit, or implement any change to the Services without Pace's prior written approval. To propose a change to the Services, Service Provider must submit a written proposal to Pace at least 45 days in advance of the date on which the proposed change is to take effect.
- b. Service Provider may implement a minor operational change that will neither affect any fare or system for passes, transfers, interconnections, or similar programs nor substantially affect the service area or service hours, provided (i) Service Provider gives Pace at least 30 days' advance notice of Service Provider's intent to implement that change and (ii) Pace does not notify Service Provider of Pace's disapproval of that change within 15 days after receiving Service Provider's notice.
- c. Service Provider may make a minor operational change of an emergency nature without Pace's prior written approval, provided (i) that change does not increase Pace's reimbursement and (ii) Service Provider notifies Pace of that change as soon as possible but in no event later than 12 hours after Service Provider implements that change.

2. **Pace-Initiated Change.** Upon prior written notice to Service Provider, Pace may change the Services to reflect decisions made by Pace regarding the design and operation of the Services.

3. **Pace Discretion.** Nothing in this section 1.1(B) requires Pace to approve any change to the Services, and Pace may withhold its approval of any change to the Services.

**Section 1.2. Force Majeure.** A party will not hold the other party liable for damages or be deemed to have breached this Agreement for failure or delay in performing any obligation under this Agreement if the failure or delay is caused by or results from causes beyond the reasonable control of and without the fault or negligence of the affected party, including war, fire, flood, other acts of God, civil disturbance, a terrorist act, pandemic, epidemic, or a labor strike or lockout. The affected party shall promptly notify the other party of those force majeure circumstances, specifying the cause and the expected duration of the delay, and shall promptly undertake all reasonable steps necessary to cure those force majeure circumstances. If a condition of force majeure continues for more than 30 consecutive days, Pace, at its option and after notifying Service Provider, may terminate this Agreement immediately for convenience. Where an event of force majeure occurs after a party's failure or delay in performance, the breaching party will not be released from liability.

## **ARTICLE 2 EQUIPMENT**

### **Section 2.1. Provision of Equipment by Pace.**

- A. **Absolute Right.** If Exhibit B contains the word "NONE," and Pace provides no Pace Equipment to Service Provider during the Term, sections 2.1, 2.2, and 2.3 will be of no force or effect; otherwise, those sections will apply to all Pace Equipment specified in Exhibit B. Pace may (1) determine the number and type of Pace Equipment, (2) substitute or replace Pace Equipment, and (3) direct the return of Pace Equipment to Pace or its designee; provided, however, in the absence of Service Provider's fault or other good cause, Pace will not take action that would prevent or have a material adverse effect on Service Provider's ability to provide the Services.
  
- B. **Inventory and Documentation.** Service Provider shall comply with all procedures for handling Pace Equipment in accordance with the Manual. Service Provider shall cooperate with Pace in developing and maintaining an accurate inventory of all Pace Equipment in Service Provider's possession. Service Provider shall complete and process all documentation required by Pace to evidence and record Service Provider's receipt, possession, return, and transfer of Pace Equipment. Copies of that documentation are incorporated into Exhibit B as if fully set forth in that exhibit.
  
- C. **No Consideration.** Pace will not require Service Provider to pay any separate consideration for Service Provider's use of Pace Equipment during the Term.
  
- D. **Acceptance of Pace Equipment.** Service Provider shall accept delivery of Pace Equipment at the place(s) within the Region at the time(s) as Pace directs. If Service Provider unreasonably delays its acceptance of or neglects, refuses, or fails to accept any Pace Equipment at those designated place(s) and time(s), Service Provider shall reimburse all costs and expenses that Pace incurred from that delay, neglect, refusal, or failure immediately upon Pace's written demand. Those costs and expenses will not be an Operating Expenditure for purposes of this Agreement.

- E. **Returns and Substitutions.** Service Provider shall deliver any Pace Equipment, which Pace designates Service Provider to return or transfer, to the place(s) within the Region at the time(s) as Pace directs. Service Provider shall accept delivery of any substitute Pace Equipment at the place(s) within the Region at the time(s) as Pace directs. All terms and conditions of this Agreement will apply to substitute Pace Equipment.
- F. **Surplus.** Any Pace Vehicle not scheduled for use in the Services and not required as spares for ten days or more will be considered a surplus Pace Vehicle. Any other Pace Equipment that Pace determines is not required for the Services or other services pursuant to this Agreement will be considered surplus Pace Equipment. Pace may require Service Provider to return surplus Pace Vehicles and/or surplus Pace Equipment to Pace, transfer them to Pace's designee, or store them at locations as Pace may direct.
- G. **Repossession.** If Service Provider fails to return or deliver any Pace Equipment as Pace directs or use, repair, or maintain any Pace Equipment in accordance with this Agreement, Pace may enter any premises where the Pace Equipment is or may be located and take possession of and remove the Pace Equipment without demand, legal process, or a breach of the peace. Service Provider shall not prosecute or assist in the prosecution of any claim, suit, action, or other proceeding arising out of that repossession. Service Provider shall reimburse Pace for all costs and expenses, including reasonable attorneys' fees, that Pace incurs in connection with any claim, suit, action, or other proceeding arising out of any matter in this paragraph. Those costs and expenses will not be an Operating Expenditure under this Agreement.
- H. **Inspection.** Pace may inspect the Pace Equipment at any time, with or without prior notice to Service Provider. Pace may demand that Service Provider furnish a written statement specifying the condition of the Pace Equipment or any part of the Pace Equipment. Service Provider shall furnish that statement to Pace within ten days after receiving Pace's demand. If Pace determines, in its sole discretion, that Service Provider has not maintained any Pace Equipment in accordance with this Agreement, Pace will provide Service Provider with a written report of the deficiencies. If that report discloses non-safety-related deficiencies, Service Provider shall correct them within 30 days. If that report discloses safety-related deficiencies, Service Provider shall immediately remove the affected Pace Vehicle from service and correct them as soon as practicable prior to returning the affected Pace Vehicle to service. Pace may appoint a designee to perform one or more the functions assigned to Pace under this section 2.1(H).
- I. **Return of Pace Equipment and Records Upon Termination or Expiration of Agreement.** Immediately upon termination or expiration of this Agreement, Service Provider shall surrender the following items to Pace and deliver them to the place(s) within the Region at the time(s) that Pace directs:

- (1) all Pace Equipment, which must be in good operating order, repair, and condition, reasonable wear and tear and normal depreciation excepted; and
- (2) all records pertaining to all Pace Vehicles and other Pace Equipment, including, without limitation, all preventative maintenance reports and repair reports.

If Service Provider fails to comply with this section 2.1(l), Pace may inspect the Service Provider's premises and remove those items that remain in Service Provider's possession. Pace, in its sole discretion, will determine the condition of surrendered and returned Pace Equipment and the extent of any wear and tear, depreciation, and damage. Service Provider will be responsible for making all repairs that Pace deems necessary to place the surrendered and returned Pace Equipment in the condition required by sections 2.1 and 2.2. Service Provider shall complete those repairs within 21 days following Pace's written demand that Service Provider make the repairs. If those repairs are the result of Service Provider's failure to comply with this Agreement, Pace will not reimburse Service Provider for the repair costs. If Service Provider fails to make those repairs, then Pace will make them, and Service Provider shall reimburse Pace for the repair costs within 30 days after receiving a receipt for those costs from Pace.

- J. **Title.** Service Provider acknowledges that Pace owns the Pace Equipment. Nothing in this Agreement affects Pace's absolute ownership of and title to the Pace Equipment. Service Provider shall not obtain, acquire, or represent itself as having obtained or acquired any property or other interest in the Pace Equipment, except the right to use the Pace Equipment for the purposes and on the conditions stated in this Agreement. Service Provider shall not allow the Pace Equipment, or any part of it, to be pledged, seized, or held for any tax, debt, lien, or other obligation. If the Pace Equipment, or any part of it, becomes subject to or encumbered by any tax, debt, lien, or other obligation (each, an "Encumbrance") during the Term or before the delivery of the Pace Equipment to Pace after the Term, Service Provider shall, subject to its right to protest in good faith that Encumbrance, promptly pay or discharge that Encumbrance so that the Pace Equipment is no longer subject to or encumbered by it.
- K. **Warranty.** Neither Pace nor Service Provider is the manufacturer of the Pace Equipment or is the manufacturers' agent; therefore, neither Pace nor Service Provider makes any express or implied warranty of any nature regarding the Pace Equipment, including but not limited to its merchantability or fitness for any particular purpose, design or condition, workmanship, freedom from latent defects, compliance with the requirements of any law, rule, specification, or contract, or non-infringement of any patent, trademark or license. Provided Pace or the manufacturer has supplied required warranty documents to Service Provider,

Service Provider shall take all actions it is authorized to take under this Agreement to preserve all manufacturers' warranties regarding the Pace Equipment. This Agreement will not operate to release or waive any rights of Pace or Service Provider against any person or entity not a party to this Agreement, including the manufacturer of the Pace Equipment.

**Section 2.2. Maintenance of Pace Equipment by Service Provider.**

- A. **Maintenance Requirements.** Service Provider shall maintain all Pace Equipment (1) in good mechanical condition in conformity with all applicable safety practices, laws, and regulations and (2) in accordance with this Agreement, all maintenance policies, practices, procedures, conditions, and requirements in the Manual, and all manufacturers' maintenance schedules and warranty requirements.

Service Provider shall keep the exterior and interior of all Pace Vehicles in a neat, clean, and first-class condition. Service Provider shall maintain all Pace Vehicles to meet the requirements of the Illinois Department of Transportation and the Manual and shall ensure that a valid Illinois Department of Transportation safety inspection sticker is affixed to them at all times. Service Provider will be responsible for the payment of all Pace Vehicle maintenance and repair costs.

- B. **Maintenance Records.** Service Provider shall prepare and maintain accurate records relating to all maintenance work performed by or for Service Provider on all Pace Equipment and, in that regard, shall comply with this Agreement and all applicable Pace policies, practices, procedures, conditions, and requirements in the Manual.

For each Pace Vehicle, Service Provider shall maintain a separate maintenance file containing all maintenance records for the Pace Vehicle. Service Provider shall also complete, maintain, and transmit to Pace all maintenance forms required by Pace's preventative maintenance program and any other records requested by Pace in connection with the Pace Vehicle, including without limitation maintenance and fuel consumption records.

**Section 2.3. Operation of Pace Equipment by Service Provider.**

- A. **General Operating Standard.** Service Provider shall use all Pace Equipment (1) in accordance with this Agreement, the operating procedures in the Manual, and all applicable federal, state, and local laws and regulations and (2) solely for the purpose of providing the Services or as otherwise approved in advance in writing by Pace.
- B. **Identification Markings and Decals.** Service Provider shall not remove, change, or obstruct any Pace Equipment identification markings or decals affixed by Pace. Unless otherwise approved in advance in writing by Pace, Service Provider shall not affix or display any identification marking or decal (other than those supplied by Pace) on any Pace Equipment.

- C. **Storage.** Service Provider shall store all Pace Equipment at locations that will protect it from vandalism and theft. Indoor storage must have fire protection that complies with all applicable federal, state, and local laws and regulations and must have the approval of the Fire Underwriters Laboratory.
- D. **Fareboxes.** Except as approved in writing in advance by Pace, Service Provider shall utilize only fareboxes and related equipment that Pace provides. Service Provider shall install those fareboxes and maintain them in good condition.

**Section 2.4. Duty to Maintain Service Provider Vehicles.** Service Provider shall maintain all Service Provider Equipment (1) in good mechanical condition in conformity with all applicable safety practices, laws, and regulations and (2) in accordance with this Agreement, all maintenance policies, practices, procedures, conditions, and requirements in the Manual, and all manufacturers' maintenance schedules and warranty requirements.

Service Provider shall keep the exterior and interior of all Service Provider Vehicles in a neat, clean, and first-class condition. Service Provider shall maintain all Service Provider Vehicles to meet the requirements of the Illinois Department of Transportation and the Manual and shall ensure that a valid Illinois Department of Transportation safety inspection sticker is affixed to them at all times. Service Provider will be responsible for the payment of all Service Provider Vehicle maintenance and repair costs.

### **ARTICLE 3 EMPLOYEES**

**Section 3.1. Staff.** Service Provider shall furnish competent and qualified staff, who may be Service Provider's employees, to provide the Services in accordance with this Agreement. No Service Provider staff member will be an employee or agent of Pace or the Regional Transportation Authority.

Vehicle drivers providing the Services must pass Pace's driver training program prior to providing the Services, be courteous to their passengers, and maintain a neat, clean appearance. Service Provider shall comply with all federal and Pace requirements relating to drug and alcohol testing of Service Provider's staff. Failure by Service Provider or any Third-Party Provider to comply with those drug and alcohol testing requirements will constitute grounds for nonpayment of the Service Reimbursement Amount for the duration of that noncompliance.

No Service Provider staff member may operate a Vehicle in the Services or perform any safety-sensitive tasks without first receiving Pace's approval.

**Section 3.2. Employment Contracts and Labor Agreements.** Service Provider shall notify Pace of any labor negotiations Service Provider is conducting with its employees and shall inform Pace of the status and progress of those negotiations.

**ARTICLE 4**  
**COMPLIANCE WITH LAWS**

**Section 4.1. Compliance with Federal, State, and Local Laws.** Service Provider shall comply with all federal, state, and local laws, statutes, ordinances, rules, and regulations applicable to this Agreement (the "Laws"), including section 2-105(A)(4) of the Illinois Human Rights Act (775 ILCS 5/2-105(A)(4)), and those Laws related to:

- A. the payment of minimum wages to employees, limitations upon the employment of minors, minimum fair wage standards for minors, the payment of wages due employees, and all applicable regulations established to protect the health and safety of employees, passengers, and the public;
- B. employee protection, if required, under section 5333(b) of the Urban Mass Transportation Act of 1964, as amended, 49 U.S.C. § 5333(b), and section 2.16 of the Regional Transportation Authority Act, 70 ILCS 3615/2.16, for persons employed by Service Provider to provide the Services; and
- C. anti-discrimination and equal employment opportunity Laws, including but not limited to the Age Discrimination in Employment Act of 1967, as amended, 29 U.S.C. § 621 *et seq.*, Title VII of the Civil Rights Acts of 1964, as amended, 42 U.S.C. § 2000e *et seq.*, the Civil Rights Acts of 1866 and 1871, 42 U.S.C. §§ 1981 and 1983, the Illinois Human Rights Act, 775 ILCS 5/1-101 *et seq.*, section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794, and the Americans with Disabilities Act of 1990, 42 U.S.C. § 12101 *et seq.*
  - 1. Service Provider shall not discriminate against any employees or applicants for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. Service Provider shall take affirmative action to ensure that it employs applicants, and treats employees during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. That action includes, but is not limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Service Provider shall insert the provisions of this section 4.1(C)(1) in all subcontracts relating to the provision of the Services.
  - 2. Prior to the execution of this Agreement, Service Provider shall furnish Pace with evidence that it has filed with the Illinois Department of Human Rights (the "Department") an affirmative action program covering Service Provider's employment practices, if the Department requires that program. Service Provider shall promptly furnish Pace with a copy of all documents Service Provider filed with the Department.

3. In the event of Service Provider's noncompliance with the provisions of the equal employment opportunity clause set forth in section 4.1(C)(3)(a)-(g) or with the Illinois Human Rights Act, Service Provider may be declared ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and other sanctions or penalties may be imposed or remedies invoked as provided by statute or regulation. During the performance of this Agreement, Service Provider agrees as follows:
  - a. That it shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, marital status, order of protection status, national origin or ancestry, citizenship status, age, physical or mental disability unrelated to ability, military status or an unfavorable discharge from military service; and, further, that it shall examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization;
  - b. That, if it hires additional employees in order to perform this Agreement or any portion hereof, it shall determine the availability (in accordance with Ill. Admin. Code tit. 44, part 750) of minorities and women in the areas from which it may reasonably recruit, and it shall hire for each job classification for which employees are hired in a way that minorities and women are not underutilized;
  - c. That, in all solicitations or advertisements for employees placed by it or on its behalf, it shall state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, sexual orientation, marital status, order of protection status, national origin or ancestry, citizenship status, age, physical or mental disability unrelated to ability, military status or an unfavorable discharge from military service;
  - d. That it shall send to each labor organization or representative of workers with which it has or is bound by a collective bargaining or other agreement or understanding, a notice advising the labor organization or representative of Service Provider's obligation under the Illinois Human Rights Act and Ill. Admin. Code tit. 44, part 750. If any labor organization or representative fails or refuses to cooperate with Service Provider in its efforts to comply with the Illinois Human Rights Act and Ill. Admin. Code tit. 44, part 750, Service Provider shall promptly notify the Department and Pace and shall recruit employees from other sources when necessary to fulfill its obligations under this Agreement;

- e. That it shall submit reports as required by Ill. Admin. Code tit. 44, part 750, furnish all relevant information as may from time to time be requested by the Department or Pace, and in all respects comply with the Illinois Human Rights Act and Ill. Admin. Code tit. 44, part 750;
- f. That it shall permit access to all relevant books, records, accounts, and work sites by personnel of Pace and the Department for purposes of investigation to ascertain compliance with the Illinois Human Rights Act and the Department's rules and regulations;
- g. That it shall include verbatim or by reference the provisions of the equal employment opportunity clause set forth in section 4.1(C)(3)(a)-(g) in every subcontract awarded under which any portion of the obligations under this Agreement is undertaken or assumed, so that the provisions will be binding upon the subcontractor. In the same manner as with other provisions of this Agreement, Service Provider will be liable for compliance with applicable provisions of this clause by subcontractors; and further Service Provider shall promptly notify Pace and the Department in the event any subcontractor fails or refuses to comply with those provisions. In addition, Service Provider shall not utilize any subcontractor declared by the Illinois Human Rights Commission to be ineligible for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.

4. **Disadvantaged Business Enterprises.** Service Provider shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Agreement. Service Provider shall carry out applicable requirements of 49 C.F.R. part 26 in the award and administration of DOT-assisted contracts. Service Provider's failure to carry out these requirements is a material breach of this Agreement, which may result in the termination of this Agreement or such other remedy as Pace deems appropriate.

**Section 4.2. Failure to Comply.** In the event Service Provider's noncompliance with any federal, state, or local anti-discrimination or equal employment or business opportunity law, including but not limited to those identified in section 4.1, results in Service Provider being declared ineligible for future contracts or subcontracts with any department, agency, establishment, or instrumentality of the federal government or with State of Illinois or any of its political subdivisions or municipal corporations, Pace may cancel or void this Agreement, in whole or in part, impose other sanctions or penalties, and/or invoke other remedies as provided by the Laws.

**ARTICLE 5**  
**REPORTS AND RECORDS**

**Section 5.1. Reports, Forms, and Statements Required.** Service Provider shall furnish Pace with all reports in accordance with the Manual. In addition, upon Pace's written request, Service Provider shall furnish Pace with:

- A. a monthly listing of any reports and documents related to the Services that Service Provider files with any government or government agency;
- B. all written forms and documentation that are required for the administration of Pace's programs concerning students, the elderly, and the handicapped (Service Provider shall furnish one or more of those forms and documentation to the United States and Illinois Departments of Transportation upon Pace's written request);
- C. all correspondence, papers, notices, accident reports, and documents that Service Provider receives in connection with any claim or demand involving or related to the Services or the Equipment;
- D. all records that are required pursuant to section 2.1(l); and
- E. other reports, forms, and statements as this Agreement, the Laws, or order of any duly constituted authority may require.

**Section 5.2. Records.** Service Provider shall create and maintain accurate and complete records of the Services that Service Provider performs and the time that Service Provider spends, the materials, equipment, and supplies that Service Provider purchases, and the costs that Service Provider incurs in performing the Services, including all records required by this Agreement, the Manual, or the Laws. Subject to section 2.1(l), unless Pace consents in advance in writing to the disposal or destruction of those records, Service Provider shall make those records available for review, inspection, and audit in accordance with section 5.3 during the Term and for three years thereafter or such longer period as required by law or applicable grant or as necessary for any pending litigation or other claim relating to this Agreement or the Services (the "record retention period"); provided, however, prior to Service Provider's disposal or destruction of those records following the record retention period, Service Provider shall notify Pace of the date on which Service Provider intends to dispose of or destroy those records, which date must be at least 90 days after the effective date of that notice. Pace will have 90 days after receipt of Service Provider's notice to notify Service Provider to not dispose of or destroy those records and to deliver them to Pace or its designee, at Pace's expense, on a confidential basis if appropriate.

**Section 5.3. Inspections and Audits.** With or without prior notice to Service Provider, Pace may review, inspect, and/or audit the Services and all information and records related to the Services during and following Service Provider's performance of the Services. Pace shall perform its review,

inspection, and/or audit in a manner that will not unduly delay or interfere with Service Provider's performance under this Agreement. Service Provider shall cooperate with Pace and provide reasonable facilities to assist Pace with its review, inspection, and/or audit. Pace may perform its review, inspection, and/or audit through one or more of its officers, employees, or other designated agents. Service Provider shall promptly remit to Pace any overpayments that Pace identified as a result of its audit.

**ARTICLE 6**  
**THIRD-PARTY PROVIDERS**

**Section 6.1. Requirements.** Service Provider shall follow the procedures in the Manual for obtaining and utilizing Third-Party Providers. Service Provider's contracts and agreements with Third-Party Providers must (A) be in writing, (B) be made in accordance with applicable laws, (C) require Third-Party Providers to comply with this Agreement, (D) incorporate this Agreement as an exhibit, (E) not release Service Provider from any obligations under this Agreement, and (F) not operate as a waiver of any of Pace's rights under this Agreement. Service Provider shall competitively solicit that part of the Services provided by Third-Party Providers as required by Pace. Provider shall furnish Pace with a copy of all Third-Party Provider contracts and agreements upon their execution or upon the execution of this Agreement, whichever is later. If a Third-Party Provider will use any Pace Equipment, the Third-Party Provider must execute a written sublease in a form approved by Pace prior to the use of that Pace Equipment.

**ARTICLE 7**  
**INDEMNIFICATION**

**Section 7.1. General.**

- A. Pace shall indemnify and defend Service Provider, Third-Party Providers, and their respective board members, directors, officers, employees, agents, and volunteers (collectively, the "Service Provider Indemnitees") from and against all auto liability injuries, losses, damages, claims, suits, payments, settlements, judgments, demands, costs, and expenses, including attorneys' fees, which may accrue against one or more Service Provider Indemnitees and which arise out of the use of Pace Vehicles in the Services, provided Service Indemnitees comply with the notice and cooperation requirements specified in section 8.2. Pace's obligation to indemnify and defend under this section 7.1(A) does not extend to willful and wanton, reckless, criminal, or intentional conduct of Service Provider Indemnitees.
  
- B. Service Provider shall indemnify and defend, and shall require Third-Party Providers to indemnify and defend, Pace, the Regional Transportation Authority, and their respective board members, directors, officers, employees, agents, and volunteers (collectively, the "Pace Indemnitees") from and against (1) the use of non-Pace Vehicles in the Services, (2) willful and wanton, reckless, criminal, or intentional conduct of Service Provider Indemnitees, (3) claims of one or more of Service Provider's board members, directors, officers, employees, agents, or volunteers

against one or more Pace Indemnitees, and (4) claims of one or more of Third-Party Providers' board members, directors, officers, employees, agents, or volunteers against one or more Pace Indemnitees.

**Section 7.2. Service Provider's Damages.** Except as provided in Article 7 or Article 8: (A) Pace will not be responsible to Service Provider and its representatives for any loss of business or other damage caused by an interruption of the Services; the time lost in repairing or replacing any Pace Equipment; any loss, injury, or damage arising out of or relating to Pace's failure to deliver Pace Equipment; or any other losses or damages that Service Provider sustains under this Agreement; and (B) Pace assumes no liability or responsibility for any acts or omissions of Service Provider and/or its representatives or for any property that belongs to Service Provider or any other person or entity and that is damaged, lost, or stolen in the performance, or as a result of the performance, of this Agreement.

## **ARTICLE 8**

### **INSURANCE PROGRAM AND INSURANCE REQUIREMENTS**

#### **Section 8.1. Requirements.**

- A. Service Provider shall comply and require Third-Party Providers to comply with the Manual for all Vehicles used in the Services whether those Vehicles are Pace Vehicles, Service Provider Vehicles, or Third-Party Provider-owned Vehicles.
- B. Service Provider shall comply and require Third-Party Providers to comply with all accident and incident notification and reporting requirements in the Manual, including those requirements dealing with personnel standards and rules and drug and alcohol testing.
- C. Upon notice from Pace specifying and documenting claims or other evidence of incompetence, inattention, carelessness, or other fault on the part of one or more of Service Provider Indemnitees, Service Provider shall promptly take, and require Third-Party Providers to promptly take, all lawful and reasonable steps to prevent claims or losses as a result of that incompetence, inattention, carelessness, or fault. This section 8.1 will not, however, be construed to require Service Provider or Third-Party Providers to take any action in violation of their respective obligations under any labor agreement or other employment contract.

**Section 8.2. Insurance Program for Pace Vehicles.** All Pace Vehicles used in the Services are included in Pace's risk management program (the "Insurance Program"). The Insurance Program furnishes commercial auto liability coverage to Service Provider Indemnitees for any claims of bodily injury, death, or property damage arising directly out of the use of Pace Vehicles in the Services, within the scope of Pace's self-insured retention and excess insurance, and subject to the following terms, conditions, and exclusions:

- A. Pace excludes coverage for claims, actions, and damages arising as the result of willful and wanton, reckless, criminal, or intentional conduct of Service Provider Indemnitees;
- B. Pace excludes coverage for claims of injury or death brought directly or indirectly against Pace, Service Provider, or Third-Party Providers by one or more representatives of Service Provider or Third-Party Providers and arising out of or in connection with the Services;
- C. Pace's self-insured retention and excess insurance are primary over any self-insurance and/or insurance that Service Provider maintains and any self-insurance and/or insurance that Third-Party Providers maintain for claims within the scope of the Insurance Program; any self-insurance and/or insurance that Service Provider maintains and any self-insurance and/or insurance that Third-Party Providers maintain are in excess of Pace's self-insured retention and policies of excess insurance, without right of contribution for claims within the scope of the Insurance Program;
- D. Service Provider shall immediately notify and require its Third-Party Providers to immediately notify Pace of all accidents, incidents, claims, and lawsuits involving any Pace Vehicle used in the Services, including when a previously reported incident or accident results in a claim or lawsuit or a previously reported claim results in a lawsuit;
- E. with respect to any lawsuit within the scope of the Insurance Program's coverage, Pace shall defend Service Provider Indemnitees involved in that lawsuit and will select defense counsel and control the defense of that lawsuit. Pace will not defend Service Provider Indemnitees against any claims that are excluded from coverage as specified in this section 8.2. If a lawsuit includes claims that are both covered and excluded from coverage as specified in this section 8.2, Pace's duty to defend only extends to those portions of that lawsuit that are within the scope of coverage as specified in this section 8.2 and not to any excluded claims. Pace's duty to defend under this section 8.2(E) will cease when the limits of auto liability coverage of Pace's excess insurance policies are exhausted;
- F. Service Provider Indemnitees must cooperate with and assist Pace and any claims service agencies, investigators, and attorneys employed by or on behalf of Pace in the administration, investigation, and defense of all claims for bodily injury, property damage, or physical damage asserted against Pace and/or one or more Service Provider Indemnitees and arising out of the use of Pace Vehicles in the Services;
- G. the failure of Service Provider Indemnitees to comply with the requirements of this section 8.2 will relieve Pace of all obligations that Pace may have to Service Provider Indemnitees under the Insurance Program as stated in this Agreement; and

- H. Service Provider Indemnitees will be an additional insured on Pace's excess insurance.

**Section 8.3. Non-Pace Vehicles.** Claims arising from non-Pace Vehicles used in the Services are not within the scope of the Insurance Program and are Service Provider's sole responsibility.

**ARTICLE 9**  
**PAYMENT, BUDGET, AND ACCOUNTING**

**Section 9.1. Maximum Service Reimbursement Amount.** Pace shall pay to Service Provider a service reimbursement in an amount as limited by the Approved Budget, the paratransit reimbursement guidelines specified in Exhibit C, and the other provisions of this Article 9. Pace may change the paratransit reimbursement guidelines and/or level of fares, and those changed guidelines and/or fares will determine Paces maximum reimbursement obligation. Pace will notify Service Provider if Pace's board of directors revises the paratransit reimbursement guidelines during the Term, and those revised guidelines will be effective 60 days after Service Provider's receipt of that notice.

**Section 9.2. Payment of Reimbursement.** Pace shall pay the service reimbursement in monthly installments based on Pace's receipt of Service Provider's Monthly Reports that are in accordance with the Manual. The monthly installment due for January and the monthly installment due for February will be one-twelfth of the Service Reimbursement Amount in accordance with the Approved Budget. The monthly installment due for any remaining month will be based on the Monthly Reports for the month that is two months prior to the month for which the monthly installment is due. Service Provider must submit the Monthly Reports to Pace by the close of business on the day specified in the Manual for Pace to process the Monthly Reports and pay the monthly installment during the month for which the monthly installment is due. Monthly Reports that are late or are not in accordance with the Manual will delay payment of monthly installments. After Service Provider has submitted all Monthly Reports for the Term to Pace, the parties will make a final calculation of the Service Reimbursement Amount. If, after the final calculation, a credit is due to a party, the party owing the credit shall pay the amount of the credit to the other party within 30 days after receiving the other party's written demand for that amount.

**Section 9.3. Subsidy Payments.** Notwithstanding anything to the contrary in this Agreement, in 2025 only, Pace will remit a subsidy to Service Provider in the amount of \$23,465, which will be paid in 12 equal monthly installments beginning in January 2025.

**Section 9.4. Limitations on Payments.** If Service Provider fails to comply with any material term of this Agreement or to take action to correct that failure in accordance with Pace's direction, Pace, in addition to any other remedy provided in this Agreement, may withhold payments to Service Provider pending Service Provider's compliance or corrective action. Notwithstanding any other provision of this Article 9:

- A. Pace will not pay Service Provider:

1. unless Service Provider has submitted the Monthly Reports to Pace in accordance with the Manual;
  2. if Pace finds or has reason to believe that Service Provider has not prepared the Monthly Reports in accordance with sound financial and management practices (Pace will withhold payment until Service Provider resolves that issue to Pace's satisfaction); or
  3. if any Operating Expenditure violates this Agreement or the Manual.
- B. Pace's payments to Service Provider will not exceed the Approved Maximum Service Reimbursement Amount.

**Section 9.5. Funding Availability.** Notwithstanding anything to the contrary in this Agreement, including but not limited to the provisions of section 9.1, Pace's obligation to pay the Service Reimbursement Amount is limited to the availability of funds from Pace's revenues and budget. If Pace determines that funds are not available, Pace's obligations to pay any such unpaid part or parts of the Service Reimbursement Amount will immediately terminate, and Pace will notify Service Provider in accordance with section 10.2(A) and will have no further obligations to make any payments to Service Provider under this Agreement.

**Section 9.6. Transportation Revenue.** All Transportation Revenue is the property of the Service Provider. Service Provider shall comply with Pace policies, practices, and procedures relating to the collection, security, and accounting of all Transportation Revenue as specified in the Manual. Should the Service Provider allow any passengers to travel for less than the minimum fares for paratransit established by Pace's board of directors, Service Provider shall fund the difference between the minimum Pace fares for paratransit and the fares charged, and those funds will be considered Transportation Revenue.

**Section 9.7. Accounting and Reporting Standards.** Service Provider shall maintain its books and records and prepare, maintain, and file reports relating to this Agreement and the Services in accordance with generally accepted governmental accounting principles, section 15 of the United States Urban Mass Transit Act, the Manual, the Approved Budget, and any documentation submitted by Service Provider and approved by Pace in support of the Approved Budget. In case of any conflict in those accounting and reporting standards, Service Provider shall seek Pace's direction and, pending receipt of that direction, shall comply with the standard that most fairly, accurately, and completely records and reports the results of operation of the Services.

**Section 9.8. Budget Amendments.** Pace may, but is not obligated to, revise the Approved Budget or increase the Approved Maximum Service Reimbursement Amount or any Line Item Budget Maximum.

**Section 9.9. Capital Expenditures.** Pace is not obligated to provide any grant funds to Service Provider for capital expenditures. If Service Provider pays for any capital asset with the proceeds of any Pace payment, the capital asset will be the property of Pace and will be added to Exhibit B. Service Provider shall deliver the capital asset to Pace at the end of the Term.

**ARTICLE 10**  
**TERMINATION**

**Section 10.1. Termination.**

- A. **Termination for Insufficient Funds.** Pace may terminate this Agreement, in whole or in part, upon seven days' advance notice to Service Provider if Pace, in its sole discretion, determines that (1) the Illinois General Assembly, the Regional Transportation Authority, or any funding source has failed to appropriate or otherwise make available sufficient funds in any fiscal year to cover payments to Service Provider pursuant to Article 9 or (2) any Vehicle necessary to perform the Services is unavailable for any reason. Pace's notice will specify the extent and effective date of the termination. If Pace terminates part of this Agreement, Service Provider shall continue with the unterminated part.
- B. **Termination for Convenience.** Pace may terminate this Agreement, in whole or in part, at any time, when in Pace's best interest, by notifying Service Provider of the termination. Pace's notice will specify the extent and effective date of the termination. If Pace terminates part of this Agreement, Service Provider shall continue with the unterminated part.
- C. **Termination for Negatively Impacting the Services.** Pace may terminate this Agreement if Service Provider, for any reason other than as specified in section 1.2, cancels, eliminates, reduces, or diminishes the Services without obtaining Pace's prior written approval. Pace shall notify Service Provider of the termination, which will be effective 24 hours after the date of that notice.
- D. **Termination for Breach.** If Pace, in its sole discretion, determines that Service Provider has breached this Agreement by failing to timely perform any of its material obligations under this Agreement or to comply with any of its material obligations under this Agreement, Pace may terminate this Agreement for breach by notifying Service Provider of the termination. Pace will allow Service Provider 21 days from the date of Service Provider's receipt of that notice to cure the breach ("Cure Period"). Pace's notice will state the nature of the breach, the Cure Period, and any other conditions Pace deems appropriate. Pace may terminate this Agreement without any further obligation to Service Provider or extend the Cure Period if Service Provider fails to remedy the breach to Pace's satisfaction within the Cure Period. Termination will not preclude Pace from also pursuing all available remedies against Service Provider for breach. If, after termination for breach, Pace determines that Service

Provider was not in breach, Pace will treat the termination as a termination for the convenience of Pace.

If Pace elects to waive its remedies for Service Provider's breach of any provision of this Agreement, that waiver will not limit Pace's remedies for any succeeding breach of that provision or any other provision of this Agreement.

- E. **Obligations Following Termination.** Pace's obligations upon termination of this Agreement will be limited to paying Service Provider for the Services rendered in accordance with this Agreement from the Effective Date up to the date of termination. Immediately upon termination of this Agreement, Service Provider shall comply with the provisions of section 2.1(I). In addition, Service Provider will be liable to Pace for all damages that Pace incurs as a result of any Service Provider breach of this Agreement that leads to termination of this Agreement.

## **ARTICLE 11**

### **DUTIES, COVENANTS, AND REPRESENTATIONS**

**Section 11.1. General.** Service Provider hereby covenants and represents that:

- A. **Corporate Existence and Power.** Service Provider is duly organized, validly existing, and in good standing under Illinois law and has the legal power and authority to enter into this Agreement and provide, engage in, and carry out the Services. Service Provider shall maintain its corporate identity during the Term.
- B. **Authorization.** Service Provider's execution of and compliance with this Agreement will not result in any breach or violation of, or default under, any judgment, decree, mortgage, contract, agreement, indenture, or other instrument applicable to Service Provider.
- C. **Approvals Obtained.** Service Provider has obtained all approvals, consents, permits, licenses, authorizations, and modifications as may be required to permit Service Provider to perform its obligations under this Agreement.
- D. **No Material Litigation.** To Service Provider's knowledge, there are no pending or threatened investigations or legal proceedings involving Service Provider with respect to this Agreement or which are reasonably likely to have a material adverse effect on Service Provider's business, operations, property, or financial condition.
- E. **No Default.** Service Provider is not in default under or with respect to any obligation that could be materially adverse to Service Provider's business, operations, property, or financial condition or that is reasonably likely to materially adversely affect Service Provider's ability to perform under this Agreement.

- F. **No Burdensome Restrictions.** Neither any obligation of Service Provider nor any requirement of law materially adversely affects or, insofar as Service Provider may reasonably foresee, may affect Service Provider's business, operations, property, or financial condition or Service Provider's ability to perform under this Agreement.
- G. **No Sale, Lease, or Encumbrance.** Service Provider shall not sell, lease, encumber, loan, or dispose of any Pace Equipment during the Term.
- H. **Payment Obligations.** (1) Subject to section 11.1(H)(2), Service Provider shall perform and discharge its payment obligations with respect to the Services. (2) Service Provider is not required to perform and discharge those payment obligations during the period when Service Provider is contesting them in good faith by appropriate proceedings, provided Service Provider has set aside an adequate reserve on its books with respect to them. Immediately upon a final adjudication of those proceedings that is adverse to Service Provider after expiration of all appeal periods, Service Provider shall perform and discharge those payment obligations.
- I. **No Bar from Public Contracts.** Service Provider is not barred from contracting with Pace as a result of a violation of either section 33E-3 or 33E-4 of the Illinois Criminal Code of 2012 (720 ILCS 5/33E-3 and 33E-4).
- J. **Opinion of Counsel.** Service Provider shall provide Pace with the opinion of an attorney licensed to practice law in Illinois at or before the time Service Provider signs this Agreement. That opinion must be in the form specified in Exhibit E.

**ARTICLE 12**  
**GENERAL PROVISIONS**

**Section 12.1. Entire Agreement.** This Agreement, including the introductory recitals and any attached exhibits and the Manual, which are hereby incorporated into and made a part of this Agreement, constitutes the entire agreement between the parties and supersedes any prior written or oral understandings, agreements, or representations between the parties that may have related in any way to the subject matter of this Agreement, and no other written or oral warranties, inducements, considerations, promises, representations, or interpretations, which are not expressly addressed in this Agreement, will be implied or impressed upon this Agreement.

**Section 12.2. Conflict.** In the event of a conflict or ambiguity between the terms of this Agreement and the terms of any exhibit, including the Manual, the terms of this Agreement will control.

**Section 12.3. Amendments.** No changes, amendments, or modifications to this Agreement will be valid unless they are in writing and the duly authorized signatory of each party signs them.

**Section 12.4. Notice.** Any notice under this Agreement must be in writing. A party shall give the notice in the following manner:

- A. by personal delivery (deemed effective as of the date and time of delivery);

- B. by commercial overnight delivery (deemed effective on the next Business Day following deposit of the notice with a commercial overnight delivery company);
- C. by registered or certified mail, return receipt requested, with proper postage prepaid (deemed effective as of the third Business Day following deposit of the notice in the U.S. mail); or
- D. by email with delivery receipt requested (deemed effective as of the date and time indicated on the receipt confirming delivery, except the effective date and time will be 8:00 a.m. on the next business day after delivery of the notice if the receipt shows delivery during non-business hours).

The notice must be addressed as follows or addressed to such other address as either party may from time to time specify in writing to the other party:

If to Pace:

Pace, the Suburban Bus Division of the Regional Transportation Authority  
550 W. Algonquin Road  
Arlington Heights, IL 60005  
Attention: Executive Director

Email address: meena.sahota@pacebus.com

If to Service Provider:

Village of Forest Park  
517 DesPlaines Avenue  
Forest Park, IL 60130-1801  
Attention: Rory E. Hoskins, Mayor

Email address: kdylewski@forestpark.net

**Section 12.5. Calendar Days and Time.** Any reference to “day” or “days” in this Agreement means calendar days unless otherwise indicated. If the date for giving any notice or performing any obligation under this Agreement falls on a Saturday, Sunday, or federal or State of Illinois holiday, a party may give that notice or perform that obligation on the next Business Day after that Saturday, Sunday, or federal or State of Illinois holiday. Any reference in this Agreement to time of day is to local time for Arlington Heights, Illinois.

**Section 12.6. Singular, Plural, and Gender.** When used in this Agreement, unless the context otherwise requires, the singular includes the plural, the plural includes the singular, and gender-related nouns and pronouns include the feminine, masculine, and neutral.

**Section 12.7. Governing Law, Jurisdiction, and Venue.** Illinois law governs this Agreement without regard to principles of conflicts of law, and the parties shall submit to the exclusive jurisdiction and venue of the state courts of Cook County, Illinois for any dispute arising out of or related to this Agreement.

**Section 12.8. Changes in Laws.** Unless otherwise provided in this Agreement, any reference to laws, statutes, ordinances, rules, or regulations includes all amendments to those laws, statutes, ordinances, rules, or regulations.

**Section 12.9. Assignment.** No party may assign, delegate, or otherwise transfer all or part of its rights and obligations under this Agreement without the prior written consent of the other party. Any successor or approved assign under this Agreement will accede to all the terms of this Agreement as a condition precedent to that succession or assignment.

**Section 12.10. Headings.** The headings in this Agreement are for reference and convenience only and will not affect the meaning or interpretation of this Agreement.

**Section 12.11. Prohibited Interests.** No members of the Illinois General Assembly, no members of the United States Congress, and no directors or employees of Pace or Service Provider may, during their tenure and for one year thereafter, have any direct or indirect interest in this Agreement or be admitted to any share or part of this Agreement, any benefit arising from this Agreement, or any proceeds of this Agreement.

**Section 12.12. Independent Relationship.** In connection with this Agreement, Service Provider is an independent contractor and not an employee, agent, joint venturer, or partner of Pace. Nothing in this Agreement creates an agency, partnership, joint venture, or any other relationship between Service Provider and Pace or between Pace and any employee or agent of Service Provider or Service Provider's subcontractors (including Third-Party Providers), and Service Provider shall not act on behalf of or bind Pace in any manner. Service Provider's employees must be employees of Service Provider, and Service Provider will be solely responsible for all aspects of their employment. All personnel necessary for Service Provider's performance of this Agreement must be employees of Service Provider or of Service Provider's subcontractors.

**Section 12.13. Litigation Against Service Provider.** If, during the Term, one or more persons or entities file or initiate legal proceedings against Service Provider, any Third-Party Provider, and/or any other subcontractor of Service Provider and those proceedings may affect or inhibit Service Provider's ability to perform its obligations under or otherwise to comply with this Agreement, Service Provider shall deliver a copy of the complaint or charge related to those proceedings to Pace within two days of Service Provider's receipt of that complaint or charge and shall inform Pace of all aspects of those proceedings.

**Section 12.14. Waiver.** Pace will not be deemed to have waived any right under this Agreement unless the waiver is in writing and an authorized officer or director of Pace signs that waiver. Pace's delay or omission in exercising any right under this Agreement will not operate as a waiver of that right or any other right. Pace's rights and remedies under this Agreement are cumulative and not exclusive, and Pace may exercise those rights and remedies singly or concurrently. Pace's waiver or exercise of any remedy will not be a waiver of any other remedy available under this Agreement or general principles of law or equity.

**Section 12.15. Time Is of the Essence.** Time is of the essence with respect to all of Service Provider's obligations under this Agreement.

**Section 12.16. Survival.** Any provision of this Agreement that imposes an obligation after termination or expiration of this Agreement will survive termination or expiration of this Agreement.

**Section 12.17. Counterparts.** The parties may execute this Agreement in counterparts, each of which when so executed and delivered will constitute an original and all of which when taken together will constitute one and the same agreement.

**Section 12.18. Other Agreements Not Prohibited.** This Agreement does not prohibit Pace from entering into additional or alternative agreements or arrangements to provide replacement, additional, supplementary, or duplicative service in Service Provider's service area.

**Section 12.19. No Future Obligations.** Neither this Agreement nor the parties' performance under this Agreement creates any obligation to renew this Agreement after the Term or to enter into any other agreement of any kind or nature.

**Section 12.20. No Precedent.** This Agreement does not establish any precedent in any subsequent agreement involving the parties or other persons or entities. Neither party may offer, use, or admit this Agreement as evidence in any proceeding or litigation for that purpose.

**Section 12.21. Binding Effect.** This Agreement is binding upon the parties and their respective directors, officers, employees, agents, representatives, successors, and approved assigns.

**Section 12.22. Authorization.** The signatories to this Agreement represent and warrant that they have authority to sign this Agreement on behalf of the party for whom they sign.

**Section 12.23. Signature.** A party's original signature to this Agreement or copy of that signature, either of which is transmitted by facsimile or scanned and transmitted electronically, will constitute an original signature for purposes of this Agreement.

## **ARTICLE 13 REMEDIES**

**Section 13.1. Remedies.** In the event a party breaches this Agreement, in addition to the rights provided in this Agreement, the non-breaching party may bring a legal proceeding against the breaching party to enforce or compel the breaching party's performance of this Agreement. Any cost or expense associated with that proceeding will not be an Operating Expenditure under this Agreement.

**Section 13.2. Notice and Cure.** The non-breaching party may not bring a legal proceeding against the breaching party pursuant to section 13.1 without first notifying the breaching party of the breach and allowing the breaching party 21 days to cure the breach. If the breaching party attempts to cure the breach but cannot do so within the 21-day period notwithstanding the breaching party's diligence to do so, the non-breaching party shall extend the 21-day period to allow the breaching party to cure the breach with continued diligence.

**ARTICLE 14**

**SERVICE PROVIDER COUNSEL'S OPINION LETTER FORM**

Pace, the Suburban Bus Division of the RTA  
550 W. Algonquin Road  
Arlington Heights, IL 60005  
Attention: Paratransit

Please be advised that I am legal counsel for \_\_\_\_\_ (insert name of Service Provider) ("Service Provider"). This opinion letter is provided to Pace pursuant to Article 11 of the Paratransit Service Provider Agreement between Pace and Service Provider ("Agreement"):

1. Service Provider is duly organized, validly existing, and in good standing under Illinois law and has the legal power and authority to enter into the Agreement and to provide, engage in, and carry out the public transportation services as specified in the Agreement.
2. Service Provider's execution of and compliance with the Agreement will not result in any breach or violation of, or default under, any judgment, decree, mortgage, contract, agreement, indenture, or other instrument applicable to Service Provider and known to this counsel.
3. Service Provider has obtained all approvals, consents, permits, licenses, authorizations, and modifications as may be required to permit Service Provider to perform its obligations under the Agreement as known to this counsel.
4. To this counsel's knowledge, there are no pending or threatened investigations or legal proceedings involving Service Provider with respect to the Agreement or which are reasonably likely to have a material adverse effect on Service Provider's business, operations, property, or financial condition.
5. Service Provider is not in default under or with respect to any obligation that could be materially adverse to Service Provider's business, operations, property, or financial condition or that is reasonably likely to materially adversely affect Service Provider's performance under the Agreement.
6. Neither any obligation of Service Provider nor any requirement of law materially adversely affects or, insofar as this counsel may reasonably foresee based on facts known to this counsel, may affect Service Provider's business, operations, property, or financial condition or Service Provider's performance under the Agreement.

**A RESOLUTION APPROVING AN INTERGOVERNMENTAL AGREEMENT BETWEEN THE VILLAGE OF FOREST PARK AND THE COUNTY OF COOK, ACTING THROUGH ITS BUREAU OF ASSET MANAGEMENT, FOR THE DESIGN, CONSTRUCTION, INSTALLATION, OPERATION AND MAINTENANCE OF ONE (1) ELECTRIC VEHICLE CHARGING STATION**

WHEREAS, the Village of Forest Park (“Village”) and the County of Cook, acting through its Bureau of Asset Management (“Cook County”), are public agencies within the meaning of the Illinois Intergovernmental Cooperation Act, as specified in 5 ILCS 220/1 *et seq.*, and are authorized by said Act and Article VII, Section 10 of the 1970 Constitution of the State of Illinois to enter into intergovernmental agreements.

WHEREAS, Cook County and the Village recognize that electrical vehicles (“EV”) ownership is increasing and that there is a need for public EV charging stations to facilitate and support alternative fuel sources; and

WHEREAS, in accordance with the foregoing, Cook County and the Village desire to enter into an agreement where Cook County will design, construct, and install an EV charging station and the Village will then operate, maintain and make the EV charging station available to the public (“Project”).

NOW, THEREFORE, BE IT RESOLVED by the Council of the Village of Forest Park, Cook County, Illinois, as follows:

Section 1. The facts and statements contained in the preamble to this Resolution are found to be true and correct and are hereby adopted as part of this Resolution.

Section 2. That certain “Intergovernmental Agreement by and between the Village of Forest Park and Cook County for the Design, Construction, Installation, Operation and Maintenance of One (1) EV Charging Station Within the Village” (“Agreement”), a copy of which is attached hereto as Exhibit A, is hereby approved.

Section 3. The Village authorizes acceptance of, and further agrees to the obligation to operate and maintain the Project, pursuant to the Agreement.

Section 4. The Mayor is hereby authorized to execute, and the Village Clerk is hereby authorized to attest the Agreement in substantially the form attached hereto as Exhibit A

with such changes therein as may be approved by the officials executing the same, their execution thereof to constitute conclusive evidence of approval of such changes.

Section 5. The officers and employees of the Village shall take all action necessary or reasonably required by the parties to carry out, give effect to and consummate the transactions contemplated hereby under the Agreement and to take all action necessary in conformity therewith, including, without limitation, the execution and delivery of any documents required to be delivered in connection with the Agreement.

Section 6. This Resolution shall be in full force and effect from and after its passage in the manner provided by law.

**COOK COUNTY INTERGOVERNMENTAL AGREEMENT**

## INTERGOVERNMENTAL AGREEMENT

**This INTERGOVERNMENTAL AGREEMENT** (the “Agreement”), effective as of the date of the last dated signature below, is entered into by and between the County of Cook, a body politic and corporate of the State of Illinois (the “County”), acting by and through its Bureau of Asset Management, and the Village of Forest Park, a public entity (the “Village”). The County and Forest Park are sometimes referred to herein individually as a “Party” and collectively as the “Parties.”

### RECITALS

**WHEREAS**, Cook County Board President Toni Preckwinkle and the Cook County Board of Commissioners are committed to supporting the public health, growth, and economic vitality of communities in Cook County by promoting strategic partnerships and investments in infrastructure; and

**WHEREAS**, the Village of Forest Park is located in the County of Cook, State of Illinois, and is duly organized and existing under the provisions of the State of Illinois and operating under the provisions of the Illinois Municipal Code, and all laws thereto, with full powers to enact ordinances for the benefits of the residents of the Village of Forest Park; and

**WHEREAS**, more than \$1 billion in federal funds has been allocated directly to Cook County under provisions of the American Rescue Plan Act (“ARPA”). ARPA is designed to stimulate the U.S. economy, support individuals and families, and curb the spread of the COVID-19 virus. This one-time infusion of federal dollars will support both immediate recovery needs and long-term transformative initiatives; and

**WHEREAS**, Cook County allocated ARPA funding to install public electric vehicle (EV) charging stations in suburban areas where there are currently large gaps in service, primarily in communities that are under-resourced, have a higher amount of multifamily dwelling units or have a higher amount of renter-occupied housing; and

**WHEREAS**, the Cook County Policy Roadmap’s Sustainable Communities goal is to support healthy, resilient communities that thrive economically, socially, and environmentally; and

**WHEREAS**, Cook County has steadily worked to reduce its greenhouse gas emissions, including an overall reduction in greenhouse gas emissions from County facilities of 44% in 2023; and

**WHEREAS**, the County and the Village recognize that EV ownership is increasing and that there is a need for public EV charging stations to facilitate and support alternative fuel

sources; and

**WHEREAS**, in accordance with the foregoing, the County and the Village desire to enter into an agreement where the County will design, construct, and install an EV charging station and the Village will operate, maintain and make the station available to the public; and

**WHEREAS**, the County and the Village each acknowledge TIME IS OF THE ESSENCE as there are terms and conditions that certain funding be obligated in 2024 and projects completed by December 31, 2026, and the Village will timely respond to the County's requests for information and commit adequate resources to satisfy its responsibilities under this Agreement; and

**WHEREAS**, the County, by virtue of its powers as set forth in the Counties Code, 55 ILCS 5/1-1 *et seq.*, is authorized to enter into this Agreement; and

**WHEREAS**, the Village, by virtue of its powers as set forth in the Illinois Municipal Code, 65 ILCS 5/1-1-1 *et seq.*, is authorized to enter into this Agreement; and

**WHEREAS**, this Agreement is further authorized under Article VII, Section 10 of the Illinois Constitution and by the provisions of the Intergovernmental Cooperation Act, 5 ILCS 220/1 *et seq.*

**NOW THEREFORE**, in consideration of these recitals and the mutual covenants contained herein, the Parties agree as follows:

**I. INCORPORATION OF RECITALS**

The above recitals are incorporated into this Agreement as if fully set forth herein.

**II. AUTHORITY**

Each Party represents and warrants that it has the full and lawful authority to enter into this Agreement and to fully and promptly comply with all provisions, terms and conditions, as written.

**III. PURPOSE AND SCOPE**

The purpose of this Agreement is to identify the roles and responsibilities of each Party regarding the installation of EV charging stations within the Village of Forest Park, as provided below.

**IV. TERM**

This Agreement shall become effective upon its full execution ("Effective Date") and shall expire

five (5) years after the activation of the charging station, unless terminated earlier pursuant to this Agreement.

## **V. RESPONSIBILITIES OF COUNTY**

- A. Installation of Charging Stations. The County will arrange for the installation of the EV charging station as described in the Scope of Work set forth in Exhibit A (“County Work” or “Project”) at locations agreed upon by both the County and the Village. The materials and labor to perform the County Work will be procured by the County and will be constructed and/or installed in a good and workmanlike manner using new materials of the same character, kind and quality customarily employed for such work.
- B. Provision of Equipment. The County will provide 1 dual port Level 2 EV charging station, (the “Equipment” or “Charging Stations”) as set forth in the Scope of Work. The Equipment shall be tendered to the Village in new condition.
- C. Networking Fees. The County will cover the costs of the networking fees for each station for the first five (5) years of operation of the station.
- D. Warranty. The County will cover the cost of the manufacturer’s warranty for the first five (5) years of the operation of the station.
- E. No Obligation to Repair or Replace. The County shall have no obligation to repair or replace the Equipment if it is damaged or destroyed by a third party or Act of God.

## **VI. RESPONSIBILITIES OF THE VILLAGE OF FOREST PARK**

- A. Site Selection. The Village shall recommend a location within its corporate limits and within the County limits where the Equipment shall be sited, which site shall be agreed upon and approved by the County. The site identified is seen in Exhibit A.
- B. Property Access. The Village will grant the County and its employees, contractors, and agents a right of entry to enter the Property to perform its responsibilities under this Agreement.
- C. Approval of Work. The Village will inspect the completed County Work for workmanship and confirm the completed County Work is satisfactory and in compliance with this Agreement and Exhibit A.
- D. Operation of Charging Station. The Village agrees to keep the charging station in place and operational for the 5-year term.
- E. Maintenance of Equipment. The Village will be responsible for calling the charging station manufacturer to resolve any issues with operation of the station, including warranty covered issues.
- F. Upgrades and Replacements. The Village assumes the costs and coordination of desired upgrades or replacement to/of Charging Station equipment or infrastructure beyond the initial 5-year term.
- G. Public Accessibility. The Village agrees to ensure public accessibility to the station, and to resolve any networking connection issues with the vendor if they come up.
- H. No Obligation to Repair or Replace. The Village shall have no obligation to repair or replace the Charging Station if it is damaged or destroyed by a third party or Act of God.

- I. Payment for Electricity. The Village will be responsible for paying for the electricity use incurred by use of its EV charging station, but may set pricing at its discretion to offset these costs.
- J. Pricing for Station Use. The Village shall have sole discretion for setting pricing for station use and distributing any revenue generated by the use of the stations.
- K. Networking Fees. The Village will be responsible for networking fees for year six (6) and beyond over the station's useful life.
- L. Charging Station Use Plan. The Village will be responsible for specifying engineer and security contacts for each site, setting operational times when the stations are "open" for charging, and ensuring adequate lighting is maintained.
- M. Charging Station Use Data. The Village must provide Charging Station use data to the County from the charging station portal (online software platform) for the first five (5) years of operations to assist with ARPA metric tracking. These data points include but are not limited to: kilowatt hours used per month per station, number of charge events per month per station, and annual number of unique drivers. (Depending on the selected vendor, other metrics/reports may be available for sharing in a simple format).

## **VII. MAINTENANCE AND ACCESSIBILITY OF RECORDS; MONITORING**

- A. Records Retention. The Village shall maintain for five (5) years from the Expiration Date adequate books, all financial records and supporting documents, statistical records, and all other records pertinent to the Project. If any litigation, claim, or audit related to the Project is started before the expiration of the retention period, the records must be retained until all litigation, claims or audit exceptions involving the records have been resolved and final action taken.
- B. Accessibility of Records. The Village shall make books, records, related papers, supporting documentation and personnel relevant to this Agreement available to authorized County representatives, the County's Inspector General, and any other person(s) as may be authorized by the County (including auditors). The Village shall cooperate fully in any such audit or inquiry.
- C. Failure to Maintain Books and Records. Failure to maintain books, records and supporting documentation, as described in this Article VII shall establish a presumption in favor of the County for the recovery of any funds paid by the County under this Agreement for which adequate books, records and supporting documentation are not available to support the payment.
- D. Monitoring and Access to Information. The Village must monitor its activities to assure compliance with applicable requirements and to assure its performance expectations are being achieved. The County shall monitor the activities of the Village to ensure compliance with all requirements and performance expectations of the Agreement. The Village shall timely submit all reports, and shall supply, upon the County's request, documents and information relevant to the Agreement. The County may make site visits as warranted by program needs.

## **VIII. TERMINATION FOR CAUSE OR CONVENIENCE**

- A. Termination for Cause. Subject to the notice and cure provisions described in Section B.

below, the County may terminate this Agreement if the Village materially fails to comply with any terms of this Agreement, which include (but are not limited to), the following:

- i. Failure to comply with any of the rules, regulations or provisions referred to herein, or such statutes, regulations, executive orders, and Federal awarding agency guidelines, policies or directives as may become applicable at any time; or
- ii. Failure, for any reason, of the Village to fulfill in a timely and proper manner its obligations under this Agreement;

B. If the County determines that an event of default has occurred, the County will give the Village written notice of the default, upon the receipt of which the Village has fifteen (15) days to cure the default. The County may in its sole discretion give the Village additional time to cure the default. At the end of the cure period, if the County chooses to terminate this Agreement due to an inadequate cure by the Village, the County will give the Village a letter terminating the Agreement.

C. Termination for Convenience. This Agreement may be terminated by either Party for any or no reason by giving written notice to the other Party at least thirty (30) days in advance of the effective date of such termination unless construction has begun.

**IX. NOTICE; PROJECT POINTS OF CONTACT**

A. Notice. All notices shall be in writing, sent either by overnight courier delivery service or by certified mail, return receipt requested, with proper postage pre-paid, with a confirmatory email. Confirmatory emails are a convenience to the Parties, and not a substitute for personal or mailed delivery. Notice shall be deemed to have been given on the date of courier/personal delivery or deposited in the United States mail. Notices shall be addressed as follows:

**X. MISCELLANEOUS TERMS**

A. Compliance with Laws. Each Party shall observe and comply with the applicable laws, ordinances, regulations and codes of the Federal, State, County and other local government agencies, including disaster proclamations, which may in any manner affect the performance of this Agreement, and assurance of compliance with this requirement by each Party's

employees, agents or subcontractors shall be the responsibility of the respective Party.

B. Governing Law and Venue. This Agreement shall be interpreted under, and governed by, the laws of the State of Illinois, without regard to conflicts of laws principles. Any claim, suit, action, or proceeding brought in connection with this Agreement shall be in the Circuit Court of Cook County and each Party hereby irrevocably consents to the personal and subject matter jurisdiction of such court and waives any claim that such court does not constitute a convenient and appropriate venue for such claims, suits, actions, or proceedings.

C. Force Majeure. Neither the County nor the Village shall be liable for failing to fulfill any obligation under this Agreement to the extent such failure is caused by an event beyond such Party's reasonable control and which event is not caused by such Party's fault or negligence. Such events shall include acts of God, acts of war or terrorism, fires, lightning, floods, epidemics, or riots.

D. No Agency, Partnership or Joint Venture. Nothing contained in this Agreement shall be construed to create or imply any agency, partnership, joint venture or other association between the County and the Village. The Parties shall not have the authority to enter into any Agreement, nor to assume any liability, on behalf of the other Party, nor to bind or commit the other Party in any manner, except as expressly provided herein.

E. No Third Party Beneficiaries. This Agreement shall be binding upon the Village and the County to the benefit of the Village and the County. This Agreement shall not run to the benefit of, or be enforceable by, any person or entity other than a Party and permitted assigns. This Agreement should not be deemed to confer upon third parties any remedy, claim, right of reimbursement or other right. Nothing contained in this Agreement, nor shall any act of the Parties, be deemed or construed by any of the Parties hereto or by third parties to create any relationship of third party beneficiary, principal, agent, limited or general partnership, joint venture, or any association or relationship involving any of the Parties.

F. No Employment Benefits. Each Party and its respective employees, agents and subcontractors for all purposes arising out of the Agreement shall not be considered employees of the other Party. It is expressly understood and agreed that neither Parties' employees, agents or subcontractors shall be entitled to any benefit to which the other Party's employees may be entitled including, but not limited to, overtime or unemployment compensation, insurance or retirement benefits, workers' compensation or occupational disease benefits or other compensation or leave arrangements.

G. Non-exclusivity. This Agreement is non-exclusive. Both Parties retain the right, at their sole discretion and without prior or subsequent notification to one another, to enter into EV Charging Station arrangements with third parties not related to this Agreement.

H. No Personal Liability. The Parties agree that no member, official, employee or agent of either Party will be individually or personally liable to the other Party, its successors or assigns under any term or provision of this Agreement or because of his or her execution or attempted execution of this Agreement or in the event of any default or breach by such Party under this Agreement.

I. Governmental Immunity. Notwithstanding anything to the contrary set forth elsewhere in this Agreement, in no event shall this Agreement be construed to have waived any rights or defenses of governmental immunity that either Party may have with respect to any matters arising out of this Agreement or performance hereunder.

J. Cooperation with Inspector General. The Village shall abide by all of the applicable provisions of the Office of the Independent Inspector General Ordinance (Section 2-281 et seq. of the Cook County Code of Ordinances).

K. Assignment. This Agreement, or any portion thereof, shall not be assigned by either the County or the [Village], without the prior written consent of the other Party.

L. Modification. This Agreement may not be altered, modified or amended except by a written instrument signed by both Parties. Provided, however, the Parties agree that provisions required to be inserted in this Agreement by laws, ordinances, rules, regulations or executive orders are deemed inserted whether or not they appear in this Agreement and that in no event will the failure to insert such provisions prevent the enforcement of this Agreement.

M. Waiver. No term or provision of this Agreement shall be deemed waived, and no breach or default shall be deemed excused, unless such waiver or consent shall be in writing and signed by the Party claimed to have waived or consented. No consent by any Party to, or waiver of, a breach or default by the other, whether express or implied, shall constitute a consent to, waiver of, or excuse for any different or subsequent breach or default by or on the part of any Party.

N. Severability. In the event that any provision of this Agreement is deemed to be invalid by reason of the operation of any law or by reason of the interpretation placed thereon by any court or any other governmental body, this Agreement shall be construed as not containing such provision and any and all other provisions hereof which otherwise are lawful and valid shall remain in full force and effect.

O. Survival. Any provisions of this Agreement that impose continuing obligations upon a Party or, by their nature or terms, would be reasonably understood to have been intended to survive and continue in force and effect after expiration or termination of this Agreement, shall remain in force and effect after such expiration or termination for so long as so intended.

P. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, but all of which when taken together shall be deemed to be one and the same instrument.

Q. Titles and Headings. Titles and headings to paragraphs contained in this Agreement are for convenience only and are not intended to limit, vary, define or expand the content of this Agreement.

R. Interpretation. Whenever the singular is used herein, the masculine, feminine and neuter gender shall be deemed to include the others. If any language is stricken or deleted from this Agreement, such language shall be deemed never to have appeared herein and no connotations or inferences shall be drawn. A reference to the County includes the County's officers, commissioners, employees, attorneys, agents and assigns; a reference to the Village includes its officers, members, employees, attorneys, agents and assigns.

S. Entire Agreement. This Agreement constitutes the entire Agreement of the County and Village with respect to the subject matter hereof and supersedes all other prior and contemporary agreements, understandings, representations, negotiations, and commitments between the Village and the County with respect to the subject matter hereof.

**Cook County's Electric Vehicle Charging Station Program**  
**Scope Of Work**

Under this program, the County shall provide the following scope of services:

Install a dual port, level 2 electric vehicle charging station at a location within the Village of Forest Park, agreed upon by both parties to this agreement. Installation will include all engineering, equipment, permits, fees, signage, striping, and other work to install the charging station. All work done will follow all local, state, and federal requirements for this type of work.

The station will be turned over to the host in fully operational condition and ready for use. The station will also come with 5 years of subscription service and 5 years of warranty.

**A RESOLUTION APPROVING AN INTERGOVERNMENTAL AGREEMENT BETWEEN THE VILLAGE OF FOREST PARK AND THE METROPOLITAN WATER RECLAMATION DISTRICT OF GREATER CHICAGO FOR THE GREEN ALLEY PROJECT 2**

WHEREAS, the Village of Forest Park and the Metropolitan Water Reclamation District of Greater Chicago are public agencies within the meaning of the Illinois Intergovernmental Cooperation Act, as specified in 5 ILCS 220/1 *et seq.*, and are authorized by said Act and Article VII, Section 10 of the 1970 Constitution of the State of Illinois to enter into intergovernmental agreements.

NOW, THEREFORE, BE IT RESOLVED by the Council of the Village of Forest Park, Cook County, Illinois, as follows:

Section 1. The facts and statements contained in the preamble to this Resolution are found to be true and correct and are hereby adopted as part of this Resolution.

Section 2. That certain “Intergovernmental Agreement By and Between the Village of Forest Park and the Metropolitan Water Reclamation District of Greater Chicago for the Design, Construction, Operation and Maintenance of the Green Alley Project 2 in the Village of Forest Park” (“Agreement”), a copy of which is attached hereto as Exhibit A, is hereby approved.

Section 3. The Village authorizes acceptance of, and further agrees to use the funds received, pursuant to the Agreement, and that any required Village expenditure under the Agreement, be approved.

Section 4. The Mayor is hereby authorized to execute, and the Village Clerk is hereby authorized to attest the Agreement in substantially the form attached hereto as Exhibit A

with such changes therein as may be approved by the officials executing the same, their execution thereof to constitute conclusive evidence of approval of such changes.

Section 5. The officers and employees of the Village shall take all action necessary or reasonably required by the parties to carry out, give effect to and consummate the transactions contemplated hereby under the Agreement and to take all action necessary in conformity therewith, including, without limitation, the execution and delivery of any documents required to be delivered in connection with the Agreement.

Section 6. This Resolution shall be in full force and effect from and after its passage in the manner provided by law.

**EXHIBIT A**

**INTERGOVERNMENTAL AGREEMENT**

**INTERGOVERNMENTAL AGREEMENT BY AND BETWEEN THE VILLAGE OF  
FOREST PARK AND THE METROPOLITAN WATER RECLAMATION DISTRICT  
OF GREATER CHICAGO FOR THE DESIGN, CONSTRUCTION, OPERATION,  
AND MAINTENANCE OF THE GREEN ALLEY PROJECT 2 IN FOREST PARK,  
ILLINOIS**

**THIS INTERGOVERNMENTAL AGREEMENT** (“Agreement”) is entered into by and between the Metropolitan Water Reclamation District of Greater Chicago (“MWRDGC”), a unit of local government and corporate and body politic organized and existing under the laws of the State of Illinois, and the Village of Forest Park (“Village”), a municipal corporation and non-home rule unit of government organized and existing under Article VII, Section 7 of the 1970 Constitution of the State of Illinois. Together, the MWRDGC and the Village may be referred to as the “Parties” and each individually as a “Party”.

**WITNESSETH:**

**WHEREAS**, on November 17, 2004, Public Act 093-1049 amended the Metropolitan Water Reclamation District Act (“Act”) in various ways; and

**WHEREAS**, the Act, as amended, declares that stormwater management in Cook County, Illinois is under the general supervision of the MWRDGC; and

**WHEREAS**, Public Act 098-0652 amended the Act again on June 18, 2014 by specifically authorizing the MWRDGC to plan, implement, and finance activities relating to local stormwater management projects in Cook County, Illinois; and

**WHEREAS**, one component of the MWRDGC’s stormwater management program includes green infrastructure, which is defined as the range of stormwater control measures that use plant/soil systems, permeable pavement, stormwater harvest and reuse, or native landscaping to store, infiltrate, and/or evapotranspire stormwater and reduce flows to sewer systems or to surface waters as set forth at 33 U.S.C. § 1362 (27); and

**WHEREAS**, the MWRDGC is committed to implementing a Green Infrastructure Program Plan in conformance with Appendix E, Section II (C) of the consent decree entered into in United States, et al., v. Metropolitan Water Reclamation District of Greater Chicago,

Case No. 1:11-cv-08859 (N.D. Ill. 2014), and the MWRDGC's formal commitment in this Agreement is intended to satisfy that obligation; and

**WHEREAS**, the Village is located within the boundaries of Cook County, Illinois; and

**WHEREAS**, pursuant to 65 ILCS 5/11-110-1 and 65 ILCS 5/11-109-1, the Village is empowered to construct and maintain green infrastructure and manage water, sewers, and stormwater within its corporate limits; and

**WHEREAS**, the Village proposes constructing one (1) permeable alley using permeable pavers in the following location in Forest Park, Illinois, for the public benefit of reducing flooding and providing green infrastructure in the general area ("Public Benefit"): the "T" alley bounded by Harrison Street to the north, Thomas Avenue to the east, Lexington Street to the south, and Beloit Avenue to the west; and

**WHEREAS**, the proposed green infrastructure installations at the above cited location will further the MWRDGC's goal of informing the public of the value of green infrastructure and will provide the design retention capacity ("DRC") described in Article 2 of this Agreement. The DRC will be comprised of two parts: (1) the constructed volume of stormwater stored within the stone void spaces built into the ground and/or that can pond on the surface of the green infrastructure ("Constructed Volume") and (2) the volume of water that can infiltrate into the ground beneath the green infrastructure during a six (6) hour time period ("Infiltration Volume"). The DRC constructed will be in addition to any retention capacity that the Village must comply with under local, regional, state, or other regulations for stormwater management; and

**WHEREAS**, the Village intends to design, construct, operate, maintain, and own the proposed green infrastructure installations; and

**WHEREAS**, the Village's plans to construct the proposed green infrastructure installations may be accomplished more effectively, economically, and comprehensively with the Village and the MWRDGC cooperating and using their joint efforts and resources; and

**WHEREAS**, the Intergovernmental Cooperation Act, 5 ILCS 220/1 *et seq.*, and Section 10 of Article VII of the Illinois Constitution, allow and encourage intergovernmental cooperation; and

**WHEREAS**, on May 16, 2024, the MWRDGC’s Board of Commissioners authorized the execution of an intergovernmental agreement with the Village; and

**WHEREAS**, on December 16, 2024, the Village Council authorized the execution of an intergovernmental agreement with the MWRDGC; and

**NOW THEREFORE**, in consideration of the mutual covenants and agreements contained in this Agreement and for other good and valuable consideration, the MWRDGC and the Village agree as follows:

**Article 1. Incorporation of Recitals**

The above recitals are incorporated by reference and made a part of this Agreement.

**Article 2. Scope of Work**

1. The work contemplated by this Agreement will include design, construction, operation, and maintenance of a permeable alley (“Project”). These improvements are categorized by the MWRDGC as “green infrastructure”.
2. The Project will realize the Public Benefit of helping to alleviate flooding by, among other things, routing runoff from tributary areas to the green infrastructure installation (“Managed Area”) so as to reduce flooding and ponding located within and around the Project area, as shown in Exhibit 1, attached to this Agreement.
3. The Village, at its sole cost and expense, will prepare the construction drawings, specifications, and details (“Construction Documents”) for the Project.
4. The Project will be constructed to provide enough DRC to meet or exceed the stormwater runoff volume generated by the Managed Area in a ten (10) year, twenty-four (24) hour storm event, as demonstrated using the DRC calculation sheet in Exhibit 2, attached to this Agreement. The DRC calculation sheet must be completed by a licensed professional engineer and must be approved by the MWRDGC prior to construction of the Project.

5. Upon execution of this Agreement and until commencement of Project construction, the Village will provide monthly updates to the MWRDGC on (1) the status and progress of Project design and (2) the schedule for bid advertisement and award for the Project.
6. The Village will provide the MWRDGC with a copy of the thirty percent (30%), sixty percent (60%), and ninety-eight percent (98%) complete Construction Documents and the DRC calculation sheet for the MWRDGC's approval as to the Public Benefit.
7. The MWRDGC will review the Construction Documents and the DRC calculation sheet and provide written comments to the Village within thirty (30) calendar days of receipt. The Village will incorporate the MWRDGC's review comments into the Construction Documents. At the sixty percent (60%) completion stage, the Village will include a report of the geotechnical investigation which must include the infiltration rate of the underlying soil (as determined by an infiltration rate test completed within the Project limits within the five (5) years preceding the execution of this Agreement) and the depth of the seasonably high ground water level at the Project location.
8. At the ninety-eight percent (98%) completion stage, the Village will include a detailed opinion regarding probable cost of construction and will include a breakdown of design, construction, construction engineering, and any other Project related costs incurred or that the Village expects to incur.
9. The Village will provide the MWRDGC with a copy of the one hundred percent (100%) complete Construction Documents and a final design DRC calculation sheet ("Final Design DRC").
10. Upon award of any Project related construction contracts, the Village will provide monthly updates to the MWRDGC as to (1) construction progress and (2) anticipated timeframes for submission of reimbursement requests, with the final request being submitted no later than sixty (60) calendar days following final completion of the Project construction.
11. Also, upon award, the Village will provide the following to the MWRDGC: (1) a copy of its bid advertisement, including all newspaper, online, or any other media utilized by the Village; (2) a summary or tabulation of bids received; and (3) a copy of the Village's approval, resolution, or equivalent awarding the construction contract.

12. After construction, the Village will provide the MWRDGC with a copy of as-built drawings and related Project documentation, including any addenda, change orders (not previously submitted), stormwater related shop drawings, and field changes.
13. The MWRDGC will adjust the amount of its reimbursement commitment based upon the MWRDGC's review of the actual constructed DRC ("Final Constructed DRC")—including any addenda, change orders, or field changes that solely relate to the stormwater aspects of the Project.
14. Although the MWRDGC will reimburse the Village for a portion of the Project, the Village bears sole responsibility for the overall cost, expense, and payment for the Project, which the Village will construct in accordance with the final Construction Documents.
15. To the extent practicable, the Village, its agents, contractors, or employees may elect to use the MWRDGC's biosolids in any amendments performed to the soil of the Project area, including but not limited to landscaping. Subject to availability, the MWRDGC will provide the biosolids free of charge. The Village may be required to arrange and pay for the transportation of the biosolids to the Project area.
16. The Village will publicly advertise the Project and publicly award all Project related construction contracts to the lowest responsible bidder as determined by the Village. The Village will consider and act in general accord with the applicable standards of the MWRDGC's Purchasing Act, 70 ILCS 2605/11.1-11.24 (attached to this Agreement as Exhibit 3), when advertising and awarding all Project related construction contracts. The Village will also require a payment bond and performance bond for all Project related construction contracts in general accord with the applicable standards of Exhibit 3. The Village may impose more stringent requirements than those contained in Exhibit 3 when awarding Project related construction contracts, but in no event will the Village's requirements fall below the MWRDGC's applicable general standards. Although the Village need not include Exhibit 3 as part of its bid documents, the Village is responsible for ensuring that these applicable minimum requirements are met.
17. The Village agrees that the Project is a "Covered Project" as defined in the MWRDGC's Multi-Project Labor Agreement for Cook County ("MPLA") (attached to this Agreement as Exhibit 4). As such, the Village agrees to be obligated as the MWRDGC would be in the MPLA and will ensure that the standards and requirements for "Covered Projects" are met

for the Project, as applicable. The Village may impose more stringent requirements than those contained in the MPLA when awarding Project related construction contracts, but in no event will the Village's requirements fall below the standards for "Covered Projects" detailed in it. Although Exhibit 4 need not be included as part of the Project's bid documents, the Village is responsible for ensuring that its applicable minimum requirements are met.

18. The Village must comply with the applicable portions of the MWRDGC's Affirmative Action Ordinance and Diversity Policies. Revised Appendix D governs Affirmative Action goal requirements for subcontracting with Minority and Women Owned Business Enterprises (attached to this Agreement as Exhibit 5). Appendix V governs the diversity policy requirements for subcontracting with Veteran-owned Business Enterprises (attached to this Agreement as Exhibit 6). Collectively these goals are referred to as "participation goals".
19. The Village **must** meet the following participation goals applicable to the Project before construction is completed: twenty percent (20%) of the total amount of reimbursement provided by the MWRDGC for the Project must be applied to work performed by Minority-owned Business Enterprises ("MBE") and/or Women-owned Business Enterprises ("WBE").
20. The Village **should** meet the following participation goal applicable to the Project before construction is completed: three percent (3%) of the total amount of reimbursement provided by the MWRDGC for the Project should be applied to work performed by Veteran-owned Business Enterprises ("VBE").
21. The determination as to whether the Village has complied with the requirements of this Agreement by attaining the MWRDGC's participation goals is solely within the MWRDGC's discretion. If the Village fails to attain each goal as determined by the MWRDGC, the MWRDGC may withhold payments to the Village up to or equal to the dollar amount by which the Village failed to attain the participation goal(s).
22. The Village will provide the MWRDGC access to inspect, with reasonable notice, any records or documentation related to the Village's compliance with the MWRDGC's participation goals.

23. To evidence compliance with the MWRDGC's participation goals, the Village must submit the following items to the MWRDGC's Diversity Administrator prior to the start of construction: (1) a completed Utilization Plan for MBE/WBE participation, attached to this Agreement as Exhibit 7 and a completed VBE Commitment Form, attached to this Agreement as Exhibit 8 and (2) a current letter from a certifying agency that verifies as appropriate the MBE/WBE/VBE status of each vendor listed as a subcontractor on the MBE/WBE Utilization Plan and VBE Commitment Form. A certification letter will be deemed current so long as its expiration date is after the date of the Utilization Plan or Commitment Form. Failure to timely submit a Utilization Plan, Commitment Form, or certifying letter may result in a payment delay or denial.
24. No changes can be made to an approved Utilization Plan without the prior written approval of the Diversity Administrator. Failure to obtain the prior written approval of the Diversity Administrator may result in a payment delay or denial. Additionally, the performance of work by businesses that did not receive prior written approval from the Diversity Administrator will not be counted towards the participation goals.
25. Together with each and every reimbursement request, the Village must submit to the Diversity Administrator the following: (1) a MBE/WBE and VBE Status Report ("Status Report"), attached to this Agreement as Exhibit 9; (2) full or partial lien waivers from the participating MBE/WBE/VBE vendors, as applicable; and (3) proof of payment to the participating MBE/WBE/VBE vendors (e.g., canceled checks), as applicable. Failure to submit a Status Report and any supporting documentation may result in a payment delay or denial.
26. The Village will comply with the Prevailing Wage Act, 820 ILCS 130/0.01 *et seq.* Current prevailing wage rates for Cook County are determined by the Illinois Department of Labor and are available on the Illinois Department of Labor's official website. It is the responsibility of the Village to obtain and comply with any revisions to the rates should they change during the construction phase of this Agreement.
27. The Village, at its sole cost and expense, will provide (1) the final design of the Project; (2) land acquisition and remediation, if any; and (3) construction oversight and administrative support for the Project.

28. The Village will submit a signed Operation and Maintenance Plan (“O&M Plan”) for the MWRDGC’s review and approval. The O&M Plan must be signed by an authorized representative of the Village. The O&M Plan will be included as part of this Agreement as Exhibit 10. At its sole cost and expense, the Village will operate and maintain the Project in accordance with the approved O&M Plan.
29. The MWRDGC will reimburse the Village at a rate of five dollars (\$5) per gallon of Constructed Volume of the DRC and one dollar (\$1) per gallon of Infiltration Volume of the DRC. These reimbursement rates will be applied to the Final Design DRC. For the purposes of calculating reimbursement amounts, a maximum infiltration rate of 3.6 inches per hour will be used in the DRC calculation.
30. The MWRDGC may provide reimbursement to the Village for change orders that arise during construction of the Project. For a change order to be considered for reimbursement, the work to be performed under the change order must be construction work that is necessary for the Project to proceed and work that was not foreseeable at the time that the final Construction Documents were reviewed and approved by the MWRDGC. A proposed change order must be submitted in writing to the MWRDGC for review and approval prior to any work being performed pursuant to the change order. The MWRDGC will review the proposed change order and will provide a written decision to the Village within fourteen (14) calendar days of receipt. The MWRDGC will not reimburse the Village for any work performed pursuant to a change order that has not received prior written approval. The MWRDGC’s decision whether to reimburse the Village for a proposed change order is solely within the discretion of the MWRDGC.
31. The MWRDGC will reimburse the Village, per the requirements detailed in this Article, up to sixty and 00/100 percent (60.0%) (“Maximum Reimbursement Percentage”) of the total construction cost of the Project. In no event will the reimbursement amount provided by the MWRDGC exceed Three Hundred Three Thousand and 00/100 dollars (\$303,000.00) (“Maximum Reimbursement Amount”). If the Project is constructed for less than the total estimated cost of construction, the MWRDGC’s Maximum Reimbursement Amount will be calculated using the total actual construction cost of the Project. For purposes of this Agreement, “construction” will mean all work necessary to build the Project as depicted in the final Construction Documents.

32. The Village will be responsible for securing funding or contributing its own funds for all remaining costs necessary to construct the Project in accordance with the final Construction Documents. The Village will be solely responsible for change orders, overruns, or any other increases in the cost of the Project (unless otherwise approved by the MWRDGC as described in Paragraph 30 of this Article). All funding provided by the MWRDGC will be exclusively to reimburse the Village for construction of the Project. For disbursement of funds to occur, the Village must provide the following documentation to the MWRDGC:
- a. A DRC calculation sheet showing the Final Constructed DRC, which must be within ten percent (10%) of the Final Design DRC. If the Final Constructed DRC differs by more than ten percent (10%) of the Final Design DRC, the reimbursement amount provided by the MWRDGC will be reduced or increased as appropriate; and
  - b. An exhibit showing the Project's Managed Areas and calculations of the runoff volume generated by the Managed Areas in a ten (10) and one hundred (100) year, twenty-four (24) hour storm event. The MWRDGC will cap the volume used to calculate the reimbursement amount at the runoff volume generated by the one hundred (100) year storm event.
33. The MWRDGC will disburse funds to the Village in accordance with the following schedule:
- a. Twenty-five percent (25%) of the Maximum Reimbursement Amount at receipt of a reimbursement request for fifty percent (50%) completion of construction; and
  - b. Subject to the Maximum Reimbursement Amount and Maximum Reimbursement Percentage, the remaining amount necessary to reimburse the Village based upon the Final Constructed DRC.
34. The Village must submit invoices for fifty percent (50%) completion of construction within thirty (30) calendar days of completion. The documents detailed in Paragraph 32 of this Article must be signed by a professional engineer licensed by the State of Illinois and submitted within sixty (60) calendar days of final completion or no later than December 31, 2025. The MWRDGC will only disburse funds in strict accordance with the foregoing schedule. The MWRDGC may opt not to pay any late reimbursement requests or invoices.
35. The MWRDGC's Maximum Reimbursement Amount under this Agreement is based on the funding amount that the MWRDGC's Board of Commissioners approved and appropriated

for this Project. Any additional funding sought from the MWRDGC beyond that which was approved and appropriated is subject to the approval of the MWRDGC's Board of Commissioners.

36. The Village is responsible for all other Project related costs including engineering, property acquisition, remediation, other design related costs, construction inspection, and the remainder of the construction cost that is not reimbursed by the MWRDGC.
37. As a condition for reimbursement, the Village must submit copies of construction invoices to the MWRDGC for review along with the respective reimbursement requests.

### **Article 3. Permits and Fees**

1. Federal, State, and County Requirements. The Village will obtain all federal, state, county, and local permits required by law for the construction of the Project and will assume any costs in procuring said permits. Additionally, the Village will obtain all consents and approvals required by federal, state, and county regulations for the construction of the Project and will assume any costs incurred in procuring all such consents and approvals.
2. Operation and Maintenance. The Village will obtain any and all permits necessary for the performance of any operations or maintenance work associated with the improvements to be constructed by the Village in connection with the Project, and in accordance with Article 6 of this Agreement.

### **Article 4. Environmental Site Assessment**

1. The MWRDGC and the Village agree that an environmental site assessment may be completed at the Project site prior to any work being performed in accordance with this Agreement.
2. The MWRDGC will reimburse the Village for the Maximum Reimbursement Percentage, as detailed in Article 2.31 of this Agreement, of the total cost of the environmental site assessment, but in no event will that amount exceed ten thousand dollars (\$10,000.00).
3. The Village is responsible for contracting with a company to provide the environmental site assessment. The Village must ensure that the company is properly licensed and insured to perform the necessary work.
4. The Village must provide the invoice for the environmental site assessment within fourteen (14) calendar days of receipt for reimbursement by the MWRDGC.

5. The funds to be provided by the MWRDGC to the Village for the environmental site assessment will be separate and distinct from the funds to be provided for the Project, as described in Article 2.31 of this Agreement.
6. The Village will provide the MWRDGC with a copy of the environmental site assessment report within fourteen (14) calendar days of receipt for the MWRDGC's review.
7. If, after review of the environmental site assessment report, it is determined that remediation of the Project site is required, the Village and the MWRDGC will commence discussion to determine if it is appropriate for the Project to proceed. If the MWRDGC decides to proceed with the Project, the Village will be responsible for all Project site remediation which must be performed consistent with all applicable state and federal law. If the Village is unwilling or incapable of remediating the Project site, and no alternative plan is feasible, this Agreement will be terminated by the MWRDGC pursuant to Article 9 of this Agreement.

#### **Article 5. Property Interests**

1. In executing this Agreement, the Village is affirming that the Project site is located entirely within a right of way, perpetual easement, or on other property owned solely by and within the Village. Further, the Village is affirming that it has an enforceable property interest in the Project site. As verification, the Village has completed the form affidavit provided by the MWRDGC, which has been executed by an authorized officer of the Village. Exhibit 11 attached to this Agreement contains the executed affidavit or, in the alternative, all relevant documentary evidence of dedication, perpetual easement, or ownership.
2. For all surrounding property impacting or being impacted by the Project, prior to starting construction of the Project, the Village will acquire any temporary or permanent easements, license agreements, or fee simple title necessary for access to the Project site, as well as construction and maintenance of the Project. Any property interests acquired by the Village must be consistent with the MWRDGC's right to access the Project to conduct an inspection or perform maintenance as set out in Article 6 of this Agreement.
3. Should acquisition of property interests via condemnation be necessary, the Village will incur all associated costs, including purchase price and easement fees, as well as any attorney's fees. When necessary, the Village will be required to provide relocation assistance consistent with the obligations of all applicable state and federal law.

4. If it is determined during the design or construction phases of the Project, as performed by the Village, that hazardous substances are located in, on, or under the Project site, the Village must notify the MWRDGC in writing within fourteen (14) calendar days of this information becoming available. Following notification, the Village and the MWRDGC will commence discussion to determine if it is appropriate for the Project to proceed. If the MWRDGC decides to proceed with the Project, the Village will be responsible for all Project site remediation which must be performed consistent with all applicable state and federal law. If the Village is unwilling or incapable of remediating the Project site, and no alternative plan is feasible, this Agreement will be terminated by the MWRDGC pursuant to Article 9 of this Agreement.
5. The Village will record all easements, licenses, or deeds acquired for the Project.
6. The Village will own all the improvements constructed for the Project. Nothing in this Agreement creates an ownership or property interest for the MWRDGC in any part of the Project.
7. The Village may not lease, sell, or transfer the Project site or property owned by the Village that is necessary for construction, maintenance, and access to the Project site, in whole or part, to a third party during the term of this Agreement without the MWRDGC's prior written approval. The Village must provide the MWRDGC with at least sixty (60) calendar days' written notice of the date on which it intends to execute a lease, sell, or transfer the property. Failure to comply with this Paragraph of the Agreement during the construction phase of the Project may result in termination by the MWRDGC pursuant to Article 9 of this Agreement and may require the Village to return all or a portion of the funds received from the MWRDGC, at the MWRDGC's sole discretion. Alternatively, failure to comply with this Paragraph during the maintenance phase of the Project may result in the MWRDGC seeking full or partial repayment of funds provided to the Village from the MWRDGC for the Project, at the MWRDGC's sole discretion.

#### **Article 6. Maintenance**

1. The Village, at its sole cost and expense, will maintain the Project in accordance with the MWRDGC approved O&M Plan for at least twenty-five (25) years and must ensure that the Project perpetually provides the intended Public Benefit or that the Village replaces the

Project after twenty-five (25) years with improvements that provide equal or greater stormwater benefit to the public.

2. The Village must conduct annual inspections to ensure adequate maintenance of the Project in accordance with the O&M Plan approved by the MWRDGC. The Village will prepare a report detailing its annual inspection, observations, and conclusions including whether the Project is operating as designed, functioning, and providing the intended Public Benefit. The annual inspection report must either be stamped by a professional engineer licensed by the State of Illinois or signed by the head of the department responsible for maintenance duties. The stamped or signed annual inspection report will be provided to the MWRDGC within thirty (30) calendar days of completion.
3. The MWRDGC will have the right (including any necessary right of access) to conduct its own annual inspection of the constructed Project upon reasonable notice to the Village.
4. In the event of failure of the Village to maintain the Project as required in the approved O&M Plan, the MWRDGC may issue written notice by certified, registered, or electronic mail to the Village directing the Village to perform such maintenance. If the maintenance has not been performed on or before thirty (30) calendar days after such notice, the MWRDGC may cause such maintenance to be performed and the Village will pay the MWRDGC the entire cost that the MWRDGC incurred to perform the required maintenance, with said reimbursement to be paid by the Village to the MWRDGC within thirty (30) calendar days after request.
5. In addition to Paragraph 4 of this Article, if the MWRDGC determines that the Village has failed to maintain the Project's improvements to provide the intended Public Benefit, the MWRDGC may require the Village to repay some or all of the funding that the MWRDGC provided under this Agreement. The amount of repayment is at the sole discretion of the MWRDGC. However, this Paragraph will not apply if, after twenty-five (25) years, the Village replaces the Project with improvements that are deemed by the MWRDGC to have an equal or greater Public Benefit.
6. In performing its obligations under this Article, the Village will comply with all access restrictions and notice requirements set forth in the easements, licenses, or deeds recorded pursuant to Article 5 of this Agreement.

### **Article 7. Notification**

1. Bid Advertisement. The Village will provide the MWRDGC with thirty (30) calendar days' notice prior to bid advertisement for the Project.
2. Construction. The Village will provide the MWRDGC with a construction schedule and a minimum of seventy-two (72) hours' notice before the following project milestones:
  - Start of work
  - Substantial completion
  - Completion of work

### **Article 8. Notification to Residents (Public Outreach)**

1. The Village will permanently display signs at locations in the vicinity of the Project that are present and visible to the community setting forth the following information: "This project is a joint effort between the Village of Forest Park and the Metropolitan Water Reclamation District of Greater Chicago, designed to promote the use of green infrastructure as an effective means of stormwater management". The signs will be maintained by the Village and will include educational information about the benefits of green infrastructure. The MWRDGC will provide examples of signage used for similar projects upon request.
2. The Village will notify the MWRDGC of its intent to hold any ceremonies, public outreach, or educational events related to the Project (e.g. groundbreakings, ribbon cuttings, open houses, community fairs, etc.) at least fourteen (14) calendar days prior to the planned event date. The MWRDGC may provide materials or equipment to be used to assist the Village in disseminating Project related information at these events.
3. The MWRDGC reserves the right to record drone footage of the Project. The MWRDGC will provide the Village with fourteen (14) calendar days notice of its intent to record footage. If the desired record date is a date on which the Village has a conflict, the Village will provide the MWRDGC with a more suitable date to record.

### **Article 9. Termination**

1. Prior to commencement of construction of the Project, the Village may, at its option, and upon giving notice to the MWRDGC in the manner provided in Article 26 of this Agreement, terminate this Agreement as it pertains to the entire Project.

2. Prior to Bid Advertisement of the Project, the MWRDGC may, at its option, and upon giving notice to the Village in the manner provided in Article 26 of this Agreement, terminate this Agreement as it pertains to the entire Project.
3. The MWRDGC may also terminate this Agreement if: (a) the Village does not award construction of the Project within six (6) months from the date of execution of this Agreement or by October 1, 2025, whichever comes first or (b) the Project is not completed in accordance with the Construction Documents within one (1) year of the Village's initial award of a construction contract related to the Project or by December 1, 2025, whichever comes first. If the MWRDGC elects to terminate this Agreement based upon (b), the Village must return all funds provided by the MWRDGC within fourteen (14) calendar days of termination. In its sole discretion, the MWRDGC may approve an extension for delays outside the Village's control and where the Village has made good faith efforts to advance the Project.
4. If, pursuant to Article 4 and Article 5 of this Agreement, the Village is unwilling or incapable of remediating the Project site, and no alternative plan is feasible, this Agreement will be terminated by the MWRDGC. The MWRDGC will provide thirty (30) calendar days written notice to the Village of intent to terminate. Any funds received by the Village from the MWRDGC must be returned within thirty (30) calendar days of such termination.
5. If during the term of this Agreement, either Party fails to comply with any of the provisions contained in this Agreement, the other Party may seek to terminate this Agreement upon thirty (30) calendar days' written notice. Upon receiving written notice of desire to terminate, the Parties will commence discussion regarding conformance with this Agreement. If a resolution is reached, this Agreement will proceed. If no resolution is reached, this Agreement will be deemed terminated. Within thirty (30) calendar days of such termination, all funds received from the MWRDGC will be returned, unless other arrangements are agreed upon in writing.
6. If it is determined that the Village provided false, incorrect, or misleading information regarding the Project or the funding thereof, the MWRDGC may terminate this Agreement and require the Village to return a portion or all of the Project related funds received from the MWRDGC no later than fourteen (14) calendar days following termination of this

Agreement. The determination as to whether the Village has violated this Paragraph of the Agreement, and the amount of funds to be returned, is solely in the MWRDGC's discretion.

**Article 10. Effective Date**

This Agreement becomes effective on the date that the last signature is affixed to the signature pages.

**Article 11. Duration**

Subject to the terms and conditions of Article 9 of this Agreement, this Agreement will remain in full force and effect for twenty-five (25) years (project life) from the effective date of this Agreement. After twenty-five (25) years have elapsed, this Agreement will automatically renew on an annual basis unless either Party sends written notification to the other Party regarding non-renewal of the Agreement. The Parties will commence discussion within fourteen (14) calendar days of receipt of the notice to determine whether non-renewal of this Agreement is appropriate. If the Parties agree, the Agreement will be considered expired thirty (30) calendar days thereafter. If there is no concurrence, this Agreement will remain in effect.

**Article 12. Non-Assignment**

Neither Party may assign its rights or obligations under this Agreement without the prior written consent of the other Party.

**Article 13. Waiver of Personal Liability**

No official, employee, or agent of either Party to this Agreement will be charged personally by the other Party with any liability or expenses of defense incurred as a result of the exercise of any rights, privileges, or authority granted in this Agreement, nor will he or she be held personally liable under any term, provision, or paragraph of this Agreement, or because of a Party's execution or attempted execution of this Agreement, or because of any breach of this Agreement.

**Article 14. Indemnification**

The Village will defend, indemnify, and release from liability the MWRDGC, its Commissioners, officers, employees, and other agents ("MWRDGC Parties") from liabilities of every kind, including losses, damages and reasonable costs, payments and expenses (such as,

but not limited to, court costs and reasonable attorney fees and disbursements), claims, demands, actions, suits, proceedings, judgments, or settlements, any or all of which are asserted by any individual, private entity, or public entity against the MWRDGC Parties and arise out of or are in any way related to: (1) design, construction, operation, or maintenance of the Project that is the subject of this Agreement or (2) the exercise of any right, privilege, or authority granted to the Village under this Agreement. The provisions contained in this Article will survive the termination, expiration, or non-renewal of this Agreement.

**Article 15. Representations of the Village**

The Village covenants, represents, and warrants as follows:

1. The Village has full authority to execute, deliver, and perform or cause to be performed this Agreement; and
2. The individuals signing this Agreement and all other documents executed on behalf of the Village are duly authorized to sign on behalf of and to bind the Village; and
3. The execution and delivery of this Agreement, consummation of the transactions provided for in this Agreement, and the fulfillment of the terms will not result in any breach of any of the terms or provisions of or constitute a default under any agreement of the Village or any instrument to which the Village is bound or any judgment, decree, or order of any court, governmental body, or any applicable law, rule, or regulation; and
4. The funds allocated by the Village for this Project are separate from and in addition to the funds that the MWRDGC will provide under this Agreement.

**Article 16. Representations of the MWRDGC**

The MWRDGC covenants, represents, and warrants as follows:

1. The MWRDGC has full authority to execute, deliver, and perform or cause to be performed this Agreement; and
2. The individuals signing this Agreement and all other documents executed on behalf of the MWRDGC are duly authorized to sign on behalf of and to bind the MWRDGC; and
3. The execution and delivery of this Agreement, consummation of the transactions provided for in this Agreement, and the fulfillment of its terms will not result in any breach of any of the terms or provisions of or constitute a default under any agreement of the MWRDGC or

any instrument to which the MWRDGC is bound or any judgment, decree, or order of any court, governmental body, or any applicable law, rule, or regulation.

**Article 17. Disclaimers**

This Agreement is not intended, nor will it be construed, to confer any rights, privileges, or authority not permitted by Illinois law. Nothing in this Agreement will be construed to establish a contractual relationship between the MWRDGC and any party other than the Village.

**Article 18. Waivers**

Whenever a Party to this Agreement by proper authority waives the other Party's performance in any respect or waives a requirement or condition to performance, the waiver so granted, whether express or implied, will only apply to the particular instance and will not be deemed a waiver for subsequent instances of the performance, requirement, or condition. No such waiver will be construed as a modification of this Agreement regardless of the number of times the performance, requirement, or condition may have been waived.

**Article 19. Severability**

If any provision of this Agreement is held to be invalid, illegal, or unenforceable, such invalidity, illegality, or unenforceability will not affect any other provisions of this Agreement, and this Agreement will be construed as if such invalid, illegal, or unenforceable provision had never been contained therein. The remaining provisions will remain in full force and will not be affected by the invalid, illegal, or unenforceable provision or by its severance. In lieu of such illegal, invalid, or unenforceable provision, there will be added automatically as part of this Agreement a provision as similar in its terms to such illegal, invalid, or unenforceable provision as may be possible and be legal, valid, and enforceable.

**Article 20. Necessary Documents**

Each Party agrees to execute and deliver all further documents, and take all further action reasonably necessary, to effectuate the purpose of this Agreement. Upon the completion of the Project, the Village will provide the MWRDGC with a full-sized copy of "as-built" drawings for the Project. The drawings will be affixed with the "as-built" printed mark and must be signed by both the Village resident engineer and the contractor.

**Article 21. Compliance with Applicable Laws and Deemed Inclusion of Same**

1. The Parties agree to observe and comply with all federal, state, and local laws, codes, and ordinances applicable to the Project. Provisions required (as of the effective date) by law, ordinances, rules, regulations, or executive orders to be inserted in this Agreement are deemed inserted in this Agreement whether or not they appear in this Agreement or, upon application by either Party, this Agreement will be amended to make the insertions. However, in no event will the failure to insert such provisions before or after this Agreement is signed prevent its enforcement.
2. The Parties to this Agreement will comply with all applicable federal, state, and local laws, rules, and regulations in carrying out the terms and conditions of this Agreement, including the Equal Opportunity clause set forth in Appendix A to the Illinois Department of Human Rights' regulations, which is incorporated by reference in its entirety as though fully set forth in this Agreement.
3. The Village agrees that it will ensure that all contractors and subcontractors that perform work on the Project are properly registered to transact business with the Illinois Secretary of State, are properly licensed for the work to be performed, and are properly insured at all times while performing work under this Agreement.

**Article 22. Entire Agreement**

This Agreement, and any exhibits or riders attached hereto, constitute the entire agreement between the Parties. No other warranties, inducements, considerations, promises, or interpretations may be implied that are not expressly set forth in this Agreement.

**Article 23. Amendments**

This Agreement will not be amended unless it is done so in writing and signed by the authorized representatives of both Parties.

**Article 24. References to Documents**

All references in this Agreement to any exhibit or document will be deemed to include all supplements and authorized amendments to any such exhibits or documents to which both Parties hereto are privy.

### **Article 25. Judicial and Administrative Remedies**

1. The Parties agree that this Agreement and any subsequent amendments will be governed by and construed and enforced in accordance with the laws of the State of Illinois in all respects, including matters of construction, validity, and performance. The Parties further agree that the proper venue to resolve any dispute which may arise out of this Agreement is the appropriate court of competent jurisdiction located in Cook County, Illinois.
2. The rights and remedies of the MWRDGC or the Village will be cumulative, and election by the MWRDGC or the Village of any single remedy will not constitute a waiver of any other remedy that such Party may pursue under this Agreement.

### **Article 26. Notices**

Unless otherwise stated in this Agreement, all notices given in connection with this Agreement will be deemed adequately given only if in writing and addressed to the Party for whom such notices are intended at the addresses set forth in Article 27 of this Agreement, unless otherwise specified and agreed to in writing by the Parties. All notices will be sent by personal delivery, first class registered or certified mail with postage prepaid and return receipt requested, or by electronic mail. A written notice will be deemed to have been given to the recipient Party on the earlier of (a) the date it is delivered to the address required by this Agreement; (b) with respect to notices sent by mail, two (2) calendar days (excluding Sundays and federal holidays) following the date it is properly addressed and placed in the U.S. Mail, with proper postage prepaid; or (c) with respect to notices sent by electronic mail, on the date of notification of delivery receipt, if delivery was during the normal business hours of the recipient, or on the next business day, if delivery was outside normal business hours of the recipient. In the heading of all notices, the Parties must identify the Project by stating as follows: "IGA between Village of Forest Park and the MWRDGC for the Green Alley Project 2 in Forest Park".

### **Article 27. Representatives**

1. Immediately upon execution of this Agreement, the following individuals will represent the Parties as primary contacts and must receive notice in all matters under this Agreement.

For the MWRDGC:  
Director of Engineering  
Metropolitan Water Reclamation District  
of Greater Chicago

Forest Park, Illinois 60130  
Phone: (708) 615-6201  
Email: [rentler@forestpark.net](mailto:rentler@forestpark.net)

2. Each Party agrees to promptly notify the other Party of any change in its designated representative, and provide the new representative's name, address, telephone number, and electronic mail address.

### **Article 28. Interpretation and Execution**

1. The Parties agree that this Agreement will not be construed against a Party by reason of who prepared it.
2. Each Party agrees to provide a certified copy of the ordinance, bylaw, or other authority demonstrating that the person(s) signing this Agreement is/are authorized to do so and that this Agreement is a valid and binding obligation of the Party.
3. The Parties will execute this Agreement electronically, unless the Parties otherwise agree to execute paper copies of the Agreement, in which case four (4) copies of the Agreement will be executed.

### **Article 29. Exhibits and Attachments**

**RESOLUTION NO. R-\_\_\_\_\_ -24**

**A RESOLUTION APPROVING CHANGE ORDER NO. 2 TO THE CONTRACT WITH AND PAY REQUEST NO. 3 (FINAL) TO TECORP, INC. FOR THE REHABILITATION OF THE SOUTH WATER TANK AT 1580 SOUTH HANNAH PROJECT**

WHEREAS, the Village of Forest Park, Cook County, Illinois ("Village"), previously awarded the contract ("Contract") for the Rehabilitation of the South Water Tank at 1580 South Hannah Project ("Project") to Tecorp, Inc. ("Contractor") for the original amount of Six Hundred Seventy-Four Thousand Two Hundred and 00/100 Dollars (\$674,200.00) ("Contract Price"); and

WHEREAS, the Village subsequently approved Change Order No. 1 to the Contract, in the amount of Thirteen Thousand Two Hundred Fifty and 00/100 Dollars (\$13,250.00), increasing the Contract Price in the amount of Six Hundred Eighty-Seven Thousand Four Hundred Fifty and 00/100 Dollars (\$687,450.00) ("Amended Contract Price"); and

WHEREAS, Village staff and Christopher B. Burke Engineering, Ltd., Village Engineer, on behalf of the Village, reviewed and recommended balancing Change Order No. 2 to the Contract, for crediting for work not performed and for additional work to be included in the Project; and

WHEREAS, Change Order No. 2 to the Contract increases the Contract Price by Four Thousand Two Hundred Fifty and 00/100 Dollars (\$4,250.00) for an adjusted Amended Contract Price of Six Hundred Ninety-One Thousand Seven Hundred and 00/100 Dollars (\$691,700.00); and

WHEREAS, Contractor has submitted its Pay Request #3 (Final) for completion of the work for the Project, which includes Change Order No. 2, a copy of Pay Request #3 (Final) which is attached hereto and made a part hereof; and

WHEREAS, the Pay Request No. 3 (Final) has been reviewed by the Village Engineer, who has determined that Contractor is entitled to compensation for its performance under the Project to date, pursuant to the Pay Request No. 3 (Final); and

WHEREAS, the Village will be obligated to make a payment on Pay Request No. 3 (Final) to Contractor in the amount of Ninety-Six Thousand Fifty and 00/100 Dollars (\$96,050.00); and

WHEREAS, it is necessary that the Mayor and Council of the Village approve balancing Change Order No. 2 and Pay Request No. 3 (Final) to Contractor under the Contract for the Project.

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and Council of the Village of Forest Park, Cook County, Illinois, as follows:

Section 1. The statements contained in the preambles to this Resolution are found to be true and correct and are hereby incorporated into this Resolution.

Section 2. The Council of the Village hereby approves Change Order No. 2 to the Contract, in the amount of Four Thousand Two Hundred Fifty and 00/100 Dollars (\$4,250.00).

Section 3. The Council of the Village hereby approves Pay Request No. 3 (Final) to Contractor in the amount of Ninety-Six Thousand Fifty and 00/100 Dollars (\$96,050.00) under the Contract for the Project with Contractor.

Section 4. The Village Clerk is directed to attest to the Mayor's signature on any and all documents, as necessary to effectuate and carry out the approvals in this Resolution.

Section 5. This Resolution shall be in full force and effect upon its passage in the manner provided by law.

Weekly Statement of Compliance

Date: Nov 4, 2024

I, Patricia J Ruzich,  
(name signatory party)  
Office Manager, do  
(Title)

hereby state: that I pay or supervise the payment  
of the persons employed on the public works  
project Village of Forest Park ;  
(name of project)

that during the payroll period commencing on the

7 day of June, 2024,  
(day) (month) (year)

all persons employed on said project have been  
paid the full weekly wages earned, that no  
rebates have been or will be made either directly  
or indirectly to or on behalf of said

TeCorp  
(name of contractor or subcontractor)

from the full weekly wages earned by any person,  
and that no deductions have been made either  
directly or indirectly from the full weekly wages  
earned by any persons, other than permissible  
deductions as defined by Federal and/or State  
Law. I further certify that this payroll is correct  
and complete; that the wage rates contained  
therein are not less than the actual rates herein  
stated and that the classification set forth for each  
laborers or mechanic conform to the work he/she  
performed.

**FOREST PARK**  
PUBLIC LIBRARY

7555 Jackson Blvd  
Forest Park, IL 60130

August 9, 2024

To Mr. Mayor and the Commissioners of the Village of Forest Park,

I am writing on behalf of the Library to request that our organization be considered for the Annual Village Parking Sticker fundraising drive that the Village generously offers to local organizations. If we are selected, we intend to put any monies raised toward our Forest Park Cares Fund.

In his 2018 book, *The Librarian's Guide to Homelessness*, Ryan Dowd, the former director of the Hesse House Shelter in Aurora, IL, stated that "staff at public libraries interact with almost as many homeless individuals as staff at shelters do". The Library is a safe space for people experiencing homelessness and housing insecurity and poverty, as well as those experiencing mental health issues. FPPL Library staff has seen a rise in visitors experiencing these issues, which correlates to what we know about the state of chronic homelessness in Illinois: the percentage of people who are chronically homeless has risen from 9% of the population in 2016 to 22% in 2020. Of these folks, 60% reside in Cook County.

Our partners at the Village are no strangers to the challenges that can arise in responding to those in such dire straits. As a response to the growing needs we are seeing, FPPL was one of the first libraries in Illinois to establish a Little Free Pantry, driven by community support, and were so glad to see the counterpart of the Community Fridge added in 2023 by the Village. In 2021, the Library added the Comfort Cabinet, which provides toiletry and hot/cool weather items. These resources are all donation-supported, as we may not use tax revenue to support non-library business.

In late 2023, the Library created the Forest Park Cares Fund with the intention of providing a steadier source of financial support to our initiatives. Attached you will find our Board's Forest Park Cares policy, along with a fact sheet of what the fund supports, and the good it has so far been able to accomplish through the community's generosity and the staff's determination to help where we are able. I am very grateful for your consideration, and am available to answer any questions you may have.

Sincerely yours,

Vicki Rakowski

## **History of the Forest Park Cares Fund and Some Fast Facts**

- The fund was established in fall of 2023 with full support of our Library Trustees. Prior to its creation, the Library would post “drives” for particular items using Amazon wish lists for things that were running low. However, that method was subject to the whims of whatever the donor wished to purchase. The creation of the fund allowed us to offer materials more consistently and evenly.
- Our first donation drive for the fund raised \$5,834 from 70 donors. This allowed us to immediately offer resources we had not yet been able to, such as CTA passes which we were able to offer to connect people to shelters in other parts of Cook County.
- Over the years, the Comfort Cabinet has been stocked with items that support the dignity and safety of those in need. Items have included hand warmers and mylar blankets to combat the cold, hygiene items such as soap and sanitary products for women, socks, gloves and hats, and many other personal care items. Additionally the fund allows us to provide laundry kits, funds to use our public payphone, and transportation passes via the CTA when a person needs to get to shelter.
- The Library has relied on community partners to offer a wider range of materials to those in need. Those partnerships have included Sunrise Laundry in Maywood (who provide free laundering services to those who arrive via connection from the Library), the Forest Park Arts Alliance (who knit hats, scarves, and mittens for cold weather), and Teeth and Things Dentistry (who provide toothbrushes and toothpaste). These partnerships, in addition to sharing the load of providing resources, also provide much needed moral support in helping those experiencing homelessness or poverty.
- It is very easy to feel powerless against the problems we see in the world, but we have had feedback from many patrons who use the resources provided by the Library and the Forest Park Cares Fund who have told us that this support has been part of what has helped them get back on their feet. We are very grateful to be in a position where we can help people get their lives on a better trajectory, bit by bit, person by person.

## **Forest Park Public Library**

### **Forest Park Cares Assistance Policy**

The Forest Park Public Library is frequently patronized by those in the community experiencing homelessness, housing insecurity, and poverty. The Library is an integral part of the local network that supports visitors experiencing needs arising from these issues by acting as a resource for many different things: a safe space, information, and connection to resources.

It is, therefore, the Policy of the Forest Park Public Library to designate a conspicuous location within the Library (referred to as the "Comfort Cabinet") which shall serve as a resource of supplies donated by community members for Library visitors in need. Along with the Comfort Cabinet, the Library will maintain a fund into which will be deposited the proceeds from the sale of donated books or other Library related materials as well as donated funds to be used to support patrons in need to, for example, use the pay phone or pay for transportation to shelter or other necessary resources. This fund shall be comprised solely of donated monies and grant awards.

I am writing to request that Empowering Gardens, Inc. be considered as a beneficiary of the Village vehicle sticker renewal program. Empowering Gardens Inc, is a 501 (c) (3) nonprofit organization, operating at 7730 -7736 Madison in The Village since 2016. EGI employs and trains people with varying abilities in a Garden Center environment. We rely on charitable contributions to support our programs, and would be most grateful to receive any funds produced by this program.

Thank you kindly for your consideration.

Sincerely,  
Richard Biggins  
President
